Patchan, 2013-07-19 Unique insight good storytelling skills deep research and keen appreciation for the terrain one outstanding work of history Eric J Wittenberg award winning author of Gettysburg's Forgotten Cavalry Actions The Third Battle of Winchester in September 1864 was the largest longest and bloodiest battle fought in the Shenandoah Valley What began about daylight did not end until dusk when the victorious Union army routed the Confederates It was the first time Stonewall Jackson's former corps had ever been driven from a battlefield and their defeat set the stage for the final climax of the Valley Campaign This book represents the first serious study to chronicle the battle The Northern victory was a long time coming After a spring and summer of Union defeat in the Valley Lt Gen Ulysses S Grant cobbled together a formidable force under Phil Sheridan an equally redoubtable commander Sheridan's task was a tall one sweep Jubal Early's Confederate army out of the bountiful Shenandoah and reduce the verdant region of its supplies The aggressive Early had led the veterans of Jackson's Army of the Valley District to one victory after another at Lynchburg Monocacy Snickers Gap and Kernstown Five

weeks of complex maneuvering and sporadic combat followed before the opposing armies met at Winchester an important town that had changed hands dozens of times over the previous three years Tactical brilliance and ineptitude were on display throughout the daylong affair as Sheridan threw infantry and cavalry against the thinning Confederate ranks and Early and his generals shifted to meet each assault A final blow against Early's left flank finally collapsed the Southern army killed one of the Confederacy's finest combat generals and planted the seeds of the victory at Cedar Creek the following month This vivid account based on more than two decades of meticulous research and an unparalleled understanding of the battlefield and rich in analysis and character development is complemented with numerous original maps and explanatory footnotes that enhance our understanding of this watershed battle Messages of God's Abundance Corrie Ten Boom, 2002 At the height of Nazi power amid the horrors of a concentration camp the seeds of faith and forgiveness grew to fruition in the heart of a young Dutch woman named Corrie ten Boom Outlasting Ravensbruck and Hitler's regime Ms ten Boom went on to accomplish what brute power never could conquer hearts across the world with healing words of hope forgiveness and trust in God Broadcast across Europe using the very radio equipment the Nazis had built to spread their propaganda the inspirational messages of Corrie ten Boom appear at last in print As in this book's predecessor Reflections of God's Glory the twenty-six sermonettes in Messages of God's Abundance are first-ever English translations of the scripts for Ms ten Boom's Trans World Radio broadcasts from the Netherlands Emerging after many years these jewel-like writings reflect the broad experiences of a woman who preached the gospel around the world yet who found her greatest adventure exploring the endless riches of God's Word In 1983 Corrie ten Boom went to be with her beloved Jesus but the timeless truths of Scripture spoken through the lips of this remarkable woman remain alive vibrant and as able as ever to touch convict and encourage our hearts The Military and Naval History of the Rebellion in the United States William Jewett Tenney, 1866

Guibert's General Essay on Tactics Jonathan Abel, 2021-10-18 Winner of the Society for Military History Distinguished Book Award 2023 Reference The God of War is near to revealing himself because we have heard his prophet So wrote Jean Colin naming Napoleon the God of War and Jacques Antoine Hippolyte comte de Guibert as his prophet Guibert was the foremost philosopher of the Military Enlightenment dedicating his career to systematizing warfare in a single document The result was his magnum opus the General Essay on Tactics which helped to lay the foundation for the success of French armies during the French Revolutionary and Napoleonic Wars It is presented here in English for the first time since the 1780s with extensive annotation and contextualization **The Hiding Place** Corrie ten Boom, Elizabeth Sherrill, John Sherrill, 2006-01-01 Every experience God gives us is the perfect preparation for the future only He can see Corrie ten Boom Corrie ten Boom was a Dutch watchmaker who became a heroine of the Resistance a survivor of Hitler's concentration camps and one of the most remarkable evangelists of the twentieth century In World War II she and her family risked their lives to help Jews and underground workers escape from the Nazis and for their work they were tested in the infamous Nazi death

Bertha von Suttner, 'Lay Down Your Arms' Bertha von Suttner, 2019-02-15 Die Waffen nieder 1889 translated into English in 1892 as Lay Down Your Arms was an international bestseller Its Austrian author Bertha von Suttner 1843 1914 chose the medium of fiction in order to reach as broad an audience as possible with her pacifist ideals Challenging the narrow nationalisms of nineteenth century Europe Suttner believed that disputes between nations should be settled by means of arbitration rather than armed conflict She devoted her life to campaigning for the cause of peace and in 1905 became the first female recipient of the Nobel Peace Prize Suttner s influential novel yields insights into the early development of calls for a united Europe and an end to the arms race This English translation of the novel was carried out as a labour of love by the eminent Victorian surgeon and medical scholar Timothy Holmes 1825 1907 the editor of Gray s Anatomy for whom this was an unusual foray into the world of fiction Holmes was Vice Chairman of the London based International Arbitration and Peace Association and a contemporary of Suttner His translation helped to spread Suttner s views across the Anglophone world and contributed to the growth of the peace movement in the period before the First World War

The Battle of Pinkie, 1547 David Caldwell, Vicky Oleksy, Bess Rhodes, 2023-07-27 The Battle of Pinkie fought between the English and the Scots in 1547 was the last great clash between the two as independent nations It is a well documented battle with several eyewitness accounts and contemporary illustrations There is also archaeological evidence of military activities The maneuvers of the two armies can be placed in the landscape near Edinburgh despite considerable developments since the sixteenth century Nevertheless the battle and its significance has not been well understood From a military point of view there is much of interest The commanders were experienced and had already had battlefield successes There was an awareness on both sides of contemporary best practice and use of up to date weapons and equipment The Scots and the English armies however were markedly different in their composition and in the strategy and tactics they employed There is the added ingredient that the fire from English ships positioned just off the coast helped decide the course of events Using contemporary records and archaeological evidence

David Caldwell Victoria Oleksy and Bess Rhodes reconsider the events of September 1547 They explore the location of the fighting the varied forces involved the aims of the commanders and the close run nature of the battle Pinkie resulted in a resounding victory for the English but that was by no means an inevitable outcome After Pinkie it briefly seemed as if the future of Britain had been redefined The reality proved rather different and the battle has largely slipped from popular consciousness This book provides a reminder of the uncertainty and high stakes both Scots and English faced in the autumn of 1547 *Glencoe and the End of the Highland War* Paul Hopkins,2001-01-01 Paul Hopkins an authority on early Jacobitism sets the Massacre of Glencoe in its true context The book describes the tensions in the Highlands between the Restoration and the End of the Revolution and the influence on the Highlands of national politics Besides filling a blank in our knowledge of the Highlands in the decade following the Massacre the book transforms our perspective on lowlands politics by showing that the Inquiry was part of a secret patriotic campaign to break the aristocracy's political stranglehold and increase the Scottish parliament's powers *Ten Years of My Life* Agnes Elisabeth Winona Leclercq Joy Salm-Salm,2024-07-31 Reprint of the original first published in 1877 *Napoleon and the Operational Art of War* ,2016-02-02 In *Napoleon and the Operational Art of War* the leading scholars of Napoleonic military history provide the most authoritative analysis of Napoleon's battlefield success and ultimate failure Napoleon's development and mastery of the operational art of warfare is revealed as each chapter analyzes one Napoleonic war or major campaign of a war To achieve this the essays conform to the common themes of Napoleon's planning his command and control his execution of plans and the response of his adversaries Napoleon's sea power and the British response to the French challenge at sea is also investigated Overall this volume reflects the finest scholarship and cutting edge research to be found in Napoleonic Military History Contributors include Jonathan Abel Robert M Citino Huw Davies Mark T Gerges John H Gill Jordan Hayworth Kenneth G Johnson Michael V Leggiere Kevin D McCranie Alexander Mikaberidze Frederick C Schneid John Severn Dennis Showalter Geoffrey Wawro and John F Weinzierl Regulations of the Army of the United States and General Orders in Force on the 17th of February, 1881 United States. War Department,1881 **Guibert's Defense of the System of Modern War** Jonathan Abel,2025-05-21 Guibert was France's foremost military theorist in the eighteenth century He wrote two great treatises but the second is often ignored in favor of the first the General Essay on Tactics That second treatise the Defense of the System of Modern War is presented here for the first time in English with extensive annotations by the translator In it Guibert explores the beginnings of operational level warfare laying the groundwork for Napoleon and his successors **Establishment of National Military Parks-battle Fields ..., Hearings ...,March 21 and February 8, 1930** United States. Jensen,2005-01-01 In this second volume of interviews conducted by Nebraska judge Eli S Ricker he focuses on white eyewitnesses and participants in the occupying and settling of the American West in the nineteenth century In the first decade of the twentieth century as the Old West became increasingly distant and romanticized in popular consciousness Eli S Ricker 1842 1926 began interviewing those who had experienced it firsthand hoping to write a multivolume series about its last days centering on the conflicts between Natives and outsiders For years Ricker traveled across the northern Plains gathering information on and off reservations in winter and in summer Judge Ricker never wrote his book but his interviews are priceless sources of information about that time and place and they offer more balanced perspectives on events than were accepted at the time Richard E Jensen brings together all of Ricker s interviews with those men and women who came to the American West from elsewhere settlers homesteaders and veterans These interviews shed light on such key events as the massacre at Wounded Knee the Little Bighorn battle Beecher Island Lightning Creek the Mormon cow incident and the Washita massacre Also of interest are glimpses of everyday life at different agencies including Pine Ridge Yellow Medicine and Fort Sill School brief though revealing memoirs and snapshots of cattle drives conflicts with Natives and the construction of the Union Pacific Railroad *Lectionary Preaching Workbook, Series VI, Cycle B* E. Carver McGriff,1999-06 I would like to enter a partnership with you sharing what these assigned passages say to me setting forth what I might do with each assigned text hopefully igniting ideas in your busy and at times overburdened mind and spirit so that together we may bring that word from the Lord My hope is not to take the work entirely out of sermon preparation but to generate a process whereby the busy sometimes overworked preacher can get off to a running start
