P. Roe, 2020-10-29 Edward Payson Roe March 7 1838 July 19 1888 was an American novelist Presbyterian minister horticulturist and historian His novels were very popular in their day especially with middle class readers in England and America and were translated into several European languages Their strong moral and religious purpose did much to break down a Puritan prejudice in America against works of fiction One of his most consistent criticisms was that his work resembled sermons *Nature's Serial Story* Edward Payson Roe, 2025-08-18 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Nature's Serial Story* Edward Payson Roe, 1902 **The West Virginia School Journal** , 1888 **The Literary News** Frederick Leyboldt, 1884 **The Critic** , 1883 Catalogue of the Illinois State Library Illinois State Library, 1894 **The American Bookseller** , 1884 **A Catalogue of the Best Books in Every Department of Literature** Burrows Brothers Company, Cleveland, 1900 **The Great War Syndicate** Frank Richard Stockton, 1882

Roe, 2022-09-16 Delving into the intimate past of Edward Payson Roe E P Roe *Reminiscences of his Life* by Mary A Roe weaves a detailed tapestry of an illustrious literary figure s existence reflecting the vibrancy and introspection of the 19th century With prose that strikes a balanced poise between reverent biography and scholarly analysis the work encapsulates the ethos of an era where literature bridged the personal and the universal It provides a window into E P Roe s life exuding a clarity that befits the man remembered for his pastoral fiction and an abiding concern for moral rectitude set against the backdrop of his contributions and rich literary context Mary A Roe in her careful compilation of memories and commentary offers not simply a familial perspective but an empathetic view of the intellectual and emotional contours that shaped her subject E P Roe s oeuvre was influenced by the tumultuous American landscape of his time its Civil War and evolving social ethos lending credence to the essence of struggle and virtue depicted in his narrative worlds Her chronicle is as much a homily to a personal legacy as it is a study in the genealogy of American literature Revelatory and evocative *E P Roe Reminiscences of his Life* invites historians literary aficionados and readers with an appetite for 19th century culture to embark on a journey through the life of a writer whose works have been enshrined within the canon of American pastoral literature Beyond literary interest the book offers a prism through which to view the complexities and convictions of a bygone era making it a compelling read for those who yearn to
