Near East A Modern History:

The Near East, a Modern History William Yale, 1968 *The Near East* William Yale, 1968 *The Near East* Arthur Cotterell, 2017-08-15 This ambitious and wide ranging popular history is the first narrative account of the entire Near East Turkey Iraq Syria Lebanon Jordan Israel Saudi Arabia and the Gulf States from the genesis of civilization in the fourth millennium BCE until modern times It provides an historical outline of the civilizations and cultures that dominated the region one that has had an immense impact on the development of humankind ever since the ancient Sumerians invented urban living and writing around 3200 BCE Later the Babylonians and the Assyrians built upon the Sumerian legacy They were the world's earliest great powers whose actions in the cradle of monotheism influenced Judaism and eventually Christianity and Islam The Near East discusses the long eras of Arab Persian and Ottoman rule and the destabilizing intervention of Western colonial powers Cotterell's book is a timely reminder of how historical events have shaped the outlooks of various peoples just as political turbulence in the Near East is challenging both neighboring countries and the wider world *The Persians Amongst the English* Denis Wright, 1985-12-31 **The Making of the Modern Near East 1792-1923** Malcolm Yapp, 2014-01-09 This clear and authoritative text surveys the history of the region from the collapse of the Ottoman Empire to the present day It contains a general regional introduction followed by a series of country by country analyses and a section which places the Near East in the international context Professor Yapp's new edition covers recent dramatic events including the end of the Cold War the Kuwait Crisis of 1990-91 and the continuing conflict in Israel as well as assessing the huge social and economic changes in the region It will be essential reading for students and scholars concerned with modern middle eastern history and politics of the middle east **The Middle East in Modern World History** Ernest Tucker, 2019-01-30 The Middle East in Modern World History examines how global trends over the last 200 years have shaped the Middle East and how these trends were affected by the region's development Covering a key period in the history of the Middle East this book highlights three major trends within the region's development over the past two centuries the role of the region as a strategic conduit between East and West the development of the region's natural resources especially oil and the impact of a rapidly globalizing world economy on the Middle East This new edition extends coverage to the present day and includes more thematic and interpretive discussion on the impact of global migration and the evolution of the roles of women It also provides more theoretical insights into current historical research and recent developments in the region firmly placing these developments within their historical context Clearly written and supported throughout by maps images discussion questions and suggestions for further reading as well as including a comprehensive chronology and glossary that enable readers to develop a clearer picture of political economic social and cultural life within the region The Middle East in Modern World History is the perfect textbook for all students of the history of the modern Middle East within a global context *A Modern History of New Haven and Eastern New Haven County* Everett Gleason

Hill,1918 A History of Stability and Change in Lebanon Joseph Bayeh,2017-06-30 Lebanon is a country whose domestic politics have even more than others in the region been at the mercy of changes on the international stage Having been under Ottoman and French rule in the nineteenth and early twentieth centuries the post World War II era has seen Lebanon subjected to Israeli Syrian and American interventions which have all threatened the country's stability as a state Joseph Bayeh argues that it is this international dimension which holds the key to an in depth understanding of the country In support of this argument Bayeh examines Lebanese history from its early days under the Ottomans to the present day in order to show how international shifts and conflicts have had their impact on Lebanon With changes such as the fall of the Ottoman empire the rise of US power after World War II the end of the Cold War and the new focus on the region in the aftermath of 9 11 Lebanon has at various junctures been bolstered or undermined Bayeh tracks all of this offering insights into the workings of Lebanon's domestic politics which will appeal to researchers of the international relations of the Middle East and Lebanon's political history **Field Notes** Zachary Lockman,2016-03-30 Field Notes reconstructs the origins and trajectory of area studies in the United States focusing on Middle East studies from the 1920s to the 1980s Drawing on extensive archival research Zachary Lockman shows how the Carnegie Rockefeller and Ford foundations played key roles in conceiving funding and launching postwar area studies expecting them to yield a new kind of interdisciplinary knowledge that would advance the social sciences while benefiting government agencies and the American people Lockman argues however that these new academic fields were not simply a product of the Cold War or an instrument of the American national security state but had roots in shifts in the humanities and the social sciences over the interwar years as well as in World War II sites and practices This book explores the decision making processes and visions of knowledge production at the foundations the Social Science Research Council and others charged with guiding the intellectual and institutional development of Middle East studies Ultimately Field Notes uncovers how area studies as an academic field was actually built a process replete with contention anxiety dead ends and consequences both unanticipated and unintended **Catalogue of the University of Michigan** University of Michigan,1960 Announcements for the following year included in some vols the new cambridge modern history. volume xii , **Miracles, Political Authority and Violence in Medieval and Early Modern History** Matthew Rowley,Natasha Hodgson,2021-11-11 This volume examines how historical beliefs about the supernatural were used to justify violence secure political authority or extend toleration in both the medieval and early modern periods Contributors explore miracles political authority and violence in Orthodoxy Roman Catholicism various Protestant groups Judaism Islam and the local religious beliefs of Pacific Islanders who interacted with Christians The chapters are geographically expansive with contributions ranging from confessional conflict in Poland Lithuania to the conquest of Oceania They examine various types of conflict such as confessional struggles conversion attempts assassination and war as well as themes including diplomacy miraculous iconography toleration theology and rhetoric Together the

chapters explore the appropriation of accounts of miraculous violence that are recorded in sacred texts to reveal what partisans claimed God did in conflict and how they claimed to know The volume investigates theories of justified warfare changing beliefs about the supernatural with the advent of modernity and the perceived relationship between human and divine agency Miracles Political Authority and Violence in Medieval and Early Modern History is of interest to scholars and students in several fields including religion and violence political and military history and theology and the reception of sacred texts in the medieval and early modern world *University of Michigan Official Publication* ,1949 **A**
