Merchant Marine Council, 1958 **Commercial Fisheries Review**, 1956 The Mercator Projection and Its Variations Michael G. Paradis, 1967 This report presents basic information on the Mercator projection including its variations and a selected glossary The report is aimed at the apprentice cartographer as well as non professional personnel whose duties require a familiarity with projections in general The method of presentation supported with illustrations is intended to comprehensively depict the intrinsic properties of each projection covered Author **Proceedings of the Merchant Marine Council** United States. Merchant Marine Council, 1960 Publication - Coast and Geodetic Survey U.S. Coast and Geodetic Survey, **The International Law of Bays** Mitchell P. Strohl, 2012-12-06 The purpose of this book is to describe the problems posed in the formulation of international rules for bays at the present time to investigate the history of the several interests that have influenced the development of such rules to trace the efforts that have been made to codify the rules and to suggest a further refinement of the rules This book seeks to combine the fruits of the writer s experience as a navigator with those of his studies in international law geography history and economics Although after study and thought upon the subject there is likely to arise an initial desire to write a work that is truly definitive one must resign himself to something of lesser scope That being so there is if anything an increased demand upon the writer to exercise careful judgment in his research and in his exposition of the subject This writer can only hope that he has discharged this responsibility to the degree that his efforts will have clarified some issues and that what he has set on paper may be of some assistance to others This writer has attempted to be as objective as possible in his interpretations and he has made no attempt to defend the policy of any State In so doing he is well aware of the fact that for broader policy reasons some of the views expressed herein cannot be officially accepted as bases for action **Shore and Sea Boundaries, with Special Reference to the Interpretation and Use of Coast and Geodetic Survey Data: Boundary problems associated with the submerged lands cases and the submerged lands acts (including recent developments in the international law of the sea)** Aaron Louis Shalowitz, 1962 **Shore and Sea Boundaries: Boundary problems associated with the submerged lands cases and the submerged lands acts (including recent developments in the international law of the sea)** Aaron Louis Shalowitz, 1962 **Shore and Sea Boundaries** Michael W.
