Billboard ,1998-07-04 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Listeners** Brian Hochman,2022-03-22 They've been listening for longer than you think A new history reveals how and why Wiretapping is nearly as old as electronic communications Telegraph operators intercepted enemy messages during the Civil War Law enforcement agencies were listening to private telephone calls as early as 1895 Communications firms have assisted government eavesdropping programs since the early twentieth century and they have spied on their own customers too Such breaches of privacy once provoked outrage but today most Americans have resigned themselves to constant electronic monitoring How did we get from there to here In *The Listeners* Brian Hochman shows how the wiretap evolved from a specialized intelligence gathering tool to a mundane fact of life He explores the origins of wiretapping in military campaigns and criminal confidence games and tracks the use of telephone taps in the US government's wars on alcohol communism terrorism and crime While high profile eavesdropping scandals fueled public debates about national security crime control and the rights and liberties of individuals wiretapping became a routine surveillance tactic for private businesses and police agencies alike From wayward lovers to foreign spies from private detectives to public officials and from the silver screen to the Supreme Court *The Listeners* traces the long and surprising history of wiretapping and electronic eavesdropping in the United States Along the way Brian Hochman considers how earlier generations of Americans confronted threats to privacy that now seem more urgent than ever *Billboard* ,1998-06-20 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **B.E.T. Weekend Magazine** ,1998 *Builder* ,2006 **Garden State Gangland** Scott M. Deitch,2017-12-08 The Mafia in the United States might be a shadow of its former self but in the New York New Jersey metro area there are still wiseguys and wannabes working scams extorting businesses running gambling selling drugs and branching out into white collar crimes And they are continuing a tradition that's over 100 years old Some of the most powerful mobsters on a national level were from New Jersey and they spread their tentacles down to Florida across the

Atlantic and out to California And many of the stories have never been told Deitche weaves his narrative through significant as well as some lesser known mob figures who were vital components in the underworld machine New Jersey s organized crime history has been one of the most colorful in the country serving as the home of some of the most powerful as well as below the radar mobsters in the Country And though overshadowed by the emphasis on New York City the mob and New Jersey have over the years become synonymous in both pop culture and in law enforcement But for all the press that has been dedicated to the mob and New Jersey for all the law enforcement activity against the mob and for all the pop culture references there has never truly been an examination of the rise of the mob in New Jersey from a historical perspective Until now In Garden State Gangland Scott M Deitche sets the historical record straight by providing the first overall history of the mob in New Jersey from the early turn of the century Black Hand gangs to the present and looks at how influential they were was not only to goings on the Garden State but across the New York metro region and the country as a whole

Gilmore,2025-02-04 Wearable technology including smartwatches biometric trackers and body cameras are often touted as helpful tools that record produce and analyze data about daily life to improve our individual habits and health or to solve serious public issues In this book James N Gilmore argues that these lofty promises mask forms of surveillance and power Charting the implementation of wearables in areas of accessibility health sports labor law enforcement and infrastructure Gilmore demonstrates how these devices have been positioned as authoritative means for producing knowledge about human activity Drawing on news reporting advertising film and television company reports and legal policies he shows how this knowledge production reproduces three distinct modes of power normalcy surveillance and solutionism Bringers of Order empowers readers to examine the complicated ways our devices reshape how we think about our lives and our ethics and why we should resist companies analyzing our personal data

The Mythology of Kobe Bryant Darvin Anton Adams,2022-10-21 Adams defines the mythology of Kobe Bryant as the ways and means in which Kobe s inspirational greatness transcended the culture of sport and the ever changing context of human existence as we know it Here the mythological greatness of Kobe Bryant in life and death leaves creative space for a knowledgeable interpretation of what made Kobe to borrow the word of LeBron James immortal Whether it was founded in the unfathomable amount of work that Kobe put into improving his basketball game from one year to the next or the creation of the Mamba Mentality that enabled him to teach others how to grow into the best version of themselves the symbiotic totality of Kobe s ability to be great while inspiring others is worth celebrating Utilizing biblical

studies and theological reflections this new volume presents Kobe Bryant as an imperfect human being Through statistical facts descriptive narratives and historical analyses this book also presents a detailed argument as to why Bryant is the greatest basketball player ever Kobe s Mamba Mentality gives a thick description of his inner drive and his outer thoughts for the purpose of unpacking the contours of Kobe s life as a family man businessman leader and professional athlete

Keepers of the Flame Travis Vogan,2014-03-15 NFL Films changed the way Americans view football Keepers of the Flame NFL Films and the Rise of Sports Media traces the subsidiary s development from a small independent film production company to the marketing machine that Sports Illustrated named perhaps the most effective propaganda organ in the history of corporate America Drawing on research at the NFL Films Archive and the Pro Football Hall of Fame and interviews with media pioneer Steve Sabol and others Travis Vogan shows how NFL Films has constructed a consistent romanticized and remarkably visible mythology for the National Football League The company packages football as a visceral and dramatic sequence of violent beautiful graceful and heroic gridiron battles Historically proven formulas for presentation such as the dramatic voiceovers once provided by John Facenda s baritone the soaring scores of Sam Spence s rousing background music and the epic poetry found in Steve Sabol s scripts are still used today From the Vincent Price narrated Strange but True Football Stories to the currently running series Hard Knocks NFL Films distinguishes the NFL from other sports organizations and from other media and entertainment Vogan tells the larger story of the company s relationship with and vast influence on our culture s representations of sport the expansion of sports television beyond live game broadcasts and the emergence of cable television and Internet sports media Keepers of the Flame NFL Films and the Rise of Sports Media presents sports media as an integral facet of American popular culture and NFL Films as key to the transformation of professional football into the national obsession commonly known as America s Game **The Sporting News** ,1980
