Nathaniel Hawthorne

Marble Faun The Romance Of Monte Beni:

The Marble Faun, Or, The Romance of Monte Beni Nathaniel Hawthorne, 1899 **The Marble Faun** Nathaniel Hawthorne, 1990-11-01 Hawthorne's final novel is a provocative look at American artists abroad and a groundbreaking exploration of the influence of European thought on American morality that anticipates the work of Henry James F Scott Fitzgerald and Ernest Hemingway among others The story of the mysterious tormented Miriam her friends Kenyon and Hilda their alluring Italian acquaintance the faunlike Donatello and the crime that irrevocably links them all is says Peter Robb a surprising drama one that recalls nothing so much as American noir of a hundred years later driven by the powerful and unfaltering engines of sex and violence This Modern Library Paperback Classic uses the definitive text as prepared for The Centenary Edition of the Works of Nathaniel Hawthorne **The Marble Faun Or the Romance of Monte Beni (Complete) : Complete with Original Illustrations** Nathaniel Hawthorne, 2020-03-16 The Marble Faun Or The Romance of Monte Beni also known by the British title Transformation was the last of the four major romances by Nathaniel Hawthorne and was published in 1860 The Marble Faun written on the eve of the American Civil War is set in a fantastical Italy The romance mixes elements of a fable pastoral gothic novel and travel guide After writing The Blithedale Romance in 1852 Hawthorne who was then approaching fifty was granted a political appointment as American Consul in Liverpool England which he held from 1853 to 1857 In 1858 Hawthorne and his wife Sophia Peabody moved the family to Italy and became tourists for a year and a half In early 1858 Hawthorne was inspired to write his romance when he saw the Faun of Praxiteles in the Palazzo Nuovo of the Capitoline Museum in Rome Hawthorne began the manuscript and intended to complete it at home The Wayside in Concord Massachusetts Instead he returned to England where he would remain until July 1860 and entirely rewrote the book On October 10 1859 he wrote to his American publisher James Thomas Fields that his wife enjoyed what she had read thus far and speaks of it very rapturously If she liked the author less I should feel much encouraged by her liking the Romance so much I likewise to confess the truth admire it exceedingly at intervals but am liable to cold fits during which I think it the most infernal nonsense 2 Sophia wrote to her sister Elizabeth Peabody that her husband's reaction was typical As usual he thinks the book good for nothing He has regularly despised each one of his books immediately upon finishing it Hawthorne struggled with a title for his new book He considered several including Monte Beni or The Faun A Romance The Romance of a Faun Marble and Life a Romance Marble and Man a Romance and St Hilda's Shrine The book was published simultaneously in America and England in late 1860 the title for the British edition was Transformation Or the Romance of Monte Beni The alternate title was chosen by the publishers and was used against Hawthorne's wishes Both titles continue to be used today in the U K Encouraged to write a book long enough to fill three volumes Hawthorne included extended descriptions that critics found distracting or boring Complaints about the ambiguous ending led Hawthorne to add a postscript to the second edition **The Marble Faun, Or the Romance of Monte Beni, Volume 1** Nathaniel

whose fortunes we should be glad to interest the reader happened to be standing in one of the saloons of the sculpture gallery in the Capitol at Rome It was that room the first after ascending the staircase in the centre of which reclines the noble and most pathetic figure of the Dying Gladiator just sinking into his death swoon Around the walls stand the Antinous the Amazon the Lycian Apollo the Juno all famous productions of antique sculpture and still shining in the undiminished

majesty and beauty of their ideal life although the marble that embodies them is yellow with time and perhaps corroded by the damp earth in which they lay buried for centuries Here likewise is seen a symbol as apt at this moment as it was two thousand years ago of the Human Soul with its choice of Innocence or Evil close at hand in the pretty figure of a child clasping a dove to her bosom but assaulted by a snake From one of the windows of this saloon we may see a flight of broad stone steps descending alongside the antique and massive foundation of the Capitol towards the battered triumphal arch of Septimius Severus right below Farther on the eye skirts along the edge of the desolate Forum where Roman washerwomen hang out their linen to the sun passing over a shapeless confusion of modern edifices piled rudely up with ancient brick and stone and over the domes of Christian churches built on the old pavements of heathen temples and supported by the very pillars that once upheld them At a distance beyond yet but a little way considering how much history is heaped into the intervening space rises the great sweep of the Coliseum with the blue sky brightening through its upper tier of arches Far off the view is shut in by the Alban Mountains looking just the same amid all this decay and change as when Romulus gazed thitherward over his half finished wall
