Natural Mystics:

The Natural Mystics: Marley, Tosh, and Wailer Colin Grant, 2011-06-20 The definitive group biography of the Wailers Bob Marley Peter Tosh and Bunny Livingston chronicling their rise to fame and power Over one dramatic decade a trio of Trenchtown R B crooners swapped their 1960s Brylcreem hairdos and two tone suits for 1970s battle fatigues and dreadlocks to become the Wailers one of the most influential groups in popular music Colin Grant presents a lively history of this remarkable band from their upbringing in the brutal slums of Kingston to their first recordings and then international superstardom With energetic prose and stunning original research Grant argues that these reggae stars offered three models for black men in the second half of the twentieth century accommodate and succeed Marley fight and die Tosh or retreat and live Livingston Grant meets with Rastafarian elders Obeah men witch doctors and other folk authorities as he attempts to unravel the mysteries of Jamaica s famously impenetrable culture Much more than a top flight music biography The Natural Mystics offers a sophisticated understanding of Jamaican politics heritage race and religion a portrait of a seminal group during a period of exuberant cultural evolution

thought The Natural Dynamic of Imaginative and Creative Technology Anthony Ugochukwu O. Aliche,2014-11-07 There is an age old controversy regarding the major source of human knowledge whether it arises from experience or from reason The Natural Dynamics of Imaginative and Creative Technology presents a revolutionary reconciliation on this topic As an arbitrator in the philosophical battle of mind body dualism as championed by Aristotle and his contemporaries this study offers a balanced approach It stands out as a peculiar and distinct library in the dynamism of knowledge with particular reference to the domain technological prowess Author Anthony Aliche writes with passion as he seeks to represent a stipulative monolith in the ethical pattern of the present and upcoming generations for a clear achievement of the millennial development goals Humanity has launched itself into a detrimental quagmire allowing appetitive elements to gain the upper hand and oversee the affairs of the rational elements To combat that challenge Aliche offers a blueprint that when used in its conclusive mission will uplift humanity beyond the bounds of sense experience and materialism and into the domain of true knowledge and realities *Mysticism: A Study in Nature and Development of Spiritual Consciousness* Evelyn

Underhill,2017-02-15 Remaining a classic in its field this book explains first how mysticism relates to such things as vitalism theology psychology symbolism and magic This treatment may seem unusual for Christian mysticism but it relates widely to the world as we know it and the different practices therein Part Two explores the awakening purification and illumination of yourself and gives solid groundwork for such things as voices visions dreams and other mystical experience A Religion of One's Own Thomas Moore,2015-01-06 The New York Times bestselling author and trusted spiritual adviser offers a follow up to his classic Care of the Soul Something essential is missing from modern life Many who've turned away from religious institutions and others who have lived wholly without religion hunger for more than what contemporary secular life has to offer but are reluctant to follow organized religion's strict and often inflexible path to spirituality In A Religion of One's Own bestselling author and former monk Thomas Moore explores the myriad possibilities of creating a personal spiritual style either inside or outside formal religion Two decades ago Moore's Care of the Soul touched a chord with millions of readers yearning to integrate spirituality into their everyday lives In A Religion of One's Own Moore expands on the topics he first explored shortly after leaving the monastery He recounts the benefits of contemplative living that he learned during his twelve years as a monk but also the more original and imaginative spirituality that he later developed and embraced in his secular life Here he shares stories of others who are creating their own path a former football player now on a spiritual quest with the Pueblo Indians a friend who makes a meditative practice of floral arrangements and a well known classical pianist whose audiences sometimes describe having a mystical experience while listening to her performances Moore weaves their experiences with the wisdom of philosophers writers and artists who have rejected materialism and infused their secular lives with transcendence At a time when so many feel disillusioned with or detached from organized religion yet long for a way to move beyond an exclusively materialistic rational lifestyle A Religion of One's Own points the way to creating an
