Manufacturing A Historiographical And Bibliographical Guide:

A Bibliographic Guide to North American Industry Dale A. Stirling, 2009-03-26 With a view toward the heritage of North American Industry A Bibliographic Guide to North American Industry History Health and Hazardous Waste provides recommended readings in historical and contemporary literature related to the origins of specific industries the health and safety issues they face and how they manage waste and prevent pollution It encompasses three areas of industry that are critical to understanding the whole of industry historical development protection of worker health and management of associated hazardous substances and materials This publication serves the reference needs of researchers examining issues of historical development of industry worker exposure to hazardous substances and materials and historic and contemporary management of hazardous wastes The book is unique in using the North American Industrial Classification System as a framework for organizing bibliographic entries Attorneys historians economists and all others interested in historical and contemporary issues facing North American industry find here a useful and important resource *Manufacturing* David O. Whitten, Bessie E. Whitten, 1990-09-27 Overall this first volume in the series should render business research in manufacturing a good deal easier by bringing together insightful industry histories and detailed critical bibliographies This series has much to recommend it Future volumes will be eagerly awaited Reference Books Bulletin This historical and bibliographical reference work is the first volume of Greenwood Press's Handbook of American Business History a series intended to supplement current bibliographic materials pertaining to business history Devoted to manufacturing this work uses the Enterprise Standard Industrial Classification ESIC to divide the subject into distinct segments from which contributors have developed histories and bibliographies of the different types of manufacturing Though authors were given sets of guidelines to follow they were also allowed the flexibility to work in a format that best suited the material Each contribution in this volume contains three important elements a concise history of the manufacturing sector a bibliographic essay and a bibliography Some contributions appear in three distinct parts while others are combined into one or two segments all build on currently available material for students and scholars doing research on business and industry The contributors who include business economic and social historians as well as engineers and lawyers have covered such topics as bakery products industrial chemicals and synthetics engines and turbines and household appliances Also included are an introductory essay that covers general works and a comprehensive index This book should be a useful tool for courses in business and industry and a valuable resource for college university and public libraries **Extractives, Manufacturing, and Services** David O. Whitten, 1997-04-22 The second volume in the Handbook of American Business History series this book offers concise histories of extractive manufacturing and service industries as well as extensive bibliographic essays pointing to the leading sources on each industry and bibliographic checklists Supplementing other bibliographic materials in business history this volume provides researchers with a much needed path through the vast array of material available in

the library and on the Internet Indicating which resources to check and which to bypass the book is a guide to a sometimes overwhelming amount of information Each of the book s chapters provides a concise industry history beginning with the industry s rise to importance in the U S and continuing to the present The bibliographic essays provide a narrative outline of the leading sources published or made available in archives libraries or museum collections since 1971 when Lovett s American Economic and Business History Information Sources was published Each discussion concludes with a bibliographic checklist of the titles mentioned in the essay as well as other titles In a rapidly expanding information society researchers teachers and students may be easily overwhelmed by the exhaustive material available in print and electronically What is useful and what can be ignored is a strategic question and few know where to begin This book provides a guide

International Bibliography of Business History Francis Goodall,Terry Gourvish,Steven Tolliday,2013-12-16 The field of business history has changed and grown dramatically over the last few years There is less interest in the traditional company centred approach and more concern about the wider business context With the growth of multi national corporations in the 1980s international and inter firm comparisons have gained in importance In addition there has been a move towards improving links with mainstream economic financial and social history through techniques and outlook The International Bibliography of Business History brings all of the strands together and provides the user with a comprehensive guide to the literature in the field The Bibliography is a unique volume which covers the depth and breadth of research in business history This exhaustive volume has been compiled by a team of subject specialists from around the world under the editorship of three prestigious business historians The Birth of Big Business in the United States, 1860-1914 David O. Whitten,Bessie E. Whitten,2005-11-30 The economic and cultural roots of contemporary American business can be traced directly to developments in the era between the Civil War and World War I The physical expansion of the country combined with development of transportation and communication infrastructures to create a free market of vast proportion and businesses capable of capitalizing on the accompanying economies of scale through higher productivity lower costs and broader distribution The Birth of Big Business in the United States illuminates the conditions that changed the face of American business and the national economy giving rise to such titans as Standard Oil United States Steel American Tobacco and Sears Roebuck as well as institutions such as the United States Post Office During this period commercial banking and law also evolved and as the authors argue business and government were not antagonists but partners in creating mass consumer markets process innovations and regulatory frameworks to support economic growth The Birth of Big Business in the United States is not only an incisive account of modern business development but a fascinating glimpse into a dynamic period of American history *Manufacturing* David O. Whitten,Bessie E. Whitten,1990-09-27 Overall this first volume in the series should render business research in manufacturing a good deal easier by bringing together insightful industry histories and detailed critical bibliographies This series has much to recommend it Future volumes will be eagerly awaited Reference

Books Bulletin This historical and bibliographical reference work is the first volume of Greenwood Press's Handbook of American Business History a series intended to supplement current bibliographic materials pertaining to business history Devoted to manufacturing this work uses the Enterprise Standard Industrial Classification ESIC to divide the subject into distinct segments from which contributors have developed histories and bibliographies of the different types of manufacturing Though authors were given sets of guidelines to follow they were also allowed the flexibility to work in a format that best suited the material Each contribution in this volume contains three important elements a concise history of the manufacturing sector a bibliographic essay and a bibliography Some contributions appear in three distinct parts while others are combined into one or two segments all build on currently available material for students and scholars doing research on business and industry The contributors who include business economic and social historians as well as engineers and lawyers have covered such topics as bakery products industrial chemicals and synthetics engines and turbines and household appliances Also included are an introductory essay that covers general works and a comprehensive index This book should be a useful tool for courses in business and industry and a valuable resource for college university and public libraries

Encyclopedia of African American Business History Juliet E. K. Walker, 1999-11-30 Black business activity has been sustained in America for almost four centuries From the marketing and trading activities of African slaves in Colonial America to the rise of 20th century black corporate America African American participation in self employed economic activities has been a persistent theme in the black experience Yet unlike other topics in African American history the study of black business has been limited General reference sources on the black experience with their emphasis on social cultural and political life provide little information on topics related to the history of black business This invaluable encyclopedia is the only reference source providing information on the broad range of topics that illuminate black business history Providing readily accessible information on the black business experience the encyclopedia provides an overview of black business activities and underscores the existence of a historic tradition of black American business participation Entries range from biographies of black business people to overview surveys of business activities from the 1600s to the 1990s including slave and free black business activities and the Black Wallstreet to coverage of black women's business activities and discussions of such African American specific industries as catering funeral enterprises insurance and hair care and cosmetic products Also there are entries on blacks in the automotive parts industry black investment banks black companies listed on the stock market blacks and corporate America civil rights and black business and black athletes and business activities

Business Information Sources Lorna M. Daniells, 1993 This is the reference work that librarians and business people have been waiting for Lorna Daniells's updated guide to selected business books and reference sources Completely revised with the best most recent information available this edition contains several new sections covering such topics as competitive intelligence economic and financial measures and health care marketing Handbooks bibliographies

indexes and abstracts online databases dictionaries directories statistical sources and periodicals are also included Speedy access to up to date information is essential in the competitive computerized business world This classic guide will be indispensable to anyone doing business research today

Mobilizing for Modern War Paul A. C. Koistinen,1997 In this volume Koistinen examines war planning and mobilizing in an era of rapid industrialization and reveals how economic mobilization for defense and war is shaped at the national level by the interaction of political economic and military institutions and by increasingly powerful and expensive weaponry

Democracy in Desperation Douglas Steeples,David O. Whitten,1998-09-24 The Panic of 1893 and the depression it triggered mark one of the decisive crises in American history Devastating broad sections of the country like a tidal wave the depression forced the nation to change its way of life and altered the pattern and pace of national development ever after The depression served as the setting for the transformation from an agricultural to an industrial society exposed grave economic and social problems sharply tested the country s resourcefulness reshaped popular thought and changed the direction of foreign policy It was a crucible in which the elements of the modern United States were clarified and refined Yet no study to date has examined the depression in its entirety This is the first book to treat these disparate matters in detail and to trace and interpret the business contraction of the 1890s in the context of national economic political and social development Steeples and Whitten first explain the origins of the depression measure its course and interpret the business recovery giving full coverage to structural changes in the economy namely the growing importance of manufacturing emergence of new industries consolidation of business and increasing importance of finance capitalism The remainder of the book examines the depression s impact on society discussing for example unemployment birth rate health and education and on American culture politics and international relations Placing the business collapse at the center of the scene the book shows how the depression was a catalyst for ushering in a more modern America

Archives in Russia: A Directory and Bibliographic Guide to Holdings in Moscow and St.Petersburg Patricia Kennedy Grimsted,Patricia Kennedy Grimstead,2016-04-01 This is a comprehensive directory and bibliographic guide to Russian archives and manuscript repositories in the capital cities of Moscow and St Petersburg It is an essential resource for any researcher interested in Russian sources for topics in diplomatic military and church history art dance film literature science ethnography and geography The first part lists general bibliographies of relevant reference literature directories bibliographic works and specialized subject related sources In the following sections of the directory archival listings are grouped in institutional categories Coverage includes federal ministerial agency presidential local university Academy of Sciences organizational library and museum holdings Individual entries include the name of the repository in Russian and English basic information on location staffing institutional history holdings access and finding aids More comprehensive and up to date than the 1997 Russian Version this edition includes Web site information dozens of additional repositories several hundred more bibliographical entries coverage of reorganization issues four indexes and a glossary

Michigan Bibliography: Maps and atlases. Manuscripts in the Burton historical collection Michigan Historical Commission,1921 *The Rise and Fall of the Amazon Rubber Industry* Stephen Nugent,2017-12-05 In this engaging book Stephen Nugent offers an in depth historical anthropology of a widely recognised feature of the Amazon region examining the dramatic rise and fall of the rubber industry He considers rubber in the Amazon from the perspective of a long term extractive industry that linked remote forest tappers to technical innovations central to the industrial transformation of Europe and North America emphasizing the links between the social landscape of Amazonia and the global economy Through a critical examination focused on the rubber industry Nugent addresses myths that continue to influence perceptions of Amazonia The book challenges widely held assumptions about the hyper naturalism of the lost world of the Amazon where the challenge of the tropics is still to be faced and the frontiers of development are still to be settled It is relevant for students and scholars of anthropology Latin American studies history political ecology geography and development studies

States at War, Volume 4 Richard F. Miller,2015-02-03 While many Civil War reference books exist there is no single compendium that contains important details about the combatant states and territories that Civil War researchers can readily access for their work People looking for information about the organizations activities economies demographics and prominent personalities of Civil War States and state governments must assemble data from a variety of sources with many key sources remaining unavailable online This crucial reference book the fourth in the States at War series provides vital information on the organization activities economies demographics and prominent personalities of Delaware Maryland and New Jersey during the Civil War Its principal sources include the Official Records state adjutant general reports legislative journals state and federal legislation federal and state executive speeches and proclamations and the general and special orders issued by the military authorities of both governments North and South Designed and organized for easy use by professional historians and amateurs this book can be read in two ways by individual state with each chapter offering a stand alone history of an individual state s war years or across states comparing reactions to the same event or solutions to the same problems Some pharmaco-historical guidelines to the literature: three bibliographic American Institute of the History of Pharmacy,1959

The Commercialisation of Sport Trevor Slack,2004-03 Sport has become increasingly commercialised and there are many examples of close links that have developed between sport and business This collection examines five of them in a global context
