Perspectives On The Memorandum Policy Practice And Research In Investigative Interviewing

Rebecca Milne, Ray Bull

Perspectives On The Memorandum Policy Practice And Research In Investigative Interviewing:

Perspectives on the Memorandum Helen Westcott, Jocelyn Jones, 2018-10-03 First published in 1997 this volume provides an accessible yet comprehensive update on the Government's Memorandum of Good Practice on Video Recorded Interviews with Child Witnesses for Criminal Proceedings A wide range of authors with direct experience of the Memorandum provide both an introduction to its development and a contemporary critique of its implementation This is a unique volume offering a multi disciplinary assessment of policy practice and research issues concerning the Memorandum its role and implementation It is invaluable reading for all professionals working with children in the fields of child protection and criminal justice

Investigative Interviewing Rebecca Milne, Ray Bull, 2025-12-30 Professors Milne and Bull have produced an updated magnum opus of the science of investigative interviewing It is not only an indispensable substitute for the cruelty of torture and coercion in solving crime as this volume demonstrates it is also a much more effective way of establishing the truth and assigning responsibility which is the only legitimate object of criminal investigations JUAN E MENDEZ Former UN Special Rapporteur on Torture 2010 2016 *Investigative Interviewing Psychology and Practice* 1999 was nothing short of the clearest most comprehensive approach on how to effectively interview in a criminal context while adhering to the highest possible ethical principles Milne and Bull are back with a new edition of their landmark text updating it to include as contributors many of the scholars who have been influenced by the original This edition is sure to inspire another generation of practitioners and researchers to pursue truth and justice in investigative interviews CHRISTOPHER E KELLY PhD Professor of Criminal Justice Saint Joseph's University USA Co Director International Investigative Interviewing Research Group This second edition of *Investigative Interviewing Psychology and Practice* is a rare achievement The Editors have brought together a stellar group of contributors to create more than a textbook it's a bridge between research and the realities of investigative work This is a vital resource for anyone committed to ethical and effective investigations one that informs challenges and ultimately helps improve the way investigations are conducted PAULO BARBOSA MARQUES Inspector Policia Judiciaria Become a well informed and skilled investigative interviewer In the newly revised second edition of *Investigative Interviewing Psychology and Practice* a team of distinguished forensic psychologists and practitioners deliver an up to date and practical guide to the psychological concepts and evidence based research that underpin and inform investigative interviewing The editors have included works that examine the foundational skills and processes that make up the ethical interviewing of witnesses victims and those suspected of crime Each chapter is written by a group of contributors who are leaders in their field Readers will also find A thorough introduction to the principles of memory formation and their implications for investigative interviewing Comprehensive explorations of the cognitive interview and examination concerning how to help those who are deemed vulnerable with complex needs to give reliable information Practical discussions of how to manage conversations detect truth deceit and develop rapport based interpersonal techniques Fulsome

treatments of how to convince members of an investigative organisation to adopt the techniques and strategies discussed in the book Perfect for aspiring and practicing professionals engaged in the interviewing of participants in the criminal justice and investigation processes Investigative Interviewing Psychology and Practice will also benefit solicitors barristers social workers and judges with an interest in the art and science of interviewing

Handbook of Psychology in Legal Contexts David Carson,Ray Bull,2003-07-11 The second edition of this popular international handbook highlights the developing relationship between psychology and the law Consisting of all new material and drawing on the work of practitioners and academics from the UK Europe North America and elsewhere this volume looks not only at the more traditional elements of psychology and the law the provision of psychological assessments about individuals to the courts but also many of the recent developments such as the interaction between psychologists and other professionals decision making by judges and juries and the shaping of social policy and political debate Contemporary and authoritative in its scope the second edition of The Handbook of Psychology in Legal Contexts will again prove to be a valuable resource for scholars and students as well as being a vital tool for all professionals working in the field Well known editors and an international list of authors most of whom are leaders in their field Focus on psychological concepts and knowledge that will enlighten best practice and research The focus on process and issues ensures that the book is not limited in interest by specific legal codes or legislation it is international More than an updating of the old chapters really a rethinking of the field and what is now important and emerging

A Guide to Interviewing Children Claire Wilson,Martine Powell,2012-11-12 Children may be witnesses to crimes or accidents or suspected victims of abuse or neglect or they may be involved in some form of legal action such as custody cases In these situations they may need to be interviewed formally and if this is not done properly incorrect or inadequate information may be recorded or the child s position may not be correctly represented later in court In cases of child abuse the child may not be the only witness and the quality of their verbal evidence is critical A Guide to Interviewing Children is a practical guide the evidential interviewing techniques needed by a range of professionals social workers forensic psychologists lawyers police and teachers It outlines basic techniques explains how to deal with children of different ages from pre school to fifteen years how to deal with parents the particular issues of sexual abuse handling multiple interviews of one child and so on It is written for an international readership and will be more practical and cover a broader range of contexts than the other titles currently available

Creative Responses to Child Sexual Abuse Sue Richardson,Heather Bacon,2003-01-15 Using attachment theory as a foundation this book addresses in depth the acute practice dilemmas concerning children who despite the climate of increased awareness multi disciplinary cooperation and legislative and procedural change cannot easily be protected The contributors give guidelines for working with the children

Studies in the Assessment of Parenting Peter Reder,Sylvia Duncan,Claire Lucey,2004-06-02 Offers a review of the latest literature but moreover a practical guide essential to professionals who give their expert opinions to courts in child

care cases *Children's Testimony* Helen L. Westcott, Graham M. Davies, Ray Bull, 2003-11-14 *Children's Testimony* offers a comprehensive and up to date assessment of issues relating to children's evidence Starting with psychological underpinnings and child protection considerations the reader is taken through a clearly structured and timely collection of chapters from internationally renowned contributors Pointers for practitioners are clearly highlighted throughout and a unique jargon free glossary of psychological terms encountered in child witness research is included making this a highly practical text An accessible review of existing knowledge and preview of new and recent developments in psychological research and forensic practice An outstanding group of international contributors Offers a broad scope that considers all the key areas of research and practice **The Routledge Handbook of Forensic Linguistics** Malcolm Coulthard, Alison May, Rui Sousa-Silva, 2020-11-24 The Routledge Handbook of Forensic Linguistics offers a comprehensive survey of the subdiscipline of Forensic Linguistics with this new edition providing both updated overviews from leading figures in the field and exciting new contributions from the next generation of forensic linguists The Handbook is a unique work of reference to the leading ideas debates topics approaches and methodologies in forensic linguistics and language and the law It comprises 43 chapters including entirely new contributions from many international experts in the areas of Aboriginal claimants appraisal and stance author identities online biased language in capital trials corpus approaches false confessions forensic phonetics forensic transcription the historical courtroom legal interpretation multilingual law police crisis negotiation speaker profiling and trolling The chapters include a wealth of examples and case studies so the reader can see forensic linguistics applied and in action Edited and authored by the world's leading academics and practitioners The Routledge Handbook of Forensic Linguistics is a vital resource for advanced students researchers and scholars and will also be of interest to legal law enforcement and security professionals **Children's Rights and the Developing Law** Jane Fortin, 2003-04 This text considers the developing law in England and Wales as it applies to the burgeoning and confusing subject of the rights of children It examines the extent to which the emerging legal principles can be harnessed to fulfil those rights **Child Sexual Abuse: Whose Problem?** Sue Richardson, Heather Bacon, 2018-09-26 In Cleveland in 1987 a medical diagnosis of child sexual abuse was made in 127 children resulting in their removal from home The consequent intense scrutiny and public criticism around the case together with the subsequent Butler Sloss inquiry resulted in the medical evidence being discredited giving rise to a system which relies on children to speak out about their abuse This book argues that this 1987 crisis continues to shape child protection today resulting in opportunities to protect children being missed Now re issued with a substantial new introduction and concluding reflections this book provides the only account by key professionals directly involved in the Cleveland cases allowing readers to understand what really took place in Cleveland and why it continues to matter today It analyses the many failures to address the plight of sexually abused children and makes constructive suggestions for the way forward to provide more effective interventions for children at risk
