ENVIRONMENTAL DAMAGE UNDER INTERNATIONAL TRUSTEESHIP

Christopher Weeramantry

Nauru Environmental Devastation Under International Trusteeship

Robert D. Craig

Nauru Environmental Devastation Under International Trusteeship:

Nauru C. G. Weeramantry, 1992 Nauru is a small island in the Pacific which was endowed by nature with some of the richest phosphates in the world Phosphate mining began on the island in 1906 when Nauru was still part of the German empire Following Germany's defeat in 1918 Nauru was entrusted by the League of Nations to the care of the United Kingdom Australia and New Zealand It was a fiduciary relationship which after the Second World War continued under the trusteeship system of the United Nations During this period Nauru's idyllic landscape was disastrously transformed reducing much of the island to a lunar waste fringed in tropical splendour Nauru Environmental Damage under International Trusteeship summarizes part of the ten volume Report of the Commission of Inquiry on the Rehabilitation of Phosphate Lands in Nauru which was presented to the Government of Nauru in 1988 The report covered the responsibilities of the powers which controlled Nauru for rehabilitation of the lands which had been devastated by phosphate mining It also inquired into the feasibility and manner of rehabilitation Professor Christopher Weeramantry the Chairman of the Commission has written a fascinating and accessible summary of the portion of the report dealing with international responsibility The issues include a number of areas of international law relating to mandate and trusteeship environmental law abuse of power unjust enrichment acquired rights and permanent sovereignty over natural resources Nauru is probably the most detailed practical study of an international mandate and trusteeship ever written The issues explored in the book are of far reaching importance The story of Nauru has a significance reaching well beyond the tiny coral island Disappearing Island States in International Law Jenny Grote Stoutenburg, 2015-07-28 Several low lying atoll island states are at risk of losing their entire territory due to climate change induced sea level rise In Disappearing Island States in International Law Jenny Grote Stoutenburg examines the most relevant and pressing international legal questions facing threatened island states at which point would a sovereign state disappear Who could make that determination Which legal status would its citizens have What would happen to the state's maritime entitlements and its international rights and obligations Does international law protect the international legal personality of states that lose their effective statehood for reasons beyond their control In answering these questions the book goes to the root of a fundamental problem of international law the nature of statehood

Traversing the Divide Kim Rubenstein, 2021-03-05 This collection honours the work of Deborah Cass 15 February 1960 4 June 2013 a brilliant Australian constitutional and international lawyer Deborah studied at the University of Melbourne and Harvard Law School and taught at Melbourne Law School The Australian National University and the London School of Economics A member of The Australian National University's Centre for International and Public Law from 1993 to 2000 Deborah's work offered illuminating new perspectives in a range of fields from the right to self determination critical international legal theory and feminist legal theory to the international trade law system The title of this edited collection draws on one of her articles Traversing the Divide International Law and Australian Constitutional Law 1998 20 Adelaide

Law Review 73 This book evolves from a symposium held to draw together academics from around the globe to reflect on Deborah's extensive scholarship and contributions to public law and international law and to examine how her work is of value to current domestic and international law issues The pieces selected for this volume both remind us of Deborah's outstanding academic career and provide important insights on current public law and international law pressing issues While devoting fine attention to the stuff of everyday life Deborah Cass was also a brilliant scholar Although the deep sense of loss and sadness at Deborah's death remains it is wonderful to have her writings as a continuing source of inspiration and consolation In them we continue to hear Deborah's firm clear voice her appreciation of language her seriousness her curiosity her sensitivity and her wry humour Professor Hilary Charlesworth **Imperialism, Sovereignty and the Making of International Law** Antony Anghie, 2007-04-26 Examines the relationship between imperialism and international law

Environmental Law of Armed Conflict Nada Al-Duaij, 2021-10-25 This timely study examines how the environmental impact of modern warfare violates fundamental principles of international environmental and humanitarian laws and why these consideration need to be included in rules of armed conflict If direct attacks on innocent civilians are universally recognized as unacceptable then environmental devastation of their habitat by acts of war must also be recognized as an unacceptable consequence of armed conflict The author presents the case that the international community understand its responsibility to curb environmental consequences of modern weaponry and incorporate environmental concerns into the conventions regulating armed conflict Published under the Transnational Publishers imprint *Australia in the International Legal System* Madelaine Chiam, Alison Duxbury, 2025-08-21 What impact has Australia had on international law and what is its significance in terms of its participation in the transnational legal system This collection of essays delves into the history of Australia's interactions with international law and considers how its people have shaped international law It explores key issues such as the country's imperial and settler past It assesses how Australians have contributed to key institutions such as the ICJ the UN and the British Commonwealth It gives a fascinating insight into international law's impact on a domestic legal system and the complex and multifaceted nature of that relationship Scholars from across the international spectrum whether in the field of law politics or history will welcome this erudite and engaging work **International**

Environmental Law in the Asia Pacific Ben Boer, Donald R. Rothwell, Ross Ramsay, Donald Rothwell, 1998-02-18 The purpose of this book is to assess the development of international environmental law in the Asia Pacific Consideration is given to the impact upon the region of global regional and subregional environmental law An assessment is also undertaken of how certain states and groups of states have responded domestically and within their own subregions to these developments For the purposes of this book the Asia Pacific is defined as essentially the states which comprise East and Southeast Asia Australia New Zealand and the island states of the Southwest Pacific Occasional consideration is also given to the states of South Asia *Australian National Bibliography: 1992* National Library of Australia, 1988 *The Law of the Sea*

Convention Myron H. Nordquist, John Norton Moore, Alfred H.A. Soons, Hak-So Kim, 2012-03-19 This text provides valuable insight into a number of contemporary and pressing issues concerning the world's oceans and their management

The Concept of an International Organization in International Law Lorenzo Gasbarri, 2021-04-08 Despite their exponential growth in number and activities there is not an established legal concept of an international organization This book tackles the topic by examining the nature of the legal systems developed by international organizations It is the first comprehensive study of the concepts by which international organizations legal systems are commonly understood functionalism constitutionalism exceptionalism and informalism Its purpose is threefold to trace the historical origins of the different concepts of an international organization to describe four groups under which these different notions can be aligned and to propose a theory which defines international organizations as dual entities The concept of an international organization is defined by looking at the nature of the legal systems they develop The notion of dual legal nature describes how organizations create particular legal systems that derive from international law This situation affects the law they produce which is international and internal at the same time The effects of the dual legal nature are considered by analysing international responsibility the law of treaties and the validity of organizations acts

Fragmentation and the International Relations of Micro-states Jorri Duursma, 1996-10-31 At a time when nearly all armed conflicts are related to self determination and frequently to claims for secession this meticulous study examines the legal issues at stake in the light of the existence of European micro States Liechtenstein San Marino Monaco Andorra and the Vatican City Jorri Duursma makes a thorough analysis of the true origins meaning and faults of the modern right of self determination asking fundamental questions What constitutes a people with a right to self determination How small a people has this right Who are allowed to secede What is a state according to international law Jorri Duursma's book provides an up to date and informed account of these important issues which also draws on recent experiences in Eastern Europe and Yugoslavia It is the first book to provide a thorough international legal account of the European micro states and develops a novel approach to the problems of fragmentation

Responsibilities of the Non-State Actor in Armed Conflict and the Market Place Noemi Gal-Or, Cedric Ryngaert, Math Noortmann, 2015-05-12 The central question of this pioneer work on the responsibility of non state actors NSAs and the consequences thereof is To whom are such actors in particular armed opposition groups and business corporations accountable for their actions in armed conflict and in peace times Does responsibility in international law apply to these NSAs qua groups While much has been written about NSAs rights and participation in the global theatre as well as the responsibility of the state and international organisations for wrongful acts by NSAs scant attention has been paid to questions of NSA organizational responsibility in spite of their potential to wreak international havoc This volume offers innovative insights into this unexplored territory by analyzing responsibility questions from both theoretical and empirical perspectives

International Status in the Shadow of Empire Cait Storr, 2020-09-17 This book offers a new

account of Nauru's imperial history and examines its significance in the history of international law The Oxford Handbook on the United Nations Thomas G. Weiss, Sam Daws, 2018-06-28 This Handbook provides in one volume an authoritative and independent treatment of the UN's seventy year history written by an international cast of more than 50 distinguished scholars analysts and practitioners It provides a clear and penetrating examination of the UN's development since 1945 and the challenges and opportunities now facing the organization It assesses the implications for the UN of rapid changes in the world from technological innovation to shifting foreign policy priorities and the UN's future place in a changing multilateral landscape Citations and additional readings contain a wealth of primary and secondary references to the history politics and law of the world organization This key reference also contains appendices of the UN Charter the Statute of the International Court of Justice and the Universal Declaration of Human Rights The Nature of International Law Gerry Simpson, 2017-10-05 This title was first published in 2002 The purpose of this volume is to provide a map of some of the great theoretical debates within the discipline of international law The essays included are structured as dialogues between international legal theorists on concrete subjects such as democracy gender compliance sovereignty and justice They represent the most interesting theoretical work undertaken in international law *Perspectives on International Law* Nandasiri Jasentuliyana, 2023-10-09 In the spirit of the 50th anniversary of the United Nations and the United Nations Decade of International Law the contributors to *Perspectives on International Law* honour with this legal treatise a devoted friend of the United Nations and international law Judge Manfred Lachs a noted judge diplomat humanist and above all teacher The work includes a variety of perspectives on international law relating to what were Judge Lachs's four main areas of interest the theory and practice of international law the United Nations the World Court and space law The book meets the need for a reference work covering selected subject areas and providing different perspectives on some of the key issues of current concern Many eminent experts in various fields related to international law including Judges of the International Court of Justice diplomats and professors of law most of whom knew Judge Lachs personally have contributed Each chapter has been prepared specifically for the book The contributors represent all political legal and cultural regions of the world and provide a range of backgrounds and viewpoints offering a variety of new ideas for strengthening international law based on their assessment of the lessons of the past **Paradise for Sale** Carl N. McDaniel, John M. Gowdy, 2000-01-28 This is the brief story of a remote South Pacific island that was once rich in resources and is now virtually a cinder in the sea The conditions that caused this decline were human greed and ignorant practices The story is a startling example of how easily our environments can be trashed **Nauru A "Spy" Guide Volume 1 Strategic Information and Developments** IBP, Inc., 2013-08 2011 Updated Reprint Updated Annually Nauru A Spy Guide *APAIS 1994: Australian public affairs information service* , **Historical Dictionary of Polynesia** Robert D. Craig, 2002 Alphabetically arranged entries ranging in length from a paragraph to several pages describe the important people food native animals politics history and culture of

Polynesia which is made up of more than a dozen countries including American Samoa French Polynesia Hawaii New Zealand and Tonga The book includes a four page list of acronyms an extensive chronology and appendices with the names of Polynesian islands and lists of political rulers of the various states through history Author Craig emeritus history Alaska Pacific U has created several other dictionaries on Oceania Polynesian mythology and Hawaii Annotation copyrighted by Book News Inc Portland OR
