**Office Hours** Katrina Jackson, 2020-04-30 What s life like on the tenure track For Assistant Professor of Sociology Dr Deja Evans it sucks Hard Every day Between the class prep the meetings grading student work trying to find time to complete her own research and the meetings she didn t have a life she had a digital calendar that decided whether she got to wallow in her feelings at 3pm or 7pm on Thursday or maybe Sunday And the worst meeting of them all was the two and a half hour once a month Faculty Senate which was drier than her dating life duller than her skin in winter and far longer than her attention span The only thing that made those never ending Faculty Senate meetings bearable was watching Dr Alejandro Mendoza Associate Professor of History breathe For years Deja had harbored a kind of secret crush on the sexiest man on campus never thinking that he would ever feel the same until one unexpected day they have a steamy after hours encounter in her office and suddenly her life seems much more exciting That lasts about half a minute Over the course of a hectic academic year Deja tries to survive her classes help her students prepare herself for her third year review and most important of all she has to learn how to get out of her own way and just let Alejandro love her

**In Office Hours** Lucy Kellaway, 2024-09-24 Kellaway s keen observations on the way in which affairs move from state to state are a masterclass on office love bringing to life both the excitement of illicit romance and the ridiculousness of business behavior Stella and Bella are two intelligent working women who each fall for impossible lovers at work Equal parts intelligent funny moving and agonizing In Office Hours will resonate with any woman who has ever worked in an office or been in love Kellaway hits a real nerve with her depictions of how people come to get into the emotional messes that we do and how very
