## **Poison Widow A True Story Of Witchcraft Arsenic And Murder:**

Poison Widows George Cooper, Alan M. Dershowitz, 1999      Poison Widows Self, 2016-12-29 George Cooper's first book *Lost Love* won acclaim for its riveting portrayal of tender passions and sensational murder in old Manhattan. It was history rendered in a page turning narrative style a style that Cooper now applies to the 1930s and the infamous poison murder ring that infected the superstitious Italian immigrant community of South Philadelphia. *Poison Widows* describes a world where the evil eye could bring ruin upon a family where malevolent spirits stalked the living and where the only relief lay in the *fattuchiere* the witch doctors of the Old Country. It tells the story of a self proclaimed sorcerer Morris Louie the Rabbi Bolber who claimed he could cure cancer with a magic butter knife given to him by a Chinese witch Paul Petrillo who discovered that the Rabbi's love potion while useless as an agent of romance was quite a handy and seemingly untraceable poison and the dozens of poison widows women who some as willing accomplices and others just foolish dupes sent their husbands to an excruciatingly painful death. When the scheme was eventually uncovered a protracted battle was waged upon the widows in the courts urged on by a frenzied press and an ambitious district attorney. Drawing on trial transcripts press reports and interviews with participants Cooper paints a vibrant darkly comic portrait of this sordid chapter in the history of crime. The parallels to recent trials including the impact of media coverage and the awesome powers of a skilled lawyer to redefine justice on his own terms gives *Poison Widows* the timeliness of a story sprung right from the headlines mingled with the morbid timelessness of mankind's darkest nature      **Poison Widows** George Cooper, 1999-01 A true story of disgruntled wives old world witchcraft and murder as revealed in the trials of the infamous Poison Widows in Philadelphia in 1939 of photos      **Raymond Pace Alexander** David A. Canton, 2010-05-11 Raymond Pace Alexander 1897 1974 was a prominent black attorney in Philadelphia and a distinguished member of the National Bar Association the oldest and largest association of African American lawyers and judges. A contemporary of such nationally known black attorneys as Charles Hamilton Houston William Hastie and Thurgood Marshall Alexander litigated civil rights cases and became well known in Philadelphia. Yet his legacy to the civil rights struggle has received little national recognition. As a New Negro lawyer during the 1930s Alexander worked with left wing organizations to desegregate an all white elementary school in Berwyn Pennsylvania. After World War II he became an anti communist liberal and formed coalitions with like minded whites. In the sixties Alexander criticized Black Power rhetoric but shared some philosophies with Black Power such as black political empowerment and studying black history. By the late sixties he focused on economic justice by advocating a Marshall Plan for poor Americans and supporting affirmative action. Alexander was a major contributor to the northern civil rights struggle and was committed to improving the status of black lawyers. He was representative of a generation who created opportunities for African Americans but was later often ignored or castigated by younger leaders who did not support the tactics of the old guard's pioneers      **The Library Journal** , 1999 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special
