Notes Become Music Walter Fleischmann, 2019-06-17 Notes Become Music A Guidebook from the Viennese Piano Tradition addresses the many unwritten nuances of dynamics articulation and agogics as an expression of fundamental principles of a common European musical language It treats the score as an incomplete musical shorthand that outlines the compositional and interpretive imperatives implicit within it drawing on historical records from the eighteenth and nineteenth centuries and detailed comparisons of works to underline the author's presentation of Viennese tradition This book is not primarily concerned with questions of style or interpretation Rather it explains the many facets of musical notation that were taken for granted by composers who

assumed a knowledge of the piano tradition of their day Notes Become Music informs not only those students in countries where the central European music tradition is still unfamiliar but also a younger generation of Europeans who have grown up without a living connection to their musical past *The Life of Ludwig Van Beethoven* Alexander Wheelock Thayer,1921
