**Pamela Anne Patton**

## **Navarra The Durable Kingdom:**

**Navarra, the Durable Kingdom** Rachel Bard, 1982      **Queens, Empresses, Grand Duchesses and Regents** Olga S. Opfell, 2024-12-12 This book presents the lives and accomplishments of 39 women rulers not in name only but wielders of real power Celebrated queens like England's Elizabeth I share equal space here with lesser known monarchs like Giovanna I of Naples and Maria da Gloria of Portugal The flamboyant such as Christina of Sweden contrast with the moralistic like Maria Theresa of Austria Each is the heroine of an often dramatic story involving dynastic interplay and court politics The complex forces that have impeded or sparked the royal performances are detailed      *Landownership & Power Mod Eur* Martin Blinkhorn, Ralph Gibson, 2002-06 First Published in 1991 Routledge is an imprint of Taylor Francis an informa company

*The Ways of Federalism in Western Countries and the Horizons of Territorial Autonomy in Spain* Alberto López - Basaguren, Leire Escajedo San Epifanio, 2013-06-13 Territorial autonomy in Spain has reached a crossroads After over thirty years of development the consensus regarding its appropriateness has started to crumble The transformation project embodied by the reform of Statute of Catalonia 2006 has failed to achieve its most significant demands Although the concept of Spain as a Federation is disputed more within the country than beyond the evolution of the Spanish system needs to follow a markedly federalist path In this perspective reference models assume critical importance This edition gathers the works of a broad group of European American and Spanish experts who analyse the present day challenges of their respective systems The objective thus is to contribute ideas which might help to address the evolution of the Spanish system in the light of the experience of more established Federations This second volume focuses its attention on the difficulties and challenges faced in two particular fields On the one hand the field of intergovernmental relations and on the other questions related to the integration and acknowledgement of diversity and of Fundamental Rights with special reference to the cases of Canada and Spain Finally there is analysis of other specific aspects of the system of territorial autonomy in Spain      *The Queens Regnant of Navarre* Elena Woodacre, 2013-09-04 The five queens of Navarre were the largest group of female sovereigns in one European realm during the Middle Ages but they are largely unknown beyond a regional audience This survey fills this scholarly lacuna focusing particularly on issues of female succession agency and power sharing dynamic between the queens and their male consorts      **The Borgia Family** Jennifer Mara DeSilva, 2019-10-11 The Borgia Family Rumor and Representation explores the historical and cultural structures that underpin the early modern Borgia family their notoriety and persistence and reinvention in the popular imagination The book balances studies focusing on early modern observations of the Borgias and studies deconstructing later incarnations on the stage on the page on the street and on the screen It reveals how contemporary observers later authors and artists and generations of historians reinforced and perpetuated both rumor and reputation ultimately contributing to the Borgia Black Legend and its representations Focused on the deeds and posthumous reputations of Pope Alexander VI and his children Cesare and Lucrezia Borgia the volume charts the choices

made by the family and contextualizes them amid contemporary expectations and reactions Extending beyond their deaths it also investigates how the Borgias became emblems of anti Catholic and anti Spanish criticism in the later early modern period and their residing reputation as the best and worst of the Renaissance Exploring a spectrum of traditional and modern media The Borgia Family contextualizes both Borgia deeds and their modern representations to analyze the family s continuing history and meaning in the twenty first century It will be of great interest to researchers and students working on interdisciplinary aspects of the Renaissance and early modern Italy

*Identity, Culture, And Politics In The Basque Diaspora* Gloria Pilar Totoricagüena, 2015-03-20 Gloria P Totoricagüena presents a thorough comparative examination of the remarkable endurance of Basque identity and culture in six countries of the far flung Basque diaspora Using the results of interviews and extensive anonymous surveys with more than eight hundred informants in the diaspora plus extensive research in archives and printed sources in all six of her study countries Totoricagüena reveals for the first time the complex and interrelated universe of these dispersed Basques She explores the elements of their migration patterns and the institutions that have encouraged identity maintenance the impacts on established communities of each new wave of immigrants and the nature of economic and political ties with the homeland Totoricagüena offers a superb quantitative study of an aspect of Basque culture that has been largely ignored by scholars the diaspora In doing so she enlarges the understanding of cultural identity in general how it is defined and preserved how it evolves over time and how both the politics of distant places and the most intimate family habits can shape an individual s sense of self Identity Culture and Politics in the Basque Diaspora is a major contribution to the knowledge of Basques and their persistent political and cultural traditions

**Liberalism, Fascism, Or Social Democracy** Gregory M. Luebbert, 1991 An analysis of the political development of Western Europe in the late 19th and early 20th centuries which argues that the evolution of nations into liberal democracies social democracies or fascist regimes was attributable to a set of social and class alliances within the individual nations

*Art of Estrangement* Pamela Anne Patton, 2012 Examines the influential role of visual images in reinforcing the efforts of Spain s Christian ruled kingdoms to renegotiate the role of their Jewish minority following the territorial expansions of the twelfth and thirteenth centuries Provided by publisher

[Basque Nationalism and the Spanish State](#) André Lecours, 2007-07-13 An examination of Basque nationalism from a historical perspective Basque nationalism has been extensively examined from the perspectives of Basque culture and internal conditions in the Basque Country but Andr Lecours is among the first to demonstrate how Basque nationalism was shaped by the many forms and historical phases of the Spanish state His discussion employs one of the most debated approaches in the social sciences historical institutionalism and it includes an up to date examination of the circumstances for and consequences of recent events such as ETA s announcement in 2006 of a permanent cease fire Lecours also analyzes other aspects of Basque nationalism including the international relations of the Basque Autonomous Government as well as the responses of the contemporary Spanish state

and how it deploys its own brand of nationalism Finally the book offers a comparative discussion of Basque Catalan Scottish Flemish and Quebecois nationalist movements suggesting that nationalism in the Basque Country despite the historical presence of violence is in many ways similar to nationalism in other industrialized democracies Basque Nationalism and the Spanish State is an original and provocative discussion that is essential reading for anyone interested in the Basques or in the development of modern nationalist movements

**Berengaria of Navarre** Gabrielle Storey, 2024-06-03 Berengaria of Navarre was queen of England 1191-99 and lord of Le Mans 1204-30 but has received little attention in terms of a fully encompassing biography from Navarrese Anglophone and French perspectives This book explores her political career whilst utilising the surviving documentation to demonstrate her personal and familial partnerships and life as a dowager queen This biography follows Berengaria's journey from a Navarrese infanta raised in the northern Iberian kingdom to her travels across Europe to marriage and the Third Crusade venturing through Sicily Cyprus and on to the Holy Land in 1191 Berengaria's reign and early years as dowager queen are examined in the context of the Anglo-French conflict and domestic disputes before her decision to negotiate with the king of France Philip Augustus and become lord of Le Mans for which she is far better known in local memory The volume flows chronologically discussing her roles as infanta queen dowager and lord and is an ideal resource for scholars and those interested in the history of gender queenship lordship and Western Europe in the twelfth and thirteenth centuries

*Cousins and Strangers* Jose C. Moya, 1998-03-31 More than four million Spaniards came to the Western Hemisphere between the mid nineteenth century and the Great Depression Unlike that of most other Europeans their major destination was Argentina not the United States Studies of these immigrants mostly laborers and peasants have been scarce in comparison with studies of other groups of smaller size and lesser influence Presenting original research within a broad comparative framework Jose C Moya fills a considerable gap in our knowledge of immigration to Argentina one of the world's primary settler societies Moya moves deftly between micro and macro analysis to illuminate the immigration phenomenon A wealth of primary sources culled from dozens of immigrant associations national and village archives and interviews with surviving participants in Argentina and Spain inform his discussion of the origins of Spanish immigration residence patterns community formation labor and cultural cognitive aspects of the immigration process In addition he provides valuable material on other immigrant groups in Argentina and gives a balanced critique of major issues in migration studies

**De Europae dissidiis et republica** Juan Luis Vives, 2019-07-01 The *De Europae dissidiis et republica* On Conflicts in Europe and on the Commonwealth is a collection published by Vives in 1526 that has been called his *summa politica* It contains five letters to Henry VIII and three prelates including Cardinal Wolsey a Lucian style underworld satire on European wars and the Turkish threat and Latinizations of two political speeches by Isocrates It counsels the pursuit of peace following Christian principles but it also explores the possibility of an aggressive war against the Turks as the means of unifying and saving European Christendom It urges the calling of a council to deal with Luther We

present critical Latin texts and for the first time English translations with introduction and notes      **Iberian Worlds** Gary W. McDonogh, 2009 A vivid reading of globalization through centuries of Iberian peoples places and encounters

**Sovereignty Revisited** Åshild Kolås, Pedro Ibarra Güell, 2017-08-07 This book explores the new debates on Basque sovereignty and statehood that have emerged in the post violence Basque political scenario It deciphers how sovereignty is understood or imagined by a revitalized civil society after the unilateral cessation of operations by ETA Basque Homeland and Freedom The contributors to this book investigate the new political field developing in the nexus between conventional party politics established socio cultural and linguistic organizations creative civil society initiatives and innovative activism This book is for graduate students scholars and professionals in political science social anthropology European studies political philosophy transnational studies sociology political geography and global studies It will also be of interest to academic specialists in Basque studies specialists working on sovereignty nationalism and globalization and professionals in governance international relations foreign affairs European politics and diplomacy      *Three Medieval Queens* Lisa Benz St. John, 2012-06-04 This book is an innovative study offering the first examination of how three fourteenth century English queens Margaret of France Isabella of France and Philippa of Hainault exercised power and authority It frames its analysis around four major themes gender status the concept of the crown and power and authority      *Good Families of Barcelona* Gary Wray McDonogh, 2014-07-14 Gary McDonogh combines ethnology and history to analyze the organization reproduction and decline of an urban industrial elite Using Barcelona as the foundation for more general consideration of power holding groups he tells the story of the Good Families those few hundred lineages who have dominated the city in the nineteenth and twentieth centuries Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      *Portraits of Medieval Europe, 800-1400* Christian Raffenberger, Erin Thomas Dailey, 2024-03-28 This volume provides a collection of imagined lives individuals who no matter their position on the social hierarchy were crucial to the development of medieval Europe and the modern period that followed Based on primary source materials and the latest historical research these literary accounts of otherwise unsourced or under sourced individuals are written by leading scholars in the field The book s approach transcends the limitations of both historical narrative and literary fiction offering a research informed presentation of real people that is enriched by informed speculation and creative storytelling This enriched presentation of the lives of these individuals offers the quickest route to understanding medieval culture society and intellectual thought Crucially the book treats the whole of Europe broadly defined both conventional areas of study such as England and France and also lesser

studied but no less important areas such as eastern Europe Iberia and the Balkans The reader of Portraits of Medieval Europe encounters the diversity present in the European past the resulting portraits unique personal and engaging offer not only a wide geographical scope but also perspective on the formation of European society in its fullest form This book is accessible and engaging for students new to medieval history as well as those wishing to expand their knowledge of medieval society

**Isabella** Rachel Bard, 2007-10 In her day the beautiful Isabella of Angoulême was called a Jezebel a sorceress an adulteress As the young bride of King John of England she was charged with seducing John into neglecting his kingly duties Back in her native land she and her second husband were accused of trying to assassinate the King of France Now meet the real Isabella Relive the turbulent twelfth and thirteenth centuries when France and England were struggling for control of western France You will encounter kings and queens popes and prelates warriors and courtiers who were the power elite of their day You will become intimately acquainted with this fascinating and enigmatic woman prey to strong passions and ambitions aware of the power of her beauty willing to dare all in order to be and be seen as queen

The Journal of James A. Brush Karen Racine, Graham Lloyd, 2020-11-15 Editors Karen Racine and Graham Lloyd provide extensive insight into the Mina expedition during the revolution of Mexican independence as captured in the journal of James A Brush General Xavier Mina believed that the best way to overthrow tyranny in Spain was to fight for the independence of the American colonies A Scottish officer who fought with the British army against Napoleon Brush joined Mina in 1815 and set sail to Mexico thereafter Available in English for the first time this primary document detailing the experiences of the expedition provides a firsthand account of the personalities the events and the social world as it was as well as descriptions of some of the major figures of Mexico's independence era Racine and Lloyd contextualize Brush's journal with informative notes annotations and appendices that include letters song lyrics and decrees giving readers a broader context for the events described The result is a fascinating look into a significant episode of Mexico's War for Independence

The Top Books of the Year Navarra The Durable Kingdom The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. Navarra The Durable Kingdom : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Navarra The Durable Kingdom : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
