W. J. Keeble,2013-10-22 A Life Full of Meaning Some Suggestions and Some Material for the Future Training of Youth Leaders is an attempt at comprehensive thinking about the training of youth leaders There are two key words training and leaders and both are capable of several meanings For many training implies the learning of routines of universal application short cuts techniques and drill But techniques though often important are never enough in human situations here personal quality counts supremely and The author emphasizes the continued personal growth of the leader and encourages thoughtful attitudes and sensitive understanding Equally leadership is not something unitary and constant The book interprets in contemporary terms what is meant by training and leadership for youth workers what is involved in terms of experience skill study and reflection This book will prove to be a valuable stimulus and guide to all who have at heart the interests of the Youth Service Leadership Now Israel Katz,Galit Eilam-Shamir,Ronit Kark,Yair Berson,2018-10-05 Leadership Now Reflections on the Legacy of Boas Shamir incorporates some of Boas Shamir s most classic and significant works and includes contributions from a group that represent the most influential leaders in the field up and coming scholars as well as students of Boas Shamir **Mindful Leadership: Emotional Intelligence Collection (4 Books)** Harvard Business Review,Daniel Goleman,Richard E. Boyatzis,Annie McKee,Fran Johnston,2015-10-13 This digital collection curated by Harvard Business Review offers four books on the topic of emotional intelligence found by bestselling author Daniel Goleman to be twice as important as other competencies in determining outstanding leadership In Primal Leadership With a New Preface by the Authors the authors show that great leaders excel not just through skill and smarts but by connecting with others using emotional intelligence competencies like empathy and self awareness The best leaders are resonant leaders individuals who manage their own and others emotions in ways that drive success In Resonant Leadership Richard Boyatzis and Annie McKee provide an indispensable guide to overcoming the vicious cycle of stress sacrifice and dissonance that afflicts many leaders and offer a field tested framework for creating the resonance that fuels great leadership And in Becoming a Resonant Leader Annie McKee Richard Boyatzis and Frances Johnston share vivid real life stories illuminating how people can develop emotional intelligence build resonance and renew themselves Finally HBR s 10 Must Read on Emotional Intelligence presents 10 articles by experts in the field of emotional intelligence all of which will inspire you to monitor and channel your moods and emotions make smart empathetic people decisions manage conflict and regulate emotions within your team react to tough situations with resilience better understand your strengths weaknesses needs values and goals and develop emotional agility Indigenous Peoples and Globalization Thomas D. Hall,James V. Fenelon,2015-12-03 The issues native peoples face intensify with globalization Through case studies from around the world

Hall and Fenelon demonstrate how indigenous peoples movements can only be understood by linking highly localized processes with larger global and historical forces The authors show that indigenous peoples have been resisting and adapting to encounters with states for millennia Unlike other antiglobalization activists indigenous peoples primarily seek autonomy and the right to determine their own processes of adaptation and change especially in relationship to their origin lands and community The authors link their analyses to current understandings of the evolution of globalization *Be Mean About the Vision* Shawn Lovejoy,2016-04-19 Almost every organization has a vision Few ever accomplish it Even after short term success in it fewer stay true to it over time *Be Mean Relentlessly Protecting the Vision* is about regaining or sustaining the trajectory of the vision over time It s about staying true to the vision Lovejoy explains that this requires understanding the importance of vision developing a vision we re willing to die for and keeping the vision from being compromised or even hijacked Though many books have been written on the subject of developing mission or vision statements there have been few written on how to sustain or protect the vision over time Shawn has dealt with hundreds of leaders in ministry and has seen countless struggle with keeping everyone on board with the mission and how to align the rest of the organization with the vision Shawn Lovejoy walks the church leader through the experiences that have taught him to Be Mean and shows us a strategy of Relentlessly Protecting the Vision *Primal Leadership* Daniel Goleman,Richard E. With a New Preface by the Authors Daniel Goleman, Richard E. Boyatzis, Annie McKee, 2016-11-01 This is the book that established emotional intelligence in the business lexicon and made it a necessary skill for leaders. Managers and professionals across the globe have embraced Primal Leadership, affirming the importance of emotionally intelligent leadership. Its influence has also reached well beyond the business world; the book and its ideas are now used routinely in universities, business and medical schools, and professional training programs, and by a growing legion of professional coaches. This refreshed edition, with a new preface by the authors, vividly illustrates the power and the necessity of leadership that is self-aware, empathic, motivating, and collaborative in a world that is ever more economically volatile and technologically complex. It is even timelier now than when it was originally published. From bestselling authors Daniel Goleman, Richard Boyatzis, and Annie McKee, this groundbreaking book remains a must-read for anyone who leads or aspires to lead. Also available in ebook format wherever ebooks are sold.

Presidential Leadership Pendleton Herring, 2017-07-05 The nature of the presidency is an issue that has been debated since the drafting of the United States Constitution. The Federalists felt a strong executive was the backbone and prime mover of a strong government. On the other side, the Anti-Federalists felt the presidency represented monarchical tendencies and could potentially subvert republican government. How does executive leadership fit in with a limited government with enumerated powers? Does the Constitution require a containment of executive power even during times of crisis, or do times of crisis warrant an abandonment of a strict legalistic reading of the document?

Leadership Insights Matt L. Beadle, 2018-12-18 This book provides young leaders or future high potentials the guidance needed for how to deal with the challenges of leading teams in modern organizations. Leading one's first team can be a daunting and sometimes overwhelming experience, requiring self-reflection, self-discipline, communication, and organizational skills, as well as no small amount of guts and values. This book provides young leaders or future high potentials the guidance needed for how to deal with the challenges of leading teams in modern organizations.
