## **Point Man How A Man Can Lead A Family:**

Point Man, Revised and Updated Steve Farrar, 2022-04-26 The bestselling guide for Christian men who want to lead their families well is now revised and updated to help fathers and husbands navigate the complexities of today's challenges. Most men want to be strong spiritual leaders of their families. They just don't know how because they've never seen it modeled. That's why Steve Farrar wrote *Point Man* thirty years ago. With more than half a million copies sold, it's the go-to resource for how to faithfully lead and love your family, walk boldly through challenging seasons of marriage and parenting, stand firm against personal temptation, and forge a faith that shines bright. Yet the war on the family has only intensified since this trusted guide first came out. Whether through entertainment, social media, or legislation, our world seems determined to undermine the traditional family, which means faithful spiritual leadership is needed more than ever. This revised and updated edition will equip you to confidently navigate the cultural and societal forces affecting your family, such as shifting views of masculinity and femininity, the declining influence of church, and faith-fractured perspectives on morality. Packed with powerful inspiration, clear biblical direction, and contemporary examples, *Point Man* provides the strategies you need to lead your family safely through today's battles and on to victory. *Point Man* Steve Farrar, 2009-03-25 This bestselling classic encourages and equips Christian men to lead their families successfully through hazards and ambushes like divorce, promiscuity, suicide, and drug addiction. Men will find practical insight on topics such as a father's influence, maintaining purity, and husband and wife teamwork. In this war, renowned men's author Steve Farrar emphasizes Jesus Christ is looking for men who will not die but live for their families.

*Evangelical Identity and Gendered Family Life* Sally K. Gallagher, 2003 *Evangelical Identity and Gendered Family Life* provides a sociological and historical analysis of gender, family, and work among evangelical Protestants. In this innovative study, Sally Gallagher traces two lines of gender ideals: one of husbands' authority

and leadership the other of mutuality and partnership in marriage from the Puritans to the Promise Keepers into the lives of ordinary evangelicals today Rather than simply reacting against or accommodating themselves to secular society Gallagher argues that both traditional and egalitarian evangelicals draw on longstanding beliefs about gender human nature and the person of God The author bases her arguments on an analysis of evangelical family advice literature data from a large national survey and personal interviews with over 300 evangelicals nationwide No other work in this area draws on such a range of data and methodological resources *Evangelical Identity and Gendered Family Life* establishes a standard for future research by locating the sources strategies and meaning of gender within evangelical Protestantism

*Jesus and John Wayne: How White Evangelicals Corrupted a Faith and Fractured a Nation* Kristin Kobes Du Mez, 2020-06-23 NEW YORK TIMES BESTSELLER The paradigm influencing book Christianity Today that is fundamentally transforming our understanding of white evangelicalism in America *Jesus and John Wayne* is a sweeping revisionist history of the last seventy five years of white evangelicalism revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism or in the words of one modern chaplain with a spiritual badass As acclaimed scholar Kristin Du Mez explains the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism Many of today's evangelicals might not be theologically astute but they know their VeggieTales they've read John Eldredge's *Wild at Heart* and they learned about purity before they learned about sex and they have a silver ring to prove it Evangelical books films music clothing and merchandise shape the beliefs of millions And evangelical culture is teeming with muscular heroes mythical warriors and rugged soldiers men like Oliver North Ronald Reagan Mel Gibson and the Duck Dynasty clan who assert white masculine power in defense of Christian America Chief among these evangelical legends is John Wayne an icon of a lost time when men were uncowed by political correctness unafraid to tell it like it was and did what needed to be done Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons Du Mez reveals that Trump in fact represented the fulfillment rather than the betrayal of white evangelicals most deeply held values patriarchy authoritarian rule aggressive foreign policy fear of Islam ambivalence toward MeToo and opposition to Black Lives Matter and the LGBTQ community A much needed reexamination of perhaps the most influential subculture in this country *Jesus and John Wayne* shows that far from adhering to biblical principles modern white evangelicals have remade their faith with enduring consequences for all Americans

*Rise Up, O Men of God* L. Dean Allen, 2002 L Dean Allen analyzes both groups constructions of masculinity and social ethics in relation to the family the church and a prominent social issue Evangelical Christian leaders designed both organizations in response to their alarm at men's absence from evangelical churches and they sought to increase men's participation in churches and to improve society as a whole by their efforts Each group faced important social changes during its era such as new economic realities women's activities and perceived moral crises Despite

their similarities as groups for evangelical Christian men only MRFM and PK developed contrasting constructions of masculinity and divergent social ethical calls for action **BOOK JACKET The Joy of a Word Filled Family** BFM Books,2007-06 Gettin' There Steve Farrar,2011-05-04 In *Gettin' There* bestselling author Steve Farrar delves into the book of Psalms to give men a new sense of continuity direction purpose and perspective The Psalms are like a marked trail through life showing that others have walked ahead and faced many of the challenges temptations heartaches and perplexities that men will encounter on their journeys Farrar shows that when a man begins to understand that the strong and caring hand of God is sovereign over everything in his life including his trials and heartaches his confidence hope and joy will increase dramatically in the God who created him and desires to use him **Women and Public Theology** Cutter, Elissa,Murray, Allison,2024 Even in the twenty first century women working in the field of Christian theology still find it necessary to insist on being heard In order to provide a platform for these women the blog Women in Theology WIT was started which hosts contributions from a spectrum of Christian traditions Catholic Eastern Orthodox and Protestant This collection is a curated and edited selection of posts from WIT along with new pieces from regular WIT contributors Some of the contributors may not be well known now but we will surely be hearing more from them in the future *Overcoming Overload* Steve Farrar,2004-06-03 There is no more room in our lives Yet every new day brings more commitments demanding to be squeezed in *Overcoming Overload* helps frenzied men and women weed out wrong ideas about life and rediscover God s essential principles of balanced living including You Need a Sabbath You Need Sustenance You Need to Simplify You Need a Sanctuary This biblical way of life promises rest satisfaction and contentment amidst daily responsibilities Leave the overwhelmed life and discover the abundant life You live a full life very full You re running on a treadmill going faster and faster It s a push to fit everything in family career friends fitness finances at a pace that never quits Add a sudden dose of the unexpected the heavy things that demand an emotional response and the stress can be overwhelming Is there any relief in sight Yes Far from time management strategies Steve and Mary Farrar search through the Scriptures showing you where to find sanctuary from the demands of modern life The Farrar s boldly encourage you to examine the beliefs that drive you to distraction and discover how to trade them for practices that restore your strength and vitality For whatever weighs you down you can offload the excess and prevent burnout Leave the overwhelmed life and discover the abundant life **Evangelicals** Mark A. Real Valor Steve Farrar,2013-04-01 We need to take a long hard look at Boaz He was an average Joe but God was at work in every circumstance of his life not only for him but for generations of his children yet to come By the way that s exactly what the Lord is doing in your life Boaz became a part of the greatest story in history when he made his decision to marry Ruth In a culture that deflates masculinity and reflects the sad state of fatherhood in our world today Boaz stands as an example of true biblical manhood In the pages of Real Valor Steve Farrar s third installment in the Bold Men of God series find the courage to rise up and shepherd your family in the way of Boaz *New Horizon in Male-Female Relationships* David Samuel Green,2010-04-09 New Horizon in Male Female Relationships attempts to break new ground in the discourse on gender equality love happiness and marriage Author David Samuel Green succeeds admirably and wastes no time in tracing the evolution of human relationships But he also puts forward new theories regarding the state of relations between males and females across the globe including married couples What Green s new book further accomplishes lies in its no holds barred exploration of matters of the heart Specifically the author examines methods we can employ to eliminate problems that tend to hamper our relationships and shows us how best to get the most out of our unions with emphasis on how product thinking and egalitarianism assist remarkably Besides offering solutions for troubled marriages and other relationships the book also extols several concepts that go hand in hand with love and happiness At the same time it becomes clear that if we want our unions and partnerships to work we have to bring the right attitude to the table After all as we learn the ingredients for a successful relationship must include compassion forgiveness and understanding *DISCIPLESHIP* Gary Beisheim,2024-01-17 This book is a must read for every Christian desiring to deepen and strengthen their relationship with Jesus Christ The author provides a renewed insight for the church and for individuals into being and making disciples by going back to the historic roots of the word disciple i e what it meant in ancient times He also demonstrates what Jesus really meant when He said Go make disciples Mr Beisheim also shows how the word and concept have become distorted and watered down in all but a few churches in America In today s world it is just a concept or a course or a program using terms like mentoring or coaching you will find it is so much more The author does this by redefining what the word disciple and making disciples really means Then the author explains Jesus s only two commands love God and love one another Finally the author spends time on what to teach others ways in which you and Christ can really dive deep and get to know each other The result is a radically renewed way of thinking about being a disciple not merely an occasional churchgoer and making disciples and life itself and how this concept can shape a way of living that affects every relationship you have This is not some concept that worked only in Jesus s day but one which works today in our world as illustrated and attested to by the

author 2     **Remaking the Godly Marriage** John P. Bartkowski, 2001 In *Remaking the Godly Marriage* John Bartkowski studies evangelical Protestants and their views on marriage and gender relations and how they are lived within individual families. The author compares elite evangelical prescriptions for godly family living with the day to day practices in conservative Protestant households. He asks: How serious are the debates over gender and the family that are manifested within contemporary evangelicalism? What are the values that underlie this debate? Have these internecine disputes been altered by the emergence of new evangelical movements such as biblical feminism and the Promise Keepers? And given the fact that leading evangelicals advance competing visions of godly family life, how do conservative religious spouses make sense of their own family relationships and gender identities?     [Our Father\(less\) Story: 12 Potraits of Fatherless Indonesian English edition](#) Rachmat Reza, 2020-04-26 The book is a research on 12 fatherless Indonesian on the effects of their fatherlessness on their life's development from childhood to adulthood. In order to know about fatherlessness, we must know about them first. What you see on the surface is not the same as what is happening inside. See past the hurt and father wound and get to know the real fatherless boy and girl behind the mask.     *Get in the Ark* Steve Farrar, 2023-12-19 Steve Farrar says: If you want to know what is going to happen in the future, then you have to look back to the past. His recommended reading list for understanding the future through the past: The biblical prophets. Through his own study of the prophets, Farrar is convinced that America is on the brink of judgment. He says: The problem with America is not the unbelieving world. The problem with America is the people of God. Our gospel is cancelled by the way we live. With *Get In The Ark*, Farrar gives Christians the tools they need to victoriously face the coming judgment.
