Nazi Machtergreifung

Stanley G. Payne

Nazi Machtergreifung:

Hitler's Voice: Organisation & development of the Nazi Party Detlef Mühlberger, 2004 Detlef Mühlberger's work *Hitler's Voice: The Volkischer Beobachter 1920-1933* is an important addition to the study of National Socialism. In today's scholarship it is difficult to locate a detailed work on National Socialism that does not rely in some way on the *Volkischer Beobachter* it was truly the bullhorn of the party from the time when the National Socialists were no more than a small group of unknowns gathering at the Munich Bürgerbräukeller until they gained power in 1933. Considering the vast amount of literature on National Socialism however it is surprising that until now there have only been shorter articles and two dissertations and not a single comprehensive analysis of the newspaper. Mühlberger's translation of articles from the *Volkischer Beobachter* addresses this lacuna. He has sifted through eleven years of the paper condensing them into two volumes. His first volume gives a chronological account of the development and organization of the party until 1933 while the shorter second volume entitled *Nazi Ideology and Propaganda* examines topical issues such as attacks against the Weimar Republic, racism and attempts by the party to garner support from workers, farmers and the German Mittelstand. [The Formation of the Nazi Constituency 1919-1933 \(RLE Nazi Germany & Holocaust\)](#) Thomas Childers, 2014-09-19 In the years preceding publication of this book in 1986 much progress was made in identifying the social sources of support for Hitler's NSDAP and in determining the tactics employed by the party to mobilise its constituency at grass roots level. It has emerged that the Nazi's roots were far more diverse than previously assumed extending beyond the lower middle class to encompass both the affluent bourgeoisie and the working class. This book collects together original studies which represent a distillation of some of the contemporaneous research. **The Nazi Machtergreifung (RLE Nazi Germany & Holocaust)** Peter D. Stachura, 2014-09-19 This book analyses some of the fundamental reasons for the triumph of National Socialism in 1933. Written in 1983 by historians at Canadian, American and British universities it provides a clear and balanced historiographical perspective of the dynamics of socio-political mobilization which helped make the Machtergreifung possible. The relationship during the Weimar Republic between the Nazi Party and various social groups constitutes a major element in the book as do the attitudes towards Hitler displayed by a number of influential institutions. The Nazis' successful mobilization of popular support before 1933 is illustrated through the impact of foreign policy and ideology, propaganda on the Germans.

Hitler and Nazi Germany Stephen J. Lee, 2013-04-15 *Hitler and Nazi Germany* provides a concise introduction to Hitler's rise to power and Nazi domestic and foreign policies through to the end of the Second World War. Combining narrative, the views of different historians, interpretation and a selection of sources, this book provides a concise introduction and study aid for students. This second edition has been extensively revised and expanded and includes new chapters on the Nazi regime, the SS and Gestapo and the Second World War. Expanded background narratives provide a solid understanding of the period and the analyses and sources have been updated throughout to help students engage with recent historiography and form

their own interpretation of events **Weimar and Nazi Germany** Panikos Panayi,2014-09-25 Weimar and Nazi Germany presents the history of the country in these periods in a unique way Examining the continuities and discontinuities between the Third Reich and the Weimar Republic it also contextualises these two regimes within modern German and European history After a broad introduction to 1919 1945 four general surveys examine the economy society internal politics and foreign policy A third section treats specific key themes including women and the family big business race the SPD the extreme Right and Anglo German relations This innovative text assembles major scholars of Germany It will prove vital reading for all those interested in twentieth century history **Hitler, 1889-1936** Ian Kershaw,1999 Traces Hitler s rise

from a shelter for needy children in Austria to dictatorship over Germany and the beginning of his persecution of the Jews
 A Concise History of Nazi Germany Joseph W. Bendersky,2020-09-21 This balanced history offers a concise readable introduction to Nazi Germany Combining compelling narrative storytelling with analysis Joseph W Bendersky offers an authoritative survey of the major political economic and social factors that powered the rise and fall of the Third Reich Now in its fifth edition the book incorporates significant research of recent years analysis of the politics of memory postwar German controversies about World War II and the Nazi era and more on non Jewish victims Delving into the complexity of social life within the Nazi state it also reemphasizes the crucial role played by racial ideology in determining the policies and practices of the Third Reich Bendersky paints a fascinating picture of how average citizens negotiated their way through both the threatening power behind certain Nazi policies and the strong enticements to acquiesce or collaborate His classic treatment provides an invaluable overview of a subject that retains its historical significance and contemporary importance

A History of Fascism, 1914-1945 Stanley G. Payne,1996-01-01 A History of Fascism is an invaluable sourcebook offering a rare combination of detailed information and thoughtful analysis It is a masterpiece of comparative history for the comparisons enhance our understanding of each part of the whole The term fascist used so freely these days as a pejorative epithet that has nearly lost its meaning is precisely defined carefully applied and skillfully explained The analysis effectively restores the dimension of evil Susan Zuccotti The Nation A magisterial wholly accessible engaging study Payne defines fascism as a form of ultranationalism espousing a myth of national rebirth and marked by extreme elitism mobilization of the masses exaltation of hierarchy and subordination oppression of women and an embrace of violence and war as virtues Publishers Weekly **The rise of the Nazis** Conan Fischer,2024-07-30 How and why did the Nazis seize power in Germany Nearly seventy years on the question remains heated and important discoveries continue to challenge long standing assumptions Beginning with an overview of the historical context within which Nazism grew looking at the foreign relations politics and society of Weimar and in particular at the role of the elites in the rise of Nazism The book questions the anatomy of Nazism itself What lent Nazi ideology its coherence and credibility What distinguished the Nazi s programme from their competitors and how did they project it so effectively How was Hitler able to put together and fund an organisation so

quickly and effectively that it could launch a sustained assault on Weimar Who supported the Nazis and what were their motives Where precisely does Nazism belong in the history of Europe Since the publication of the first edition important new works have appeared and this new scholarship has been incorporated into the text

France and the Nazi Menace Peter Jackson,2000-10-26 France and the Nazi Menace examines the French response to the challenge posed by National Socialist Germany in the years 1933 1939 It focuses on the relationship between the intelligence on German intentions and capabilities and the evolution of French national policy from the rise of Hitler in 1933 to the outbreak of the Second World War in 1939 Based on extensive archival research it considers the nature of the intelligence process and the place of intelligence within the French policy making establishment during the inter war period The central argument in the book is that the German threat was far from the only challenge facing French national leaders in an era of economic depression and profound ideological discord Only after the national humiliation at the Munich Conference did the threat from Nazi Germany take precedence over France s internal problems in the making of policy

The Nazi Seizure of Power William Sheridan Allen,2018-12-02 Tells us how Nazism happened in microcosm in a single German town that was neither typical nor exceptional in admitting and then yielding to tyranny The New York Times In this classic work of twentieth century history William Sheridan Allen demonstrates how dictatorship subtly surmounted democracy in Germany and how the Nazi seizure of power encroached from below Relying upon legal records and interviews with primary sources Allen dissects Northeim Germany with microscopic precision to depict the transformation of a sleepy town to a Nazi stronghold This cogent analysis argues that Hitler rose to power primarily through democratic tactics that incited localized support rather than through violent means Revised on the basis of newly discovered Nazi documents The Nazi Seizure of Power The Experience of a Single German Town 1922 1945 continues to significantly contribute to our understanding of this phenomenon and the political and moral debate over the roots of fascism Allen s research provides an intimate comprehensive study of the mechanics of revolution and an analysis of the Nazi Party s subversion of democracy Beginning at the end of the Weimar Republic Allen examines the entire period of the Nazi Revolution within a single locality The book s distinction lies in its fidelity to the facts in one particular town with one set of civic officials notably the Nazi Local Group Leader and one population whose shift in attitudes indifference and in the end total lack of comprehension of what was really happening convert the theory into actuality and make it both clearer and more readable Kirkus Reviews A first rate study of absorbing interest Hitler did not seize power single handed Walter Laqueur The New York Review of Books

Stormtroopers and Crisis in the Nazi Movement Thomas D. Grant,2004-07-31 Containing illustrations from archival material this book scrutinizes two sets of hitherto understudied records SA morale reports in the US National Archive which show what Nazi leaders themselves knew about their radical paramilitary wing police reports on the stormtroopers from the former DDR state archive in Potsdam which show what Republican authorities knew Stormtroopers and Crisis in the Nazi Movement casts

fresh light on the crisis that beset Nazism during the final months of Germany's first republic **Brain Science under the Swastika** Lawrence A. Zeidman, 2020-05-25 Eighty years ago the largest genocide ever occurred in Nazi Europe. This began with the mass extermination of patients with neurologic and psychiatric disorders that Hitler's regime considered useless eaters. The neuropsychiatric profession was systematically cleansed beginning in 1933, but racism and eugenics had infiltrated the specialty long before that. With the installation of Nazi principled neuroscientists, mass forced sterilization was enacted, which transitioned to patient murder by the start of World War II. But the murder of roughly 275,000 patients was not enough. The patients' brains were stored and used in scientific publications both during and long after the war. Also, patients themselves were used for unethical experiments. Relatively few neuroscientists resisted the Nazis with some success in the occupied countries. Most neuroscientists involved in unethical actions continued their careers unscathed after the war. Few answered for their actions, and few repented. The legacy of such a depraved era in the history of neuroscience and medical ethics is that codes now exist to protect patients and research subjects. But this protection is possibly subject to political extremes, and individual neuroscientists can only protect patients and colleagues if they understand the dangers of a utilitarian, unethical, and uncompassionate mindset. **Brain Science under the Swastika** is the only comprehensive and scholarly published work regarding the ethical and professional abuses of neuroscientists during the Nazi era. The author has crafted a scathing tour de force exploring the extremes of ethical abuse but also ways that this can be resisted and hopefully prevented by future generations of neuroscientists and physicians.

May 1940, 2010-04-27 In May 1940 the Netherlands were overrun by German armed forces. The five-day campaign might seem to be a prime example of Blitzkrieg, which led shortly afterwards to the rapid and unexpected overthrow of France. This book, based on the newest scholarly research, argues that this is too simple a view. Even though the German assault on the Netherlands made use of tanks, aircraft, and airborne troops, it was still a classic campaign against a weak opponent in a theater on the margins of Fall Gelb. In many instances, artillery and infantry were the decisive factors, and it is debatable whether the bombing of Rotterdam can be seen as a precursor to the aerial terror campaigns against civilian populations that marked the later stages of the Second World War. Contributors are H. Amersfoort, H. W. van den Doel, P. H. Kamphuis, P. M. J. de Koster, C. M. Schulten, and J. W. M. Schulten.

Catholicism, Political Culture, and the Countryside Oded Heilbrunner, 1998 Challenges received wisdom about the relationship between Catholics and Nazis.

Hitler: 1889-1936 Hubris Ian Kershaw, 2000-04-17 Hailed as the most compelling biography of the German dictator yet written, Ian Kershaw's *Hitler* brings us closer than ever before to the heart of its subject's immense darkness. From his illegitimate birth in a small Austrian village to his fiery death in a bunker under the Reich chancellery in Berlin, Adolf Hitler left a murky trail strewn with contradictory tales and overgrown with self-created myths. One truth prevails: the sheer scale of the evils that he unleashed on the world has made him a demonic figure without equal in this century. Ian Kershaw's *Hitler* brings us closer than ever before to the character of the bizarre misfit in his thirty-year

ascent from a Viennese shelter for the indigent to uncontested rule over the German nation that had tried and rejected democracy in the crippling aftermath of World War I With extraordinary vividness Kershaw recreates the settings that made Hitler's rise possible the virulent anti-Semitism of prewar Vienna the crucible of a war with immense casualties the toxic nationalism that gripped Bavaria in the 1920s the undermining of the Weimar Republic by extremists of the Right and the Left the hysteria that accompanied Hitler's seizure of power in 1933 and then mounted in brutal attacks by his storm troopers on Jews and others condemned as enemies of the Aryan race In an account drawing on many previously untapped sources Hitler metamorphoses from an obscure fantasist a drummer sounding an insistent beat of hatred in Munich beer halls to the instigator of an infamous failed putsch and ultimately to the leadership of a ragtag alliance of right wing parties fused into a movement that enthralled the German people This volume the first of two ends with the promulgation of the infamous Nuremberg laws that pushed German Jews to the outer fringes of society and with the march of the German army into the Rhineland Hitler's initial move toward the abyss of war

The Nazi Party Paul Madden, Detlef Mühlberger, 2007 This work contains amended versions of a number of pioneering articles on the social contours of the membership of the Nazi Party published by the authors in the 1980s added to which are new studies examining the social background of members of the Nazi Party recruited in a rural region a university town and in a city

Nazi Germany's New Aristocracy Herbert F. Ziegler, 2014-07-14 The first book length presentation on the social origins of the prewar SS leadership this volume offers a complete picture of the men who between 1925 and 1939 joined the vanguard of National Socialism and rose to the rank of SS F hrer Herbert Ziegler reveals that the Black Order was composed of people from all walks of life Young Gymnasium and university graduates rubbed elbows with former gardeners mechanics and office clerks while old fighters of the pre 1933 Nazi movement climbed the ladder of SS ranks alongside those who did not find their enthusiasm for Hitler's new order until after the Nazi seizure of power Within the confines of Heinrich Himmler's new knighthood was created a people's community in microcosm furnishing many a recruit a vehicle for upward social mobility Moving beyond earlier explanations of who provided the support for National Socialism Ziegler describes practices within the SS that were akin to a democracy of personnel selection and that resulted by 1939 in a leadership corps characterized by social heterogeneity rather than homogeneity Taking advantage of the detailed information contained in the thousands of SS personnel files located at the Berlin Document Center and using the tools of statistical analysis he also probes the connections between social reality and the ideological credos and promises of the Third Reich Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Hitler's Followers (RLE Nazi Germany & Holocaust) Detlef Muhlberger, 2014-09-04 When originally published in 1991 this book was the first systematic detailed evaluation of the social structure of the Nazi Party in several regions of Germany during its so called Kampfzeit phase Based on extensive archival material much of it left untouched since the end of the war until Detlef Muhlberger uncovered it the book demonstrates that the Nazi Party and its major auxiliaries the SA and the SS mobilized support which was remarkably heterogeneous in social terms The author reveals that in addition to followers from the middle and upper social classes the Nazi Party enjoyed strong support among the lower class and it was indeed as it claimed to be a people s party or Volkspartei

Inside Nazi Germany Detlev Peukert, 1987-01-01 Describes the experiences of ordinary people living in Nazi Germany explains how they aided or avoided Nazi programs and analyzes the use of terror against social outsiders

Nazi Machtergreifung Book Review: Unveiling the Power of Words

Nazi Machtergreifung Introduction

Nazi Machtergreifung Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Nazi Machtergreifung Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Nazi Machtergreifung : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Nazi Machtergreifung : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Nazi Machtergreifung Offers a diverse range of free eBooks across various genres. Nazi Machtergreifung Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Nazi Machtergreifung Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Nazi Machtergreifung, especially related to Nazi Machtergreifung, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Nazi Machtergreifung, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Nazi Machtergreifung books or magazines might include. Look for these in online stores or libraries. Remember that while Nazi Machtergreifung, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Nazi Machtergreifung eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Nazi Machtergreifung full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Nazi Machtergreifung eBooks, including some popular titles.

FAQs About Nazi Machtergreifung Books

1. Where can I buy Nazi Machtergreifung books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Nazi Machtergreifung book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Nazi Machtergreifung books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Nazi Machtergreifung audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Nazi Machtergreifung books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
