Long to Love and Memory: Poetry John Banister Tabb, 2017-07-07 The exquisite poetry of John B Tabb 1845 1909 is rich in technical precision and concise expression His keen perspective looks carefully around peers into the depths of the soul and gazes up at the heights Little in nature escaped Father Tabb s notice flowers birdsong the beating of the rain the passage of sun moon and stars the cycles of the seasons and the march of the years Everywhere he saw reflections and heard echoes of the gamut of human experience loneliness and companionship losses and rewards regrets and hopes man and God He expressed the essence of his unique vision in a profusion of small poems This collection of 244 poems most of which have no more than eight lines displays the best of Tabb s work gathered into sets that showcase his various approaches to similar topics With notes to help the reader with unfamiliar words and concepts Long to Love and Memory brings John B Tabb s gems out into the light once more and sets them anew for a new century The Much-at-Once Bruce W.
