*The Popular Science Monthly*, 1878      **Arjunawijaya** S. Supomo, 2013-11-11 Like many works of Old Javanese literature the kakawin Arjunawijaya Arj was first introduced to the world of Western scholarship in 1849 through the well known report of Friederich Voorloopig Verslag van het Eiland Baii In this report Friederich 1959 25 says The Arjuna Vijaya the Triumph of Arjuna is formed after the Uttarak 14a It contains the combat of Arjuna with R wata and his victory R wata is here bound but not yet killed because his time has not yet arrived Re is to be destroyed by R wata Written in 1849 when the study of Old Javanese had barely taken the first step in its slow progress on a long and arduous road Friederich's report was a promising start It is therefore disheartening to discover how 120 years later the Arj is still little more than a closed book To the best of my knowledge there is not one article exclusively devoted to any aspect of the poem let alone a major publication It would be an exaggeration however to say that the Arj is completely unknown to students of Old Javanese Short descriptions of the manuscripts of this kakawin and even outlines of their contents have been given in the Catalogues of the Old Javanese manuscripts in the possession of the Library of the University of Leiden and in the few articles and books treating Old Javanese literature in general Occasionally a reference to the Arj      ,      *Popular Science Monthly and World*
