Exchange Rate Regimes and Macroeconomic Management in Asia Tony Cavoli, Ramkishen S. Rajan, 2009-06-01 With the rise of China India and the re emergence of East Asia from the financial crisis of 1997 98 monetary issues in Asia have acquired great significance as the region holds the largest reserves in the world and consequently plays a major role in the global macro economy In addition there are also a great variety of monetary policy regimes at play in the region reflecting each country s needs and policy preferences This volume explores monetary exchange rate and macroeconomic policies in Asia A particular question that is analysed is Asia s experience since the crisis with the use of monetary policy to manage the resurgence in capital inflows It also examines the theoretical and policy issues associated with international capital flows the increasing degree of integration of financial markets and exchange rates for emerging Asian economies The book is unique in focussing on China India and Southeast Asia rather than just having a sub regional or country specific focus Rigorous empirical analysis is applied to important practical policy issues The book also provides accessible overviews of recent research relevant to the questions that are explored and is written throughout in a manner that is accessible to policy makers students and business financial journalists

**Theory of Macroeconomic Policy** Christopher Tsoukis, 2020-10-29 Theory of Macroeconomic Policy reviews the theoretical foundations of macroeconomic fiscal and monetary policy It offers a panoramic view of macroeconomic theory covering a wide range of topics that are not customarily dealt with in macroeconomics texts as well as more standard material Advanced theory is bridged with more elementary or intermediate material and established models are reviewed alongside current research directions There is an extensive review of empirical evidence on virtually every topic supplemented by narrative accounts for various episodes The policy implications of the various theories are emphasised throughout The chapters are largely self contained so that different courses can focus at different places A Guidance for Further Study Section and extensive bibliography give plenty of ideas for all levels of independent study from Undergraduate Projects to MSc Dissertations to PhD Theses Theory of Macroeconomic Policy presents a balance between breadth as well as depth analytical treatment and intuition theory and evidence vintage theories and current directions theory and policy established theory and debate Theory of Macroeconomic Policy is an affirmation that there is a well developed body of theory that is invaluable for an in depth understanding of the macro economy and policy equally there is much scope for critical discussion and debate
