Many Americans One Nation From Sea To Shining Sea Man And His World:

Beautiful Ugly: The Cry, The Call, The Coming Aaron Jones, 2012-02-01 America home of the free and land of the brave but is this still true In the very near future Adam an advocate for human rights finds himself jailed for following the first amendment Adam finds himself on death row staring at the world through his prison cell because he refuses to stop teaching Christianity Adam is heralded as a leader and labeled public enemy number one Armed with a pen and a paper Adam begins to wage war against his intolerant oppressors which places all that support him in immediate danger Beautiful Ugly The Cry The Call The Coming is a book about freedom and the right to exercise that freedom Adam is willing to die for his freedom are you willing to live for yours **I Am Still Alive** ,MJ, 2022-06-17 Just imagine if the heavenly Father sent his Son Jesus Christ to walk and talk to us in the times we live in presently Imagine if he was born in the greatest nation on earth the United States of America It is the place where citizens have the freedom to choose whatever they want or need Yet many Americans choose not to want or need Jesus What if Jesus in the flesh confronted the people of God s country This story will bring him back to life as Son of God and Son of man once more People will see him with their own eyes hear him with their own ears and some will even touch him with their own hands Would unbelievers change their minds and hearts and know that he really does exist Probably not many did not believe two thousand years ago even though they saw heard and touched him then The sands of time have separated his beloved from him Some think that Jesus is just a myth yet they believe that Bigfoot the Abominable Snowman and the Loch Ness Monster are factual They say they have seen the creatures but have no genuine evidence they are real Since the beginning of his story history has proven that Jesus Christ is existent and this story will confirm it once more Jesus is as alive today as ever and so is his message and his mission it will never change Obviously the world where Jesus began his ministry is completely different than the world today So much has transformed over the past two millennia The first century gave us the New Testament the twenty first century gave us new science new technology new laws and even new morals The way we live and the way we die is completely different than it was then There are thousands of Christian churches and thousands of more churches of other religions that have erupted Though the world has changed over time Jesus has not His teachings will remain the same yesterday today and forevermore How would mankind treat him if he walked the earth once more Would they treat him the same as they did then Would his message and mission be altered to accommodate the times Does evil continue to prevail on earth So many unanswered questions You can choose to watch or walk with him in this Greatest Story Ever Told Once More and find answers to these and the previous questions This story will reveal many unexpectant answers to a lifetime of questions In your mind s eye you will see Jesus born then grow from a child into adulthood You will go on a journey with him while he attempts to unite unbelieving hearts and minds with his in today s modern society You will see how he confronts foes and friends and the many issues that have risen since he has risen This can be done only if he were to return to us once again This story is one of a thousand scenarios it is inspired by one s

imagination but has been sprinkled with words from the Holy Bible that are not So you may need a Holy Bible by your side to help enhance some of the messages given but it is not necessary In any case read on and I think you will be surprised by the events that are about to unfold You will experience truth combined with fantasy and enjoy a fusion of entertainment and enlightenment We buckle up and carnival ride of life daily but this is the big one so pull the straps tight and prepare for a ride on the emotional rollercoaster Hopefully this story will be just as exciting American Minute William J.
