Abolitionist of the Most Dangerous Kind Todd Mildfelt, David D. Schafer, 2023-10-17 A controversial character largely known as depicted in the movie Glory as a Union colonel who led Black soldiers in the Civil War James Montgomery 1814-71 waged a far more personal and radical war against slavery than popular history suggests It is the true story of this militant abolitionist that Todd Mildfelt and David D Schafer tell in Abolitionist of the Most Dangerous Kind summoning a life fiercely lived in struggle against the expansion of slavery into the West and during the Civil War This book follows a harrowing path through the turbulent world of the 1850s and 1860s as Montgomery with the fervor of an Old Testament prophet inflicts destructive retribution on Southern slaveholders wherever he finds them crossing paths with notable abolitionists John Brown and Harriet Tubman along the way During the tumultuous years of Bleeding Kansas he became a guerilla chieftain of the antislavery vigilantes known as Jayhawkers When the war broke out in 1861 Montgomery led a regiment of white troops

who helped hundreds of enslaved people in Missouri reach freedom in Kansas Drawing on regimental records in the National Archives the authors provide new insights into the experiences of African American men who served in Montgomery's next regiment the Thirty Fourth United States Colored Troops formerly Second South Carolina Infantry Montgomery helped enslaved men and women escape via one of the least explored underground railways in the nation from Arkansas and Missouri through Kansas and Nebraska With support of abolitionists in Massachusetts he spearheaded resistance to the Fugitive Slave Act in Kansas And when war came he led Black soldiers in striking at the very heart of the Confederacy His full story thus illuminates the actions of both militant abolitionists and the enslaved people fighting to destroy the peculiar institution

North Star Country Milton C. Sernett, 2001-12-01 *North Star Country* is the story of the remarkable transformation of Upstate New York's famous Burned over District where the flames of religious revival sparked an abolitionist movement that eventually burst into the conflagration of the Civil War Milton C Sernett details the regional presence of African Americans from the pre Revolutionary War era through the Civil War both as champions of liberty and as beneficiaries of a humanitarian spirit generated from evangelical impulses He includes in his narrative the struggles of great abolitionists among them Harriet Tubman Frederick Douglass Gerrit Smith Beriah Green Jermain Loguen and Samuel May and of many lesser known characters who rescued fugitives from slave hunters maintained safe houses along the Underground Railroad and otherwise furthered the cause of freedom both regionally and in the nation as a whole Sernett concludes with a compelling examination of the moral choices made during the Civil War by upstate New Yorkers both black and white and of the post Appomattox campaign to secure freedom for the newly emancipated
