Nautical Quarterly ,1989      The War for England's Shores G. H. Bennett,2025-04-22 The War for England's Shores examines the Kriegsmarine's S Boat offensive along the English Channel and the North Sea from 1940 to 1945 together with British and later Allied responses to nullify that threat Very fast and armed with torpedoes and mines S Boats posed a serious threat to the convoys that were forced to run close along the British coast on a daily basis Despite the significance of this campaign and the real threat to the whole British war economy it has been until now strangely overlooked by historians Indeed the book highlights issues around the maritime identity of those states and navies that see themselves in oceanic terms at the expense of engagement with and operations in coastal waters Using an array of archival materials from Britain Germany and the USA The War for England's Shores examines why the Germans failed to make the most of this opportunity to disrupt British trade G H Bennett analyzes how the British slowly countered the threat by embracing new technologies and developing a system of sea control that gradually forced the German S Boat arm from the offensive against Britain's coastal convoys and on to the defensive in the months leading up to the invasion of France The author also looks at the S Boat campaign along these convoy routes in the context of present day interest in littoral warfare so that the work has a vital and current appeal and offers significant and surprising insights The book offers an unparalleled exploration of a key moment in the development of coastal warfare and will appeal to historians and enthusiasts as well as defense analysts and naval personnel      Yachting ,1999-10      Heart of Glass Daniel Spurr,2000 The editor of Practical Sailor newsletter offers a highly readable and affectionate account of the fiberglass boat from its earliest incarnation in World War II to the present day 310 illustrations      Australian National Bibliography ,1978      Nautical Research Journal ,1996      **Cultural and Civilisational Links between India and Southeast Asia** Shyam Saran,2018-07-20 The book presents the study undertaken by the ASEAN India Centre AIC at Research and Information System for Developing Countries RIS on India's cultural links with Southeast Asia with particular reference to historical and contemporary dimensions The book traces ancient trade and maritime links Chola Empire and Southeast Asia religious exchanges the Hindu Buddhist and Islamic heritage language scripts and folklore performing arts painting and sculpture architecture role of the Indian Diaspora contemporary cultural interaction etc      Joint Force Quarterly ,2010      Monthly Catalog of United States Government Publications ,1993      **The Old War Horse** Myron J. Smith, Jr.,2024-02-26 With a unique prewar history as a snagboat and James B Eads noted catamaran salvage vessel the Benton survived a tumultuous government acquisition process and conversion to become flagship of the Union's Civil War Western river navy From Island No 10 through the Vicksburg and Red River campaigns the revolutionary ironclad participated in both combat and administrative activities earning a prominent place in nautical legend and literature This first book length profile of the warship reveals little known details of both her prewar and wartime career and reviews her final disposal      *To Swear like a Sailor* Paul A.

Gilje,2016-02-15 Anyone could swear like a sailor Within the larger culture sailors had pride of place in swearing But how they swore and the reasons for their bad language were not strictly wedded to maritime things Instead sailor swearing indeed all swearing in this period was connected to larger developments This book traces the interaction between the maritime and mainstream world in the United States while examining cursing language logbooks storytelling sailor songs reading images and material goods To Swear Like a Sailor offers insight into the character of Jack Tar the common seaman and into the early republic It illuminates the cultural connections between Great Britain and the United States and the appearance of a distinct American national identity The book explores the emergence of sentimental notions about the common man through the guise of the sailor appearing on stage in song in literature and in images Writing Arctic Disaster Adriana Craciun,2016-03-10 This fascinating study examines how Victorian fixation on disastrous Northwest Passage expeditions has conditioned our understanding of the Arctic and Polar exploration **Seafaring on the Ancient Mediterranean** A. F. Tilley,2004 For the people of the ancient Mediterranean the sea was their highway the route for conquest and colonisation the means of spreading civilisation and the way to glorious booty or to profitable trade But ancient warships have left few if any remains Most of what we think we know about them comes from ancient literature and iconography of which there is a great deal The principal theme of this book is that the written and pictorial evidence on ancient ships has for the past five hundred years been treated badly even contemptuously This book takes a different approach searching for hypotheses that conform with the evidence contained in ancient literature and iconography before considering whether the writer or artist was right or wrong The result is a number of provocative and insightful reassessments of traditional interpretations of ancient seafaring **The CSS Arkansas** Myron J. Smith, Jr.,2014-01-10 While the Monitor and Merrimack are the most famous of the Civil War ironclads the Confederacy had another ship in its flotilla that carried high hopes and a metal hull The makeshift CSS Arkansas completed by Lt Isaac Newton Brown and manned by a mixed crew of volunteers gave the South a surge of confidence when it launched in 1862 For 28 days of summer the ship engaged in five battles with Union warships falling victim in the end only to her own primitive engines The saga of the CSS Arkansas represents the last significant Rebel naval activity in the war s Western theater *The Publishers' Circular and Booksellers' Record* ,1906 *APAIS, Australian Public Affairs Information Service* ,1989 Vol for 1963 includes section Current Australian serials a subject list **Lumley's bibliographical advertiser** ,1839 *The London Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc* ,1826 Airpower Journal ,1990 *The Spectator* ,1834 A weekly review of politics literature theology and art
