Reginald,2009-12-01 This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive The major index is by author and lists author title publisher book number year of publication and cover price The title index lists titles and authors only The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued This is the place that all study of the American paperback must begin      **Bite Risk** S.J. Wills,2023-08-29 The Last Kids on Earth gets a lupine twist by way of Margaret Peterson Haddix in this eerie middle grade adventure set in a small town where all the adults are werewolves but the kids begin to suspect something else sinister is putting them at even greater risk When everyone s a werewolf it s hard to spot the monster Thirteen year old Sel lives in the remote isolated town of Tremorglade where nothing interesting ever seems to happen Well unless you count the one night a month when the full moon rises and kids like him must lock up their parents while they transform into werewolves though Tremorgladers prefer to call them Rippers But that s the whole world s new normal since the Disruption changed everything well before Sel was born But when strange things begin happening in Tremorglade like drones emitting sickening sounds and people behaving oddly Sel and his friends begin asking questions about what s really going on in their small town And suspiciously soon after they do Rippers begin escaping on confinement

nights people start disappearing and the kids suspect they're being followed. Maybe there's a reason no one ever seems to leave Tremorglade and it's up to Sel and his friends to figure out the truth someone doesn't want them to know before another full moon puts them all at a bite risk.

**Communication Issues in Autism and Asperger Syndrome, Second Edition** Olga Bogdashina, 2022-07-21 In this updated edition Olga Bogdashina provides a theoretical foundation for understanding communication and language impairments specific to autism. She explores the effects of different perceptual and cognitive styles on the communication and language development of autistic children. She also stresses the importance of identifying each individual's nonverbal language which can be visual, tactile, kinaesthetic, auditory, olfactory, or gustatory to establish verbal communication. Reflecting recent research and changes in terminology, the book explains why some approaches may work for some autistic children but not for others and the 'What They Say' sections allow the reader to see through the eyes of autistic individuals and understand their language differences first hand. 'What We Can Do to Help' sections throughout the book give practical recommendations for helping autistic individuals use their natural mechanisms to learn and develop social and communicative skills. The final chapters are devoted to assessment and intervention issues with recommendations for selecting appropriate methods and techniques to enhance communication based on the specific mode of communication a person uses.

*Run Like Duck* Mark Atkinson, 2018-11-15 The 2019 Running Awards Best Book A guide to running for the unathletic told by a man who fell into the sport almost by accident. Progressing cautiously on a reluctant and unexpected journey to 100 Marathons and beyond, he learned the hard way from years of getting it wrong. Unlikely to break any records or become a national figure for the standards he sets, he nonetheless has enhanced his life and fitness taking his long suffering family along with him. In this witty account, he writes about his unsteady progress while knocking the stuffing out of running pomposity.
