Manufacturing Change:

Changes in the Structure of Manufacturing Employment William A. Schaffer, 1968 **Special Study on Economic Change: State and local finance : adjustment in a changing economy ... December 19, 1980** ,1980

1977 Census of Manufactures: Indexes of production ,1983 **Biosimilar Drug Product Development** Laszlo Endrenyi, Dr. Paul Declerck, Shein-Chung Chow, 2017-02-24 When a biological drug patent expires alternative biosimilar products are developed The development of biosimilar products is complicated and involves numerous considerations and steps The assessment of biosimilarity and interchangeability is also complicated and difficult Biosimilar Drug Product Development presents current issues for the development of biosimilars and gives detailed reviews of its various stages and contributing factors as well as relevant regulatory pathways and pre and post approval issues **Nowcasting GDP - A Scalable Approach Using DFM, Machine Learning and Novel Data, Applied to European Economies** Mr.

Jean-Francois Dauphin, Mr. Kamil Dybczak, Morgan Maneely, Marzie Taheri Sanjani, Mrs. Nujin Suphaphiphat, Yifei Wang, Hanqi Zhang, 2022-03-11 This paper describes recent work to strengthen nowcasting capacity at the IMF's European department It motivates and compiles datasets of standard and nontraditional variables such as Google search and air quality It applies standard dynamic factor models DFMs and several machine learning ML algorithms to nowcast GDP growth across a heterogeneous group of European economies during normal and crisis times Most of our methods significantly outperform the AR 1 benchmark model Our DFMs tend to perform better during normal times while many of the ML methods we used performed strongly at identifying turning points Our approach is easily applicable to other countries subject to data availability **Managing by Projects for Business Success** John Parnaby, Stephen Wearne, Ashok K. Kochhar, 2003-06-02

How do you manage a company which runs hundreds of changing projects continually to maintain global competitiveness what form of organization is used How are the targets aligned to business strategy Who sets the specifications or targets How are they all reviewed Who implements the results and how are these audited and checked against the strategic framework the targets set and the results expected Managing by Projects for Business Success develops a detailed appreciation of the approach to practical application together with a parallel set of detailed methodology sections tools and techniques to help put the principles into practice It provides the professional change manager with a wide range of practical methodologies and case examples from leading international service and manufacturing companies comprehensively backed up by extensive source literature references It will also be an invaluable supporting text for university business and engineering courses as well as for in service courses for senior managers and professionals with its distillation of a wide range of practical experiences illustrated by best price case examples from a wide range of industries Managing by Projects for Business Success develops along a backbone of six core chapters from an initial definition of the strategic context for managing by projects through explanation of a standard but flexible project process and then through specific application
