Lucille Camps In:

Lucille Camps in Kathryn Lasky, 2003 Lucille's older brother and sister are heading off on a camping trip with their dad but Lucille's too young to go. No fair! Lucille is mad about being left behind and nothing her mom does can cheer her up. Then Lucille gets an idea of her very own. If camping out is fun, why can't camping in be even better? From pitching a tent in the living room to toasting marshmallows in the fireplace, Lucille and her mom are soon on an adventure of their very own. And the only limit is their imagination. *A Century on New Brunswick's N.W. Miramichi* George S. Mumford, 2013 This is a journal kept by my father of his first trip with my grandfather to the Northwest Miramichi River of Canada's Central New Brunswick in the summer of 1916. I love the camps on the Miramichi for the truly beautiful natural environment for learning to fish and the excitement and wonder of holding a salmon before releasing it back to the river for the camaraderie with new and old friends for a scheduled daily block of free time for the caring camp staff and more. I also gained insights about myself as a learner, had the luxury to observe and experience talented guides as remarkable teachers and to have the time and opportunity to reflect upon their teaching and my learning. These days were wonderful experiences and tremendous opportunities for me personally, a great vacation. **Book Crush** Nancy Pearl, 2009-09-29 Do you remember your first book crush? You know the first time a book completely captured your imagination, transported you to a magical place or introduced you to a lifelong friend you will never forget. In *Book Crush*, popular librarian and reading enthusiast Nancy Pearl reminds us why we fell for reading in the first place: how completely consuming and life-changing a good book can be. Pearl offers more than 1,000 crush-worthy books organized into over 100 recommended reading lists aimed at youngest middle grade and teen readers. From picture books to chapter books, YA fiction and nonfiction, Pearl has developed more smart and interesting thematic lists of books to enjoy. Parents, teachers, and librarians are often puzzled by the unending choices for reading material for young people. It starts when the kids are toddlers and doesn't end until high school graduation. What's good, what's not, and what's going to hold their interest? Popular librarian Nancy Pearl points the way in *Book Crush*. The Charismatic Movement in Taiwan from 1945 to 1995 Judith C.P. Lin, 2020-07-10 This book presents a comprehensive account of the historical development of the Charismatic Movement in Taiwan, placing it within the context of Taiwan's religious and political history. Judith C.P. Lin unearths invaluable sources of the Japan Apostolic Mission, the Full Gospel Business Men's Fellowship International, Formosa Chapter, and Jean Stone Willans' short stay in Taiwan in 1968. Lin describes and analyzes how the efforts of 1970s charismatic missionaries in Taiwan, including Pearl Young, Nicholas Krushnisky, Donald Dale Allen, J. Swanson, and Ross Paterson, shaped the theological convictions of later Taiwanese charismatic leaders. She also explores significant developments in the Taiwanese Church which contributed to the gradual and widespread recognition of the Charismatic Movement in Taiwan from 1980 to 1995. Lin offers a thorough treatment of history, reconfigures historiography from a Taiwanese perspective, and challenges the academic circle to take seriously the Taiwanese consciousness when

Children and Youth at Risk in Times of Transition Baard Herman Borge,Elke Kleinau,Ingvi Constanze Ødegaard,2023-12-04 Children and youth belong to one of the most vulnerable groups in societies This was the case even before the current humanitarian crises around the world which led millions of people and families to flee from wars terror poverty and exploitation Minors have been denied human rights such as access to education food and health services They have been kidnapped sold manipulated mutilated killed and injured This has been and continues to be the case in both developed and developing countries and it does not look as if the situation will improve in the near future Rather current
