Natural Menopause Miriam Stoppard:

No Hormones, No Fear Trisha Posner, 2007-12-18 Five years ago at the age of forty six Trisha Posner was surprised to learn from a blood test that she was in full blown menopause Her gynecologist urged her to begin hormones immediately but mindful of her family s history of breast cancer she refused No Hormones No Fear is the story of Posner s search for an alternative to the AMA s sanctioned regimen of hormone replacement therapy In a wonderfully engaging personal account she reveals how she mastered menopause naturally by developing a unique program involving exercise diet nutrition and herbs She not only successfully alleviated her symptoms but actually significantly improved her health and quality of life Now updated with the latest major medical studies which raise troubling questions about estrogen replacement for millions of women No Hormones No Fear is an indispensable primer for women confronting the thicket of conflicting information about whether or not to choose hormones during menopause Trisha Posner through her own inspiring story shows that today s modern women finally have choices and can empower themselves by taking control of their health and lives Menopause For Dummies Dr. Sarah Brewer, Marcia L. Jones, Theresa Eichenwald, 2011-02-15 Every woman experiences the menopause in different ways so you need to know what to expect in order to help yourself This book explains the various stages of the menopause including the perimenopause and helps you understand how it can affect your body and your emotions It evaluates all the options available including HRT and explains what treatment and lifestyle changes will help you stay healthy and happy With in depth coverage of HRT covering new developments and weighing up the risks and benefits advice on adopting an holistic approach to managing the symptoms and side effects including conventional medicine and alternatives diet and lifestyle changes Menopause For Dummies will help you make the right decisions and stay in control **This is Not Your Mother's Menopause** Trisha Posner, 2000 More than 20 million baby boomers will enter menopause during the next ten years As modern women we take control of our lives in a myriad of ways that our mothers never contemplated Approaching menopause the one journey in life we all share should be no different Our mothers were largely silent about what happened to them as they passed through this midlife change But a new generation of women has already started to break the wall of silence from the Preface A few years ago at forty six Trisha Posner left her annual physical feeling wonderful until her doctor called to report surprising news Although Posner had not recognized her own symptoms her blood tests indicated she was in full blown menopause When her gynecologist urged hormone replacement therapy Posner balked fearing it might increase her risk of developing breast cancer which had already struck her mother and two aunts This Is Not Your Mother's Menopause traces Posner s quest for an alternative to a woman s usual choices take hormones as most doctor advise or do nothing and risk the deterioration of her heart bones and mind In frank and engaging prose Posner reveals how she developed a personal program to counter naturally the annoying symptoms of menopause like hot flashes and headaches as well as the more serious problems like depression and loss of sexual desire Ultimately her unique regimen built around

exercise diet and nutritional and herbal supplements not only eliminated her symptoms but significantly improved her health and quality of life continued on back flap continued from front flap Trisha Posner's journey is a powerful reminder that women must be informed consumers about menopause and proves that this passage affords a gateway to physical spiritual and emotional growth Candid at times irreverent and humorous but ultimately empowering This Is Not Your Mother's Menopause reveals how one modern woman took control of her health and her life with inspiring results

Cruising Through The Menopause Maryon Stewart, 2012-08-31 Published research now supports the fact that menopausal symptoms can be overcome without having to resort to HRT and in a way which still offers protection from both heart disease and osteoporosis in the long term Despite this the alternative approach is not widely known and is certainly not widely practised Over the last thirteen years the WNAS has pioneered an exceedingly simple workable and enjoyable programme to help alleviate symptoms of both the perimenopause and the menopause no matter how severe This includes making specific dietary changes including adding to the diet those foods that are rich in phytoestrogens taking nutritional supplements moderate weight bearing exercise and a regular relaxation programme Cruising Through the Menopause explains this programme clearly and also describes the pros and cons of taking HRT so that women everywhere can make informed choices about how they wish to tackle the menopause It also includes numerous menu plans as well as over 80 delicious recipes
