The WAAF at War John Frayn Turner, 2011-12-01. Highly experienced author John Frayn Turner has succeeded in capturing the indomitable spirit of the WAAF during WW2. His book vividly describes the many roles played by members of this highly respected organization, whether on the ground at air stations, under the ground in control bunkers, reading radar monitors, or plotting the course of air operations. In addition, the WAAF flew all types of aircraft, often with minimal training, regardless of weather. Most poignant are the hazardous exploits of those WAAF who volunteered for SOE. Perhaps the best known of these incredibly gallant girls is Noor Inayat Khan, GC, who was executed at Dachau in 1944, but there were many others whose stories are told here. The WAAF at War is a long overdue tribute to the war-winning contribution played by all its members.

Publication, 1914. *The Ultimate Family Business Survival Guide* Priyanka Gupta Zielinski, 2021-04-26. Family businesses are vital to the health of a nation's economy, but distresses such as economic downturns and the Covid-19 pandemic can put them at grave existential risk. Drawing from her dynamic experience working with her family-owned company MPIL Steel Structures Ltd, Priyanka Gupta Zielinski presents a unique manual to help family businesses thrive even in times of crisis. Central to it is a survival toolkit featuring a metaphorical multipurpose hat, a flashlight, a superhero cape, a Swiss Army knife, and a parachute, which prepares business owners to face any challenge head-on. The book also reveals how the improvisational style of family enterprises can be leveraged better for sustainability while identifying, in their close-knit structure and community-driven approach, avenues for meaningful social change. Replete with anecdotes and effective strategies, with an occasional Haryanvi idiom thrown into the mix, *The Ultimate Family Business Survival Guide* is a must-read for family business and MSME owners everywhere.
