Philosophical Essays East and West Michael Slote, 2023-09-27 The book is a much expanded version of the Kuang Yi Liu Lectures in Chinese Philosophy the author delivered in Taiwan in December 2022 The book brings together essays on Chinese philosophy Western philosophy and the proposed interaction between them The purpose is not mainly exegetical or descriptive the book seeks to expand our philosophical understanding in various directions *Philosophical Essays East and West* shows how Chinese thought can help Western analytic philosophy develop further and can even serve as a corrective to certain central aspects of traditional and contemporary Western philosophical thinking We Western analytic philosophers don't think we have much if anything to learn from Chinese philosophical ideas But we do we do and much of the present book seeks to show how Studying topics in ethics philosophy of mind epistemology and aesthetics this book puts Chinese philosophy in conversation with traditional problems in Western analytic philosophy It also proposes aphorism as an important method in both traditions

Philosophical Questions Bina Gupta, Jitendra Nath Mohanty, 2000 *Philosophical Questions East and West* is an anthology of source material for use in comparative courses in philosophy religion and the humanities The readings derived from the great works of the Indian Chinese Japanese Islamic and Western intellectual traditions are presented as answers to some of the most enduring questions in philosophy Discussions are arranged under the headings of epistemology

metaphysics ethics philosophy of religion aesthetics and the nature of human being Each section begins with an introductory essay in which the leading questions and their responses from different traditions are presented in overview Philosophical Questions raises the central questions of comparative philosophy and eloquently argues the need for discarding familiar clichés to make a fresh unprejudiced study of these traditions *Comparative Philosophy without Borders* Arindam Chakrabarti, Ralph Weber, 2015-11-19 *Comparative Philosophy without Borders* presents original scholarship by leading contemporary comparative philosophers each addressing a philosophical issue that transcends the concerns of any one cultural tradition By critically discussing and weaving together these contributions in terms of their philosophical presuppositions this cutting edge volume initiates a more sophisticated albeit diverse understanding of doing comparative philosophy Within a broad conception of the alternative shapes that work in philosophy may take this volume breaks three kinds of boundaries between cultures historical periods and sub disciplines of philosophy such as metaphysics epistemology ethics aesthetics and political philosophy As well as distinguishing three phases of the development of comparative philosophy up to the present day the editors argue why the discipline now needs to enter a new phase Putting to use philosophical thought and textual sources from Eurasia and Africa contributors discuss modern psychological and cognitive science approaches to the nature of mind and topics as different as perception poetry justice authority and the very possibility of understanding other people *Comparative Philosophy without Borders* demonstrates how drawing on philosophical resources from across cultural traditions can produce sound state of the art progressive philosophy Fusing the horizons of traditions opens up a space for creative conceptual thinking outside all sorts of boxes *Philosophy East / West* Oren Ergas, Sharon Todd, 2016-01-26 *Philosophy East West* showcases new scholarship in the philosophy of education and contemplative studies paying particular attention to the intersection of mindfulness evidence based science and wisdom traditions Moves beyond simplistic explanations of Eastern and Western to explore the complexity and diversity of various wisdom traditions Investigates the effect of mindfulness based curricular interventions on current educational theory and practice Uses insights from important Western philosophers including Heidegger Levinas and Foucault to situate contemplative practice within contemporary educational theory Emphasizes the importance of transcultural and intercultural approaches in the philosophy of education **Ethical Questions** Bina Gupta, 2002-04-23 *Ethical Questions East and West* is an anthology of source material from various Eastern and Western traditions addressing fundamental and enduring questions in moral philosophy It is intended for use in undergraduate level comparative ethics courses Each section begins with an introductory essay in which the leading ethical questions and their responses from different traditions are presented in overview Sections are centered around ethical questions such as Who Am I What Ought I to Do What Kind of Person Ought I to Be Questions of religion and morality freedom and the just society are also included Ancient and modern sources are examined ranging from the Buddha Aristotle and Upanishads to Kant Simone de Beauvoir and Alasdair MacIntyre *Ethical*

Questions provides a comprehensive comparative introduction to key ethical concepts stressing the importance of diverse traditions in the global community and encouraging understanding between and among traditions *Anthology of Philosophical and Cultural Issues* Yijie Tang, 2016-08-02 This book argues that a general understanding of traditional Chinese philosophy can be achieved by a concise elaboration of its truth goodness and beauty that goodness and beauty in Chinese philosophy combined with the integration of man and heaven knowledge and practice scenery and feeling reflect a pursuit of an ideal goal in traditional Chinese philosophy characterized by the thought mode uniting man and nature This book also discusses the anti traditionalism of the May Fourth Movement explaining that the true value of sagacity theory in traditional Chinese philosophy especially in Neo Confucianism in the Song and Ming dynasties lies in its insights into universal life In addition existing ideas issues terminologies concepts and logic of Chinese philosophical thought were actually shaped by Western philosophy It is necessary to be alienated from traditional status for the creation of a viable Chinese philosophy Modern Chinese philosophy in the 1930s and 1940s was comprised of scholarly work that characteristically continued rather than followed the traditional discourse of Chinese philosophy That is to say in the process of studying and adapting Western philosophy Chinese philosophers transformed Chinese philosophy from traditional to modern In the end of the book the author puts forward the idea of a New Axial Age He emphasizes that the rejuvenation of Chinese culture we endeavor to pursue has to be deeply rooted in our mainstream culture with universal values incorporating cultures of other nations especially the cultural essence of the West *Heidegger, Rorty, and the Eastern Thinkers* Wei Zhang, 2012-02-01 Wei Zhang joins the ongoing hermeneutic quest for understanding and appropriating the East West encounter and cross cultural engagement by exploring Martin Heidegger's and Richard Rorty's cross cultural encounters with Eastern thinkers Zhang begins by examining Rorty's correspondence with Indian philosopher Anindita N Balslev outlining their debate about the discipline of comparative philosophy and curriculum reform as well as the nature or origin of philosophy itself She then focuses on the dialogue between Heidegger and a Japanese professor concerning the nature of human language and discusses whether Heidegger's view of language allows for a true understanding between East and West or whether it admits only misunderstanding and prejudice are possible Finally the author presents a conceptual dialogue with Heidegger's primary text on hermeneutics and phenomenology *Ontology The Hermeneutics of Facticity* Utilizing the dialogues and correspondence between Heidegger Rorty and the Eastern thinkers as textual examples Zhang deconstructs and recovers layers of misconceptions of the various interpretations of the East West encounter **A Saint for East and West** Daniel Haynes, 2019-01-10 In 1054 CE the Great Schism between Eastern and Western Christianity occurred and the official break of communion between the two ancient branches of the church continues to this day There have been numerous church commissions and academic groups created to try and bridge the ecumenical divides between East and West yet official communion is still just out of reach The thought of St Maximus the Confessor a saint of both churches provides a unique

theological lens through which to map out a path of ecumenical understanding and hopefully reconciliation and union Through an exposition of the intellectual history of Maximus theological influence his moral and spiritual theology and his metaphysical vision of creation a common Christianity emerges This book brings together leading scholars and thinkers from both traditions around the theology of St Maximus to cultivate greater union between Eastern and Western Christianity

Democracy in a Global World Deen K. Chatterjee, 2008 The chapters in this volume deal with timely issues regarding democracy in theory and in practice in today's globalized world Authored by leading political philosophers of our time they appear here for the first time The essays challenge and defend assumptions about the role of democracy as a viable political and legal institution in response to globalization keeping in focus the role of rights at the normative foundations of democracy in a pluralistic world Through an examination of key topics of current relevance with contrasting views of the leading theorists the chapters address the most relevant theories and forms of globalization traditional democratic paradigms and their limits public deliberation and democratic participation the moral hazards of imperial democracy and the future of liberal democracy In addition to suggesting new perspectives on democracy they use the current debate on justice human rights sovereignty and cultural relativism to shed light on enduring questions about politics culture and global development This timely and provocative collection will be of interest to anyone concerned with democracy human rights global justice economic development poverty international law peace and various aspects of globalization **Philosophy East & West**
