

NATURE AND NATIONALISM

RIGHT-WING ECOLOGY
AND THE POLITICS OF IDENTITY
IN CONTEMPORARY GERMANY

JONATHAN OLSEN

Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany

Jeffrey K. Wilson

Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany:

Nature and Nationalism Jonathan Olsen, 1999 Across Europe parties of the radical Right are moving environmental themes to the centre of their political programmes Perhaps nowhere is this phenomenon more visible than among Germany's numerous far Right parties and groups Jonathan Olsen explores the right wing ecology in Germany its ideological underpinnings historical evolution and relationship to more mainstream political environmental discourse Arguing that radical environmentalism is not exclusively a domain of the left Olsen shows how many of Germany's radical Right parties ground their environmental ideology in an anti universalist anthropology which sees human beings as naturally rooted on specific nations and cultural traditions Pollution in this discourse signifies not only the disruption of the natural world but the social as well thus providing an environmental justification for an anti immigrant politics which finds resonance outside the specific milieu of the far Right

Nature and Nationalism Jonathan Olsen, 2024-12-23 In this new edition of his now classic 1999 book Jonathan Olsen explores the relationship between the far right and the environment or what he terms right wing ecology Arguing that radical environmentalism is not exclusively a domain of the left Olsen shows how many of Germany's far right parties and groups ground their ecological ideology in an anti universalist anthropology which sees human beings as naturally rooted in specific nations and cultural traditions Pollution in this discourse signifies not only the disruption of the natural world but the social world as well thus providing an environmental justification for an anti immigrant politics which finds resonance outside the specific milieu of the far right A rigorously theoretical book *Nature and Nationalism* challenges our understanding of the deeply ambiguous ways in which nature functions to legitimate a wide variety of political ideas

Right-Wing Extremism in Contemporary Germany G. Braunthal, 2009-11-04 This study of the German right extremist movement looks at the three rightist political parties neo Nazi groups skinhead gangs and New Right intellectuals It poses the question whether at a time of global recession the existing democratic system is resilient enough to meet the challenges posed by the xenophobic and racist groups

Contemporary Germany and the Fourth Wave of Far-Right Politics Manès Weisskircher, 2023-09-28 This volume provides a state of the art analysis on the fourth wave of far right politics in Germany by leading scholars in the field Innovatively the book focuses not only on the role of the electoral breakthrough of AfD the Federal Republic's first ever nationally established far right party but also on the many crucial instances of non party activism such as the New Right intellectual circles PEGIDA street protest and political violence For a long time Germany was regarded as an exceptional case because of the lack of an established far right party on the national level Times have changed but Germany still remains unique The book highlights four features that continue to make the case exceptional within Western Europe I The strong diversity of vibrant far right political players in Germany and their many interconnections II the electoral success of AfD i.e. the delayed electoral breakthrough of a far right party on the national level III the importance of militant democracy specifically how established players have responded to AfD and IV the

relevance of the east west divide for understanding far right politics in Germany Contributions on these topics highlight the broader theoretical relevance of the analysis of the German far right connecting to many research questions that have occupied scholars also in other contexts The book is essential reading for all those with an interest in the far right German and European politics as well as in the interconnections between political parties social movements and subcultural milieus

Politics and the Environment in Eastern Europe Eszter Krasznai Kovacs, 2021-07-28 Europe remains divided between east and west with differences caused and worsened by uneven economic and political development Amid these divisions the environment has become a key battleground The condition and sustainability of environmental resources are interlinked with systems of governance and power from local to EU levels Key challenges in the eastern European region today include increasingly authoritarian forms of government that threaten the operations and very existence of civil society groups the importation of locally contested conservation and environmental programmes that were designed elsewhere and a resurgence in cultural nationalism that prescribes and normalises exclusionary nation building myths This volume draws together essays by early career academic researchers from across eastern Europe Engaging with the critical tools of political ecology its contributors provide a hitherto overlooked perspective on the current fate and reception of environmentalism in the region It asks how emergent forms of environmentalism have been received how these movements and perspectives have redefined landscapes and what the subtler effects of new regulatory regimes on communities and environment dependent livelihoods have been Arranged in three sections with case studies from Czechia Hungary Lithuania Poland Romania and Serbia this collection develops anthropological views on the processes and consequences of the politicisation of the environment It is valuable reading for human geographers social and cultural historians political ecologists social movement and government scholars political scientists and specialists on Europe and European Union politics

Between Occultism and Nazism Peter Staudenmaier, 2014-04-03 The relationship between Nazism and occultism has been an object of fascination and speculation for decades Peter Staudenmaier's *Between Occultism and Nazism* provides a detailed historical examination centered on the anthroposophist movement founded by Rudolf Steiner Its surprising findings reveal a remarkable level of Nazi support for Waldorf schools biodynamic farming and other anthroposophist initiatives even as Nazi officials attempted to suppress occult tendencies The book also includes an analysis of anthroposophist involvement in the racial policies of Fascist Italy Based on extensive archival research this study offers rich material on controversial questions about the nature of esoteric spirituality and alternative cultural ideals and their political resonance

Becoming Madam Chancellor Joyce Marie Mushaben, 2017-08-07 Since 2005 Angela Merkel has transformed not only the way Germans see themselves but also the way that politicians worldwide male and female perceive women in power The East German daughter of a Protestant pastor this physicist turned politician has deployed her life experiences to cultivate a unique set of leadership skills Her pragmatic data driven and future oriented approach to politics grounded in a commitment to democratic pluralism

human rights and personal responsibility has produced extraordinary paradigm shifts in many national policies in the wake of major crises As the first English language scholarly book to provide an in depth account of her career and influence *Becoming Madam Chancellor* examines Merkel s achievements across six key policy domains contextualizes these within broader German history before and after reunification and uncovers the personal and political factors that have contributed to Chancellor Merkel s hard earned status as the world s most powerful woman

The Evolutions of Modernist Epic

Václav Paris,2021 Explores how modernist national narrative successively reimagined the evolutionary epic from the 1910s to the 1930s

Far-Right Ecologism Balša Lubarda,2023-08-01 Far Right Ecologism explains how the ongoing mainstreaming of the far right has prompted greater engagement with a range of topics including the environment Behind the facade of vote winning strategies the far right has provided a substantive ideological engagement with the natural environment Building on the nationalist bent of early green thought and the perceived nexus of pristine nature and cultural purity Far Right Ecologism has ideologically adopted the green elements of other ideologies such as conservatism and fascism but also of those considered to be thin centred such as nationalism and populism Through an authentic experience of learning from the Eastern European post socialist realms this book explores the ideology ecological discourse and policy proposals behind the increasing impact of far right actors on environmental politics in Hungary and Poland Each chapter begins with stories from the interviewees to illustrate how the far right in Hungary and Poland attempts to permeate environmental politics and even forge partnerships with green actors through specific local based policy contributions Drawing on the findings from a range of sources such as electoral programs ideological texts and manifestos social media and public speeches policy proposals and more than 40 in depth interviews with far right representatives this book also assesses epistemological and methodological challenges in examining the environmental dimension of far right post socialist politics This book will be valuable reading for researchers with an interest in the far right environmental politics and Central Eastern Europe

Fear of the Family Lauren Stokes,2022 Fear of the Family offers a comprehensive postwar history of guest worker migration to the Federal Republic of Germany particularly from Greece Turkey and Italy It analyzes the West German government s policies formulated to get migrants to work in the country during the prime of their productive years but to try to block them from bringing their families or becoming an expense for the state

Climate Politics in Populist Times

Mirjam Gruber,2024-10-08 This book navigates the neglected territory where far right populism intersects with climate change presenting a nuanced examination that transcends traditional research boundaries In recent decades Europe has grappled with the surge of far right and populist movements fueling robust academic debates Simultaneously the global discourse on climate change has become increasingly pervasive in societal and political spheres This book provides a comprehensive exploration of how populist far right parties discuss climate change within their national contexts focusing on Germany Spain and Austria Using a meticulous methodology rooted in critical discourse studies Mirjam Gruber examines the

perspectives on climate change held by mainstream parties thereby defining the national policy field Gruber then delves into the discourse about climate change of populist far right parties revealing a complex web of obstructionist arguments intricately tied to the national policy context By analyzing a diverse array of documents spanning five years including social media posts press releases parliamentary debates and policy documents Gruber uncovers a stark contrast between the willingness of mainstream parties to address climate concerns and the obstructionist rhetoric employed by their far right counterparts This illuminating exploration underscores the importance of context in understanding political communication and provides profound insights into how different nations frame the climate change narrative *Climate Politics in Populist Times* will be of great interest to students and scholars of climate change environmental politics climate change communication and populist far right ideologies

Border Walls Gone Green John Hultgren, 2015-10-15 How is it that self identified environmental progressives in America can oppose liberalizing immigration policies Environmentalism is generally assumed to be a commitment of the political left and restrictionism a commitment of the right As John Hultgren shows the reality is significantly more complicated American environmentalists have supported immigration restrictions since the movement first began in the late 1800s and anti immigration arguments continue to attract vocal adherents among contemporary mainstream and radical greens *Border Walls Gone Green* seeks to explain these seemingly paradoxical commitments by examining what is actually going on in American debates over the environmental impacts of immigration It makes the case that nature is increasingly being deployed as a form of walling which enables restrictionists to subtly fortify territorial boundaries and identities without having to revert to cultural and racial logics that are unpalatable to the political left From an environmental point of view the location of borders makes little sense the Mexican landscape near most border crossings looks exactly like the landscape on the American side And the belief that immigrants are somehow using up the nation's natural resources and thereby accelerating the degradation of the environment simply does not hold up to scrutiny So Hultgren finds the well intentioned efforts of environmentalists to sustain America are also sustaining the idea of the nation state and in fact serving to reinforce exclusionary forms of political community How then should socially conscious environmentalists proceed Hultgren demonstrates that close attention to the realities of transnational migration can lead to a different brand of socio ecological activism one that could be our only chance to effectively confront the powerful forces producing ecological devastation and social injustice

The German Forest Jeffrey K. Wilson, 2012-01-01 From the late eighteenth century Germans increasingly identified the fate of their nation with that of their woodlands A variety of groups soon mobilized the German forest as a national symbol though often in ways that suited their own social economic and political interests *The German Forest* is the first book length history of the development and contestation of the concept of German woodlands Jeffrey K Wilson challenges the dominant interpretation that German connections to nature were based in agrarian romanticism rather than efforts at modernization He explores a variety of conflicts over the symbol from demands

on landowners for public access to woodlands to state attempts to integrate ethnic Slavs into German culture through forestry and radical nationalist visions of woodlands as a model for the German race Through impressive primary and archival research Wilson demonstrates that in addition to uniting Germans the forest as a national symbol could also serve as a vehicle for protest and strife *The Green and the Brown* Frank Uekötter,2006-08-14 This study provides the first comprehensive discussion of conservation in Nazi Germany Looking at Germany in an international context it analyses the roots of conservation in the late 19th century the gradual adaptation of racist and nationalist thinking among conservationists in the 1920s and their indifference to the Weimar Republic It describes how the German conservation movement came to cooperate with the Nazi regime and discusses the ideological and institutional lines between the conservation movement and the Nazis Uekoetter further examines how the conservation movement struggled to do away with a troublesome past after World War II making the environmentalists one of the last groups in German society to face up to its Nazi burden It is a story of ideological convergence of tactical alliances of careerism of implication in crimes against humanity and of deceit and denial after 1945 It is also a story that offers valuable lessons for today s environmental movement *Handbook of the Sociology of Morality, Volume 2* Steven Hitlin,Shai M. Dromi,Aliza Luft,2023-10-25 This handbook articulates how sociology can re engage its roots as the scientific study of human moral systems actions and interpretation This second volume builds on the successful original volume published in 2010 which contributed to the initiation of a new section of the American Sociological Association ASA thus growing the field This volume takes sociology back to its roots over a century ago when morality was a central topic of work and governance It engages scholars from across subfields in sociology representing each section of the ASA who each contribute a chapter on how their subfield connects to research on morality This reference work appeals to broader readership than was envisaged for the first volume as the relationship between sociology as a discipline and its origins in questions of morality is further renewed The volume editors focus on three areas the current state of the sociology of morality across a range of sociological subfields taking a new look at some of the issues discussed in the first handbook which are now relevant in sometimes completely new contexts and reflecting on where the sociology of morality should go next This is a must read reference for students and scholars interested in topics of morality ethics altruism religion and spirituality from across the social science *Green Ethics and Philosophy* Julie Newman,2011-05-03 *Green Ethics and Philosophy* An A to Z Guide covers the moral relationship between humans and their natural environment specifically targeting the contemporary green movement Since the 1960s green ethics and philosophies have helped give birth to the civil rights feminist and gay rights movements as well as contemporary environmentalism With a primary focus on green environmental ethics this reference work available in both print and electronic formats presents approximately 150 signed entries organized A to Z traversing a wide range of curricular disciplines including philosophy psychology business economics religion and political science A rich blend of topics from the

Hannover Principle to green eco feminism responsible eco tourism corporate values and sustainability and more are explained by university professors and scholars all contributing to an outstanding reference mainly for academic and public libraries Vivid photographs searchable hyperlinks numerous cross references an extensive resource guide and a clear accessible writing style make the Green Society volumes ideal for classroom use as well as for research **Steeped in**

Heritage Sarah Fleming Ives, 2017-10-19 South African rooibos tea is a commodity of contrasts Renowned for its healing properties the rooibos plant grows in a region defined by the violence of poverty dispossession and racism And while rooibos is hailed as an ecologically indigenous commodity it is farmed by people who struggle to express authentic belonging to the land Afrikaners who espouse a white African indigeneity and coloureds who are characterized either as the mixed race progeny of extinct Bushmen or as possessing a false identity indigenous to nowhere In *Steeped in Heritage* Sarah Ives explores how these groups advance alternate claims of indigeneity based on the cultural ownership of an indigenous plant This heritage based struggle over rooibos shows how communities negotiate landscapes marked by racial dispossession within an ecosystem imperiled by climate change and precarious social relations in the postapartheid era *Nationalism before the Nation State*, 2020-04-28 Long before it took political shape in the proclamation of the German Empire of 1871 a German nation state had taken shape in the cultural imagination Covering the period from the Seven Years War to the Reichsgründung of 1871 *Nationalism before the Nation State* Literary Constructions of Inclusion Exclusion and Self Definition 1756 1871 explores how the nation was imagined by different groups at different times and in connection with other ideologies Between them the eight chapters in this volume explore the connections between religion nationalism and patriotism and individual chapters show how marginalised voices such as women and Jews contributed to discourses on national identity Finally the chapters also consider the role of memory in constructing ideas of nationhood Contributors are Johannes Birgfeld Anita Bunyan Dirk Göttsche Caroline Mannweiler Alex Marshall Dagmar Paulus Ellen Pilsworth and Ernest Schonfield **Political Entrepreneurship in the Age of Dealignment** Michael A. Hansen, Jonathan Olsen, 2024-02-28

This book traces the rise of the far right Alternative for Germany AfD from its inception in 2013 to its re election to the Bundestag in 2021 emphasising the party's nature as a populist issue entrepreneur and covering the three major crises that have shaken European party politics the Eurozone crisis the so called refugee crisis and the COVID pandemic Currently books on the AfD are largely limited to historical accounts and surface level analyses of the party This volume is both empirically rigorous and conceptually nuanced it seeks to understand the party's political trajectory and its appeal to its supporters by using advanced quantitative methodologies to analyse voter behaviour as well as by interpreting the party's communication strategies through mixed empirical methods It embeds this account within a well grounded theoretical argument The argument emphasises three important explanatory conditions a favourable political opportunity structure issue entrepreneurship and the party's stages of political development The Progressive Environmental Prometheans William B.

Meyer, 2016-06-30 This book is devoted to the exploration of environmental Prometheanism the belief that human beings can and should master nature and remake it for the better Meyer considers among others the question of why Prometheanism today is usually found on the political right while environmentalism is on the left Chapters examine the works of leading Promethean thinkers of nineteenth and early and mid twentieth century Britain France America and Russia and how they tied their beliefs about the earth to a progressive left wing politics Meyer reconstructs the logic of this progressive Prometheanism and the reasons it has vanished from the intellectual scene today The Progressive Environmental Prometheans broadens the reader s understanding of the history of the ideas behind Prometheanism This book appeals to anyone with an interest in environmental politics environmental history global history geography and Anthropocene studies

Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age,

obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Nature And

Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany Books

What is a Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online

Nature And Nationalism Right Wing Ecology And The Politics Of Identity In Contemporary Germany

tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
