Ascension and Romantic Relationships Joshua David Stone, Janna Shelley, 2000-02-01. Inspired by Djwhal Khul. Dr. Joshua David Stone has written a unique book about relationships from the perspective of the soul and monad rather than just the personality. This presents a broader picture of the problems and common traps of romantic relationship and offers much deeper and spiritually sound guidance and advice. Drawing on his experience as a psychotherapist and licensed marriage, family and child counselor, Dr. Stone has written an excellent manual for initiates, disciples and ascended beings.

Cosmic Ascension Joshua David Stone, 1998-02-01. Cosmic Ascension: Your Cosmic Map Home. Almost all the books on the planet on the subject of ascension are written about planetary ascension. However, because of the extraordinary times in which we now live in terms of Earth's history, there is a new opening and potentiality to also begin one's cosmic ascension process. This has never before been available. It must be understood as Vywamus has said that in completing our planetary ascension, we are no more than one-tenth of the way up a ten-inch ruler in terms of our cosmic ascension process. This includes most of the ascended masters. We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father-Mother-God at the top of creation. Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation. This is not a criticism; just a simple statement of fact. The question is: What lies beyond the next nine-tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension, which is no small feat in and of itself? It is for this purpose that the author was guided to write this book.

Soul Psychology Joshua David Stone, 1995-08-01. There are tens of thousands of self-help books on psychology and human relationships; however, there are very few that integrate the topics of the soul and spirit into the picture. Most books on this subject focus on personality-level self-actualization. The new wave in the field of psychology is transpersonal or soul psychology, which will lead to monadic psychology for the more advanced students of the path. The entire understanding of psychology is completely changed when the soul is properly integrated. It has been said that personality-level self-actualization brings happiness; soul-level self-actualization brings joy; and monadic and spiritual-level self-actualization bring bliss.
