Poison River

Enrique García

Poison River:

Alternative Comics Charles Hatfield, 2009-11-12 In the 1980s a sea change occurred in comics Fueled by Art Spiegelman and Francoise Mouly's avant garde anthology *Raw* and the launch of the *Love Rockets* series by Gilbert Jaime and Mario Hernandez the decade saw a deluge of comics that were more autobiographical emotionally realistic and experimental than anything seen before These alternative comics were not the scatological satires of the 1960s underground nor were they brightly colored newspaper strips or superhero comic books In *Alternative Comics An Emerging Literature* Charles Hatfield establishes the parameters of alternative comics by closely examining long form comics in particular the graphic novel He argues that these are fundamentally a literary form and offers an extensive critical study of them both as a literary genre and as a cultural phenomenon Combining sharp eyed readings and illustrations from particular texts with a larger understanding of the comics as an art form this book discusses the development of specific genres such as autobiography and history *Alternative Comics* analyzes such seminal works as Spiegelman's *Maus* Gilbert Hernandez's *Palomar* *The Heartbreak Soup* *Stories* and Justin Green's *Binky Brown Meets the Holy Virgin Mary* Hatfield explores how issues outside of cartooning the marketplace production demands work schedules can affect the final work Using Hernandez's *Palomar* as an example he shows how serialization may determine the way a cartoonist structures a narrative In a close look at *Maus* *Binky Brown* and Harvey Pekar's *American Splendor* Hatfield teases out the complications of creating biography and autobiography in a substantially visual medium and shows how creators approach these issues in radically different ways

The Call to the Soul Marjory Zoet Bankson, 2004-06-01 Each major life transition gives us a chance Bankson proposes to name what we are here for Using mythical archetypes biblical and personal stories she presents a revealing six stage soulwork cycle to help us find our calling A valuable resource for people seeking to nurture their spiritual growth individually in groups or with a spiritual director Includes a format for a soulwork retreat

The Hernandez Brothers Enrique García, 2017-07-18 This study offers a critical examination of the work of Gilbert and Jaime Hernandez Mexican American brothers whose graphic novels are highly influential The Hernandez brothers started in the alt comics scene where their *Love and Rockets* series quickly gained prominence They have since published in more mainstream venues but have maintained an outsider status based on their own background and the content of their work Enrique Garcia argues that the Hernandez brothers have worked to create a new American graphic storytelling that while still in touch with mainstream genres provides a transgressive alternative from an aesthetic gender and ethnic perspective The brothers were able to experiment with and modify these genres by taking advantage of the editorial freedom of independent publishing This freedom also allowed them to explore issues of ethnic and gender identity in transgressive ways Their depictions of latinidad and sexuality push against the edicts of mainstream Anglophone culture but they also defy many Latino perceptions of life politics and self representation The book concludes with an in depth interview with Jaime and Gilbert Hernandez that touches on and goes

beyond the themes explored in the book **Fever Within** Bernard L. Herman, 2016-02-29 Ronald Lockett 1965 1998 stands out among southern artists in the late twentieth century Raised in the African American industrial city of Bessemer Alabama Lockett explored a range of recurring themes through his art faith the endless cycle of life environmental degradation historical events the sweetness of idealized love mourning human emotion and personal struggle By the time Lockett died at age thirty two he had created an estimated four hundred works that document an extraordinary artistic evolution This book offers the first in depth critical treatment of Lockett s art alongside sixty full color plates of the artist s paintings and assemblages shedding light on Lockett s career and work By placing Lockett at its center contributors contextualize what might be best understood as the Birmingham Bessemer School of art which includes Thornton Dial Joe Minter and Lonnie Holley and its turbulent social economic and personal contexts While broadening our understanding of southern contemporary art *Fever Within* uncovers how one artist s work has become emblematic of the frustrated yearning unredeemed promises and family and community resilience expressed by a generation of African American artists at the close of the twentieth century Contributors include Paul Arnett Sharon Patricia Holland Katherine L Jentleson Thomas J Lax and Colin Rhodes *The Love and Rockets Companion* Marc Sobel, Kristy Valenti, Gilbert Hernandez, Jaime Hernandez, 2013-08-03 *The Love and Rockets Companion* 30 Years and Counting contains three incredibly in depth and candid interviews with creators Gilbert Jaime and Mario Hernandez one conducted by writer Neil Gaiman Coraline one conducted some six years into the comic s run by longtime L and one conducted by the book s author spanning Gilbert s Jaime s and Mario s careers and looking to the future of the ongoing series with a follow up conversation with Groth This book has foldout family trees for both Gilbert s Palomar and Jaime s Locas storylines unpublished art a character glossary which is handy considering that Gilbert alone has created 50 characters highlights from the original series anarchic letters columns timelines and the most wide ranging Hernandez Brothers bibliography ever compiled including album and DVD covers posters and more *Is a River Alive?* Robert Macfarlane, 2025-05-20 A New York Times Bestseller A 1 Sunday Times UK Bestseller A New York Times New Nonfiction to Read This Spring Recommendation A Financial Times Best Summer Book of 2025 A Guardian Nonfiction to Look Forward To in 2025 Pick A Washington Post Book to Watch For in 2025 From the best selling author of *Underland* and the great nature writer of this generation Wall Street Journal a revelatory book that transforms how we imagine rivers and life itself Hailed in the New York Times as a naturalist who can unfurl a sentence with the breathless ease of a master angler Robert Macfarlane brings his glittering style to a profound work of travel writing reportage and natural history *Is a River Alive* is a joyful mind expanding exploration of an ancient urgent idea that rivers are living beings who should be recognized as such in imagination and law Macfarlane takes readers on three unforgettable journeys teeming with extraordinary people stories and places to the miraculous cloud forests and mountain streams of Ecuador to the wounded creeks and lagoons of India and to the spectacular wild rivers of Canada imperiled respectively by

mining pollution and dams Braiding these journeys is the life story of the fragile chalk stream a mile from Macfarlane s house a stream who flows through his own years and days Powered by dazzling prose and lit throughout by other minds and voices Is a River Alive will open hearts challenge perspectives and remind us that our fate flows with that of rivers and always has
