*Consumable Reading and Children's Literature* Ilgim Veryeri Alaca, 2022-07-15 Consumable Reading and Children s Literature explores how multisensory experiences enhance early childhood literacy practices through material and sensory interactions Embodied engagements that focus on the gustatory experience and in particular the sense of taste are investigated by studying food related narratives Children s literature and different reading scenarios involving consumable objects packages tableware and utensils are scrutinized Surfaces the underlying mechanisms that support children s literature are considered in connection to emerging media and groundbreaking technologies The interdisciplinary nature of this work draws on material and surface science human computer interaction arts and food studies As innovation and

everyday materials meet the potential of hybrid narratives mimicking synesthesia emerges with discussions on cross modal learning This monograph will inspire the interest of not only students teachers scholars of children s literature and child development but also researchers and practitioners across various artistic and scientific disciplines      **Sense of Place** Caitlin Flemming,Julie Goebel,2023-09-19 Explore how the world around us can inspire meaningful personal and beautiful interiors with Travel Home authors Caitlin Flemming and Julie Goebel Interior design experts and Travel Home co authors Julie Goebel and Caitlin Flemming are back to further explore what makes a house a home For anyone interested in curating a home that is personal functional and beautiful it s important to understand how our surroundings impact our interiors When a space evokes a strong sense of place a sense of belonging and comfort it becomes a place to rest and feel grounded surrounded by those you cherish most Evoking nostalgic attachment the colors and textures of a landscape or cultural traditions meaningful and inspired interior design is bound to reflect the broader context of a place Mother and daughter team Goebel and Flemming break down the details of how top designers and creatives style their homes by drawing inspiration from place From the pastoral beauty of the English countryside to the streets of Mallorca and from the warm desert palette of New Mexico to the sunny streets of Los Angeles Sense of Place juxtaposes interior shots exterior landscapes and local scenes to reveal the natural harmony between more than 20 homes and their exterior surroundings With practical tips and evocative essays interior design and travel enthusiasts alike will be inspired to design their homes to reflect lived experiences      *A Desperado's Daily Bread* Konrad Ventana,2009-05 Konrad Ventana throws open the curtain to a perennial drama with a depth of language that can only be described as symphonic Blazing with eye opening drama keen psychological insights and layers of linguistic pyrotechnics the reader is at once awed and entertained This riveting drama follows the trail of a western outlaw biochemist of the subterranean territories through the neo shamanistic dystopia neo contemplative hoo ha and blatant neoteny of the 1970 s New Age movements on the hunt for more profound and sublime naturalistic roots The reader will be stunned by the enduring power of artistic ideals vis vis wan and vapid philosophical idealisms in molding the indomitable traditions of society With this first Post Lux Swan Song Konrad Ventana manipulates language in a timeless theme as elegant as a classical ballet as poignant as our heartfelt emotions and as enduring as the resonance of a new and illuminating apperception This most remarkable book is truly a picture window to behold      *Country Home* ,2003      **New Mexico Historical Review** Lansing Bartlett Bloom,Paul A. F. Walter,2003      *New Mexico Magazine* ,2002      **Colonized Through Art** Marinella Lentis,2017-08 Colonized through Art explores how the federal government used art education for American Indian children as an instrument for the colonization of consciousness hoping to instill the values and ideals of Western society while simultaneously maintaining a political social economic and racial hierarchy Focusing on the Albuquerque Indian School in New Mexico the Sherman Institute in Riverside California and the world s fairs and local community exhibitions Marinella Lentis examines how the U S government s solution to the Indian problem at the end of the

nineteenth century emphasized education and assimilation Educational theories at the time viewed art as the foundation of morality and as a way to promote virtues and personal improvement These theories made the subject of art a natural tool for policy makers and educators to use in achieving their assimilationist goals of turning student savages into civilized men and women Despite such educational regimes for students however indigenous ideas about art oftentimes emerged from below particularly from well known art teachers such as Arizona Swayney and Angel DeCora Colonized through Art explores how American Indian schools taught children to abandon their cultural heritage and produce artificially native crafts that were exhibited at local and international fairs The purchase of these crafts by the general public turned students work into commodities and schools into factories

**Origin of the Earth and Moon** Shirley Silver, Robin M. Canup, Wick R. Miller, Kevin Righter, 1997 This comprehensive survey of indigenous languages of the New World introduces students and general readers to the mosaic of American Indian languages and cultures and offers an approach to grasping their subtleties Authors Silver and Miller demonstrate the complexity and diversity of these languages while dispelling popular misconceptions Their text reveals the linguistic richness of languages found throughout the Americas emphasizing those located in the western United States and Mexico while drawing on a wide range of other examples from Canada to the Andes It introduces readers to such varied aspects of communicating as directionals and counting systems storytelling expressive speech Mexican Kickapoo whistle speech and Plains sign language The authors have included the basics of grammar and historical linguistics while emphasizing such issues as speech genres and other sociolinguistic issues and the relation between language and worldview American Indian Languages Cultural and Social Contexts is a comprehensive resource that will serve as a text in undergraduate and lower level graduate courses on Native American languages and provide a useful reference for students of American Indian literature or general linguistics It also introduces general readers interested in Native Americans to the amazing diversity and richness of indigenous American languages *The Indian's Friend*, 1903

**Before Canada** Allan Greer, 2024-01-15 Long before Confederation created a nation state in northern North America Indigenous people were establishing vast networks and trade routes Volcanic eruptions pushed the ancestors of the Dene to undertake a trek from the present day Northwest Territories to Arizona Inuit migrated across the Arctic from Siberia reaching Southern Labrador where they met Basque fishers from northern Spain As early as the fifteenth century fishing ships from western Europe were coming to Newfoundland for cod creating the greatest transatlantic maritime link in the early modern world Later fur traders would take capitalism across the continent using cheap rum to lubricate their transactions The contributors to Before Canada reveal the latest findings of archaeological and historical research on this fascinating period Along the way they reframe the story of the Canadian past extending its limits across time and space and challenging us to reconsider our assumptions about this supposedly young country Innovative and multidisciplinary Before Canada inspires interest in the deep history of northern North America

**Contemporary Southwestern Jewelry** Diana F.

Pardue, 2007 Contemporary Southwestern Jewelry reveals the captivating history of the art of American Indian jewelry making uncovering the ancient techniques tools and materials that have made contemporary southwestern jewelry what it is today Revolutionists such as Hopi artist Charles Loloma Navajo silversmith Kenneth Begay Mexican Mission jeweler Preston Monongye and other jewelers began using varied materials and techniques traditionally unknown to the southwest Pardue has researched the history and contemporary forms of metalworking gems stone patterning and more plus has dedicated a portion of the book to emerging artists whose work is capturing attention today As you explore Contemporary Southwestern Jewelry s stunning photography let the art speak to you of how it came to be and what it represents echoing a similar message still told by traditional Native American jewelry

**The Art of Grammar** Aleksandr Aikhenval'd, 2015 This book introduces the principles and practice of writing a comprehensive reference grammar Several thousand distinct languages are currently spoken across the globe each with its own grammatical system and its own selection of diverse grammatical structures Comprehensive reference grammars offer a basis for understanding linguistic diversity and can provide a unique perspective into the structure and social and cognitive underpinnings of different languages Alexandra Aikhenvald describes the means of collecting analysing and organizing data for use in this type of grammar and discusses the typological parameters that can be used to explore relationships with other languages She considers how a grammar can be made to reflect and bring to life the society of its speakers through background explanation and the judicious choice of examples as well as by showing how its language history and culture are intertwined She ends with a full glossary of terms and guidance for those wanting to explore a particular linguistic phenomenon or language family The Art of Grammar is the ideal resource for students and teachers of linguistics language studies and inductively oriented linguistic cultural and social anthropology
