t make ritual part of some religious observance we still fall into ritual behavior whether it be our daily grooming sequence or the way we have our morning coffee and paper We run through our personal rituals unconsciously most of the time but there is great value to introducing meaningful symbolic rituals into our lives and to performing them deliberately and mindfully because the way we do ritual affects the way we live the rest of our lives The book includes instructions for a simple Zen home liturgy as it is practiced by students of the Mountains and Rivers Order of Zen
