Elizabeth Warner, Svetlana Adonyeva

Pokhoronnyi Obriad:

The Peoples of Northeast Asia through Time Richard Zgusta, 2015-06-29 The focus of Richard Zgusta's *The Peoples of Northeast Asia through Time* is the formation of indigenous and cultural groups of coastal northeast Asia including the Ainu, the Paleoasiatic peoples and the Asiatic Eskimo. Most chapters begin with a summary of each culture at the beginning of the colonial era which is followed by an interdisciplinary reconstruction of prehistoric cultures that have direct ancestor descendant relationships with the modern ones. An additional chapter presents a comparative discussion of the ethnographic data including subsistence patterns, material culture, social organization and religious beliefs from a diachronic viewpoint. Each chapter includes maps and extensive references. [The Oxford Handbook of Slavic and East European Folklore](#)

Margaret H. Beissinger, 2025-03-28 *The Oxford Handbook of Slavic and East European Folklore* provides a broad survey of the folklore of the Slavic and East European world: Russia, Ukraine and the Baltics as well as Central and Southeastern Europe. The volume contains forty-three chapters that offer an array of distinctive yet comparable traditions and genres. It includes folklore of the life cycle, calendrical cycle, traditions, magic and folk belief, folktales, epic, lyric songs, proverbs and jokes, local Romani, Muslim and Jewish musical genres and material culture. The handbook presents an assortment of oral traditions for an audience of folklorists, students and scholars who wish to explore the rich expressive culture of the Slavic and East European world. Anthropology & Archeology of Eurasia, 2006 **Государство, религия, церковь в России и за рубежом No 3 (33) 2015**, 2017-04-29 2004 2011 **We Remember, We Love, We Grieve** Elizabeth Warner, Svetlana Adonyeva, 2021-03-23 This is a book about death, comprehensive in its discussion of strategies for coping with loss and grief in rural northern Russia. Elizabeth Warner and Svetlana Adonyeva bring forth the voices of those for whom caring for their dead is deeply personal and firmly rooted in practices of everyday life. Thoroughly researched chapters consider lamenting traditions, examine beliefs surrounding natural symbols and parse sensitive and profound funereal rituals. *We remember, we love, we grieve* is a common epitaph in this part of the world. As contemporary Russia contends with the Soviet Union's legacy of dismantling older ways of life, the phrase ripples beyond individual loss; it encapsulates communities' determination to preserve their customs when faced with oppression. This volume offers insight into a core cultural practice, exploring the dynamism of tradition. L'ouvrage fait suite à une manifestation organisée notamment par l'Institut international de la pensée islamique au siège de l'Unesco Paris en 2006.
