process and individual genius as well as her profound connection to the cultural practices and expressive traditions out of which her work arises. It studies her artistic relationships with other artists: her mother Aolar Mosely, her daughter Essie Bendolph Pettway, her daughter-in-law Louisiana P. Bendolph, and two self-taught Alabama artists, Lonnie Holley and Thornton Dial. Bendolph's conception of herself as an artist is intimately connected to all of these aesthetic relationships, which together provide contexts for understanding the full scope and power of her work. As they intersect in Bendolph's life and art, these deep social and aesthetic networks give rise to new pathways of artistic influence and exchange to a body of work that is a powerful mixture of communal and individual creative energies.

Cultural Fusion Quilts Sujata Shah, 2014-11-01. For crafters looking for patterns based on ethnic designs, modern quilters who love blocks with asymmetry, and anyone who loves bright, exciting quilts. Sleeping Dog Quilts: Bold, vibrant, striking, and amazingly easy to make. This collection of 15 modern quilts draws on handmade crafts from India, the American South, and Africa to create a style that is at once traditional and contemporary, artistic and practical. A simple stack cut, shuffle, and stitch technique makes the sewing fun for quilters of any level and also makes every quilt a one-of-a-kind creation. No two are ever alike. The author provides alternate settings, plus an inspiring photo gallery of the crafts that shaped her style. Use these projects to enrich your quilting by bringing in textures, patterns, and colors from around the world. An inspired designer. The 15 free-form block projects featured in this book are a celebration of this melting pot and brim with ideas. The book is accompanied refreshingly with photographs illustrating some of the inspirations and stories behind the projects, and it's a pleasure to see how Sujata has translated them into works of quilted excellence.

Popular Patchwork: A graphic designer and quilter, she finds inspiration all over the world in the quilts from Gee's Bend, the Indian godharis, and the bold, colorful fabrics from Africa. A colorful and inspiring book. Highly recommended.
