Lucifer's Court Otto Rahn, 2008-02-28 Rahn s personal diary from his travels as occult investigator for the Third Reich First English translation of the author s journeys in search of a Nordic equivalent to Mt Sinai Explains why Lucifer the Light Bringer god of the heretics is a positive figure Otto Rahn s lifelong search for the Grail brought him to the attention of the SS leader Himmler who shared his esoteric interests Induced by Himmler to become the chief investigator of the occult for the Nazis Rahn traveled throughout Europe from Spain to Iceland in the mid 1930s pursuing leads to the Grail and other mysteries Lucifer s Court is the travel diary he kept while searching for the ghosts of the pagans and heretics who were his ancestors It was during this time that Rahn grasped the positive role Lucifer plays in these forbidden religions as the bearer of true illumination similar to Apollo and other sun gods in pagan worship This journey was also one of self discovery for Rahn He found such a faithful echo of his own innermost beliefs in the lives of the heretics of the past that he eventually called himself a Cathar and nurtured ambitions of restoring that faith which had been cruelly destroyed in the fires of the Inquisition His journeys on assignment for the Reich including researching an alleged entrance to Hollow Earth in Iceland and searching for the true mission of Lucifer in the caves of southern France that served as refuge for the Cathars during the Inquisition also led to his disenchantment with his employers and his mysterious death in the mountains after his break with the Nazis

Free Speech in Its Forgotten Years, 1870-1920 David M. Rabban, 1997 Most American historians and legal scholars incorrectly assume that controversies and litigation about free speech began abruptly during World War I However there was substantial debate about free speech issues between the Civil War and World War I Important free speech controversies often involving the activities of sex reformers and labor unions preceded the Espionage Act of 1917 Scores of legal cases presented free speech issues to Justices Holmes and Brandeis A significant organization the Free Speech League became a principled defender of free expression two decades before the establishment of the ACLU in 1920 World War I produced a major transformation in American liberalism Progressives who had viewed constitutional rights as barriers to

needed social reforms came to appreciate the value of political dissent during its wartime repression They subsequently misrepresented the prewar judicial hostility to free speech claims and obscured prior libertarian defenses of free speech based on commitments to individual autonomy

Warfare and the Miraculous in the Chronicles of the First Crusade Elizabeth Lapina,2015-08-13 In Warfare and the Miraculous in the Chronicles of the First Crusade Elizabeth Lapina examines a variety of these chronicles written both by participants in the crusade and by those who stayed behind Her goal is to understand the enterprise from the perspective of

its contemporaries and near contemporaries Lapina analyzes the diversity of ways in which the chroniclers tried to justify the First Crusade as a holy war where physical violence could be not just sinless but salvific The book focuses on accounts of miracles reported to have happened in the course of the crusade especially the miracle of the intervention of saints in the Battle of Antioch Lapina shows why and how chroniclers used these miracles to provide historical precedent and to reconcile the messiness of history with the conviction that history was ordered by divine will In doing so she provides an important glimpse into the intellectual efforts of the chronicles and their authors illuminating their perspectives toward the concepts of history salvation and the East Warfare and the Miraculous in the Chronicles of the First Crusade demonstrates how these narratives sought to position the crusade as an event in the time line of sacred history Lapina offers original insights into the effects of the crusade on the Western imaginary as well as how medieval authors thought about and represented history

The Imperfect Circle Yaw Obeng, 2011 Over the centuries the religious calendar has pursued its unchanging annual repeating orbit and successive generations of mankind have obediently participated in its ceremonies from their cradles to their graves In turn they all came to know that Faith must be built on a foundation of Truth and yet hypocritically in turn no one addressed the fallacies and enigmas which abound in the bedrock Th is written piece is the presentation of the truth and to God be all the glory for I live only to serve *Peredur, The Undiscovered Truth of the Nazi Grail Quest* David James Senior, 2025-01-16 Uncover the intertwined quests of Otto Rahn s Nazi search for the Holy Grail and the true hero Peredur in this captivating exploration of history and legend Peredur The Undiscovered Truth of the Nazi Grail Quest is written in two parts The first part of the book charts the life and adventures of Otto Rahn the man tasked by the Nazis in the 1930s with finding and getting his hands on the Holy Grail for them The Nazis were hell bent on finding the Grail and reuniting it with the Holy Lance in a bid to create a mythical past of the Aryan race Rahn believed that by uncovering the truth behind the Germanic saga of Parzival he would discover the whereabouts of the Grail Parzival had according to legend successfully completed a quest to find the Grail while being a knight in the court of King Arthur In dissecting the story of Parzival Rahn concluded that the Grail had been held by the Cathars a heretical Christian sect in their fortress at Montsegur He believed that the Grail was still there waiting for him to find it and based his quest around this belief Unfortunately after chasing round Europe in his efforts to find the Grail and coming within touching distance of finding the truth the Nazis patience with him ran out with him and Rahn came to a sticky end without ever having found the Grail Rahn was the real life figure who inspired the fictional movie character Indiana Jones The second part focusses on Peredur a British knight hailing from York and the true hero of the original Grail Story By examining the life of Peredur and the Grail Story Peredur the Son of Evrawc written about him we are able to reach the truth of the Grail Rahn and the Nazis never found Rahn came very close to uncovering this but the Nazis had lost faith in him and casting him as a charlatan hounded him to his death Much of the story of Peredur the Son of Evrawc is played out in the ancient British kingdom of Elmet encompassing much of what we now call

South Yorkshire and whose southern border lay along the line of the River Don As the story is unpicked the truth of the Grail is unraveled leading to some astonishing findings

The Preaching of the Third Crusade (1187-1192) Alexander Marx, 2024-12-23 This book delivers the first substantial study of the preaching of the Third Crusade 1187-92 It assembles c 200 sermon texts and c 100 manuscripts to understand the explosive dynamic of mobilization in the Latin West Dealing with the essential fact that a genre called crusade sermon did not exist it develops methodological devices for identifying sermons relevant for the crusading purpose The book contests thus the modern historiography which has placed too much trust in the few chronicle reports However its fruitful blending of crusading preaching exegesis manuscript studies and intellectual history has much to offer beyond crusade studies

The Uses of the Bible in Crusader Sources, 2017-05-22 The Uses of the Bible in Crusader Sources sets out to understand the ideology and spirituality of crusading by exploring the biblical imagery and exegetical interpretations which formed its philosophical basis Medieval authors frequently drew upon scripture when seeking to justify praise or censure the deeds of crusading warriors on many frontiers After all as the fundamental written manifestation of God's will for mankind the Bible was the ultimate authority for contemporary writers when advancing their ideas and framing their world view This volume explores a broad spectrum of biblically derived themes surrounding crusading and by doing so seeks to better comprehend a thought world in which lethal violence could be deemed justifiable according to Christian theology Contributors are Jessalynn Bird Adam M Bishop John D Cotts Sini Kangas Thomas Lecaue T J H McCarthy Nicholas Morton Torben Kjersgaard Nielsen Luigi Russo Uri Shachar Iris Shagrir Kristin Skottki Katherine Allen Smith Thomas W Smith Carol Sweetenham Miriam Rita Tessera Jan Vandeburie Julian J T Yolles and Lydia Marie Walker
