Lucky Eddie Goes Sailing Eddie Johnson, 2012-07-17 Extracts from book Once the ship had passed we settled down to wait for the next plan to emerge Finally once we were east of the Shivering sands towers another ship came into view This ship was coming from Sheerness docks and looked as if it would pass quite a distance from us I found myself along with my father and our friend jumping up and down shouting Help were here I knew this was futile as the ship was at least a mile away and the visibility was failing and though I used to laugh when I saw this happen in films it was the only thing that we could do Incredibly the crew on the ship did see us and changed course As the ship circled us were heard a German accent calling to us Are you in da trouble we looked at each other and the boat Our first instinct was to shout back that we were all OK and that we always sailed around with a broken mast But considering our circumstances we decided not to be clever and shouted out yes and how grateful we were that the ship had come to our assistance My father had contacted the firing range and told them our estimated time of arrival before leaving home so it was no surprise that we were hours later than we anticipated It was mid summer and we were all just lying about in shorts and T shirts and there was barely a ripple on the water We were all enjoying the trip when I noticed a flash coming from Shoeburyness I turned and immediately informed my father who began to say dont be silly they know were coming unfortunately he only got as far as they know were when a thundering boom shattered a tranquil sail This as immediately followed by a gust of wind that must have pushed the boat at four knots for a couple of seconds On reaching the bank my father pulled the dingy out of the water and headed for the bridge We could clearly see him walking around the by the control tower of the bridge for about five minutes and I believe he was just about to give up and return to the boat when things got a little more exciting A military Land rover sped up towards the bridge control tower and two Military Police officers jumped out ran over to my father and promptly shoved him into the back of the Land rover They then drove off at speed in the same direction they had come from My father did have

a slight problem when putting the wheel on The fitting to fix the wheel too was round while the hole in the centre of the wheel was square To get over this obstacle he used a generous amount of plastic padding to fill the void between the wheel and the spindle We were coming up to Kings Ferry Bridge and I was at the helm and as per usual the bucket was lifted up the mast As today there was always a wait while the demigod operator who lives in the bridge decides when we are worthy enough to lift his mighty bridge Until the mast can clear the underside of the lifting bridge we would circle As we approached for our second or third turn the wheel stopped responding and as I tried in vain to will the boat to turn the wheel came off in my hands Like most of the Wharrem catamarans this boat though 34 feet did not have a proper heads and after finishing the Chinese food Mick decided he needed to use the heads Like my father's boat prior to the rebuild the net on the front was seen as the gents My father did mumble to anyone interested that in his opinion the net looked a bit rotten but this warning fell on deaf ears Mike staggered to the bow of the boat and dropped his jeans and pants and settled into the net Joe who was not by any stretch of the imagination was standing quite close coiling a rope Suddenly the net on which Mike was sitting gave up trying to support the weight of Mick Mick vanished into the cloudy depths of the harbour when he surfaced he was immediately having problem

Unfortunately for Tony, his cover is blown when he is forced to reveal a trick he has up his own sleeve: a pocket Glock he can shoot with laser-like precision. Suddenly, two men are dead, the cops are on Tony's tail, and the investigation explodes in violence, putting the lives of Tony's son and his young family in danger. For years, Tony's son, Gerry, has dueled with his own criminal impulses. Now the Ricky Smith case has lured Gerry through the gates of temptation and into a murderous confrontation with the Dixie Mafia. With Tony stuck on the slippery slope of Slippery Rock and Gerry fighting for his life, the Valentines are finding out just how bad good luck can get. Against a neon-tinted backdrop of adrenaline rushes, hard crashes, big money, and high wire tension, the inimitable James Swain has set his best Tony Valentine novel yet: a funny, furious ride with an astounding array of crooks, marks, and one killer scam.

Just Lucky John M. Findley, 2010-04. This is a very unusual book. It is full of stories of unexpected and sometimes hazardous experiences. It is an adventure book that will appeal to the young and old alike. Anyone who likes the outdoors and nature will enjoy reading this book. John writes the same way he speaks. The stories are told in a down-to-earth manner with just enough humor thrown in to make them enjoyable. If you ever had a desire to explore unknown territory or to hike a new trail, you will certainly enjoy the stories in this book. Editor's note: John Findley is a truly extraordinary man and has lived a life packed with more extraordinary experiences than any other ten people I know combined. He has written this book where he relives many of these experiences, and I have had the good fortune to help John with some of the construction of this book, but the words and style are his. John has detailed memories of his experiences which include skydiving in ways I wish I could have seen spelunking in places I am glad I have missed and attempting to swim through the Grand Canyon three times. You will like this book.

The Lucky Bag, 1927 **How to Get Lucky (Harriman Classics)** Max Gunther, 2021-09-21 Max Gunther's lost classic now in a new Classics edition. Some people think you're either born lucky or not. But what if you could actively get lucky? As Max Gunther shows in this page-turning classic, some people really are luckier than others and not by accident. Lucky people arrange their lives in characteristic patterns. They tend to position themselves in the path of onrushing luck; they tend to go where events are moving fastest and where they can find their lucky break. Lucky people take risks but not silly ones. They stick with a cause, a job, or a partner but not when all hope is lost. In short, they move with life, not against it. This book gives you 13 different techniques by which you can discover and take advantage of life's good breaks while minimising the effects of its bad ones. Lucky Peak Dam, Boise River, Idaho Waterways Experiment Station (U.S.), 1964 A Lucky Sixpence. Farce in one act E. J. Browne, 1875 *From the Promised Land to the Lucky Country* Renate, 2000 In Renate's spellbinding story we're taken along on an incredible journey of survival that spans three countries and one remarkable life. In sun-soaked pages Renate shows us life on the kibbutz and how a young country experiences the miracle of statehood. Part of Renate's gift is to give us vibrantly real and intimate glimpses of what it's like to be a young mother, nurse, and doting wife during turbulent times and in a strange land. She doesn't sugarcoat but instead shows us both the pleasures and the perils of her life, including the terrifying time when she and her husband back in Israel are separated from their children during the Yom Kippur War. Fearlessly honest in her writing, Renate spares no detail. This outstanding book occasionally breaks the fourth wall, allowing the author to talk with readers and reveal to them how freeing it has been for her to write about the traumas in her life. This boldness and strength of spirit give *From the Promised Land to the Lucky Country* its shining truth and intimacy. We are meant to enjoy the earth, Renate says, and in this moving memoir we experience a woman who has, despite all the odds, found purpose and peace. Ellen Tanner Marsh, New York Times best-selling author **Lucky Luke - Volume 12 - The Rivals of Painful Gulch** René Goscinny, Morris, 2013-03-25T00:00:00+01:00 Two rival families live in Painful Gulch: the O'Timmins clan who have big noses and the O'Haras who have big ears.
