*Street Players* Kinohi Nishikawa, 2019-01-11 The uncontested center of the black pulp fiction universe for more than four decades was the Los Angeles publisher Holloway House From the late 1960s until it closed in 2008 Holloway House specialized in cheap paperbacks with page turning narratives featuring black protagonists in crime stories conspiracy thrillers prison novels and Westerns From Iceberg Slim's

Pimp to Donald Goines's *Never Die Alone* the thread that tied all of these books together and made them distinct from the majority of American pulp was an unfailing veneration of black masculinity. Zeroing in on *Holloway House Street Players* explores how this world of black pulp fiction was produced, received and recreated over time and across different communities of readers. Kinohi Nishikawa contends that black pulp fiction was built on white readers' fears of the feminization of society and the appeal of black masculinity as a way to counter it. In essence it was the original form of blaxploitation, a strategy of mass marketing race to suit the reactionary fantasies of a white audience. But while chauvinism and misogyny remained troubling yet constitutive aspects of this literature from 1973 onward, *Holloway House* moved away from publishing sleaze for a white audience to publishing solely for black readers. The standard account of this literary phenomenon is based almost entirely on where this literature ended up in the hands of black male working class readers. When it closed, *Holloway House* was synonymous with genre fiction written by black authors for black readers, a field of cultural production that Nishikawa terms the black literary underground. But as *Street Players* demonstrates, this cultural authenticity had to be created, promoted and in some cases made up, and there is a story of exploitation at the heart of black pulp fiction's origins that cannot be ignored. *Casanova's Women* Judith Summers, 2006-10-31 A definitive profile of the eighteenth century Venetian adventurer Giacomo Casanova whose name has become a synonym for seduction looks at history's most famous lover from a female perspective, throwing light on a dangerous and beguiling man as seen through the eyes of the women who loved him. *Casanova's Life & Times* David John Thompson, 2025-08-05 This is both the life of Giacomo Casanova and a chronicle of eighteenth century Europe. Giacomo Casanova 1725-1798 was born the son of a moderately poor acting family at a time when the stage carried enormous social stigma. Yet in his own lifetime he achieved celebrity across Europe, rubbing shoulders with numerous of the eighteenth century's greatest men and women from Frederick the Great to Catherine the Great, from Voltaire to Albrecht von Haller, from Pope Benedict XIV to Pope Clement XIII. It was a fame that had little to do with his romantic exploits. This was to come later, following upon the posthumous publication of his magnificent *History of My Life*. An adventurer and a man of learning, his was an extraordinary life whose story was intertwined with the story of eighteenth century Europe. To try to understand this fascinating character we need also to try to understand the period in which he lived. This is the aim of *Casanova's Life and Times*. *Bestsellers*, 1968
