Australian Policing Philip Birch, Michael Kennedy, Erin Kruger, 2020-11-29 This edited collection brings together leading academics researchers and police personnel to provide a comprehensive body of literature that informs Australian police education training research policy and practice There is a strong history and growth in police education both in Australia and globally Recognising and reflecting on the Australian and New Zealand Policing Advisory Agency ANZPAA education and training framework the range of chapters within the book address a range of 21st century issues modern police forces face This book discusses four key themes Education training and professional practice topics include police education ethics wellbeing and leadership Organisational approaches and techniques topics include police discretion use of force investigative interviewing and forensic science Operational practices and procedures topics include police and the media emergency management cybercrime terrorism and community management Working with individuals and groups topics include mental health Indigenous communities young people hate crime domestic violence and working with victims Australian Policing Critical Issues in 21st Century Police Practice draws together theoretical and practice debates to ensure this book will be of interest to those who want to join the police those who are currently training to become a police officer and those who are currently serving This book is essential reading for all students scholars and researchers engaged with policing and the W.J. MacKay and the NSW Police, 1910-1948 Richard Evans, 2022-08-29 This book tells the criminal justice sector fascinating story of William John MacKay a man who dominated policing in New South Wales for three decades until his death in 1948 MacKay was fearless brilliant and ruthless He was responsible for beating up striking unionists but he also smashed the semi fascist New Guard when it was a threat to democracy He reformed and modernized the New South Wales Police Force and he framed innocent men for capital crimes He cracked down on organized crime and corruption and he was himself corrupt Dogged by scandal he was the subject of no fewer than seven royal commissions The story of W I MacKay is also the story of policing in Australia from the 1920s through to the corruption riddled period after the Second World War This gripping history explores the messy complexities of police power and sheds new light on a fascinating period in Australian police history Policing Across the World R.I. Mawby, 2013-04-15 This wide ranging text provides an overview of policing across different societies and considers the issues facing the US and British police in a wider international context The book is designed as a coherent introduction to the police Contemporary Issues in Law Enforcement and Policing Andrew Millie, Dilip K. Das, 2008-05-28 Rising terrorism and advances in technology along with new organizational strategies and investigative techniques have stretched the traditional role of the police officer Calls for strong intelligence driven paramilitary policing juxtaposed with a demand for softer community policing leave officers under increased pressure to be tough and **Policing and Media** Murray Lee, Alyce McGovern, 2013-11-26 This book examines the relationship between police media and the public and analyses the shifting techniques and technologies through which they communicate In a

critical discussion of contemporary and emerging modes of mediatized police work Lee and McGovern demonstrate how the police engage with the public through a fluid and quickly expanding assemblage of communications and information technologies Policing and Media explores the rationalities that are driving police media relations and asks how these relationships differ or not from the ways they have operated historically what new technologies are influencing and being deployed by policing organizations and police public relations professionals and why how operational policing is shaping and being shaped by new technologies of communication and what forms of resistance are evident to the manufacture of preferred images of police The authors suggest that new forms of simulated and hyper real policing using platforms such as social media and reality television are increasingly positioning police organisations as media organisations and in some cases enabling police to bypass the traditional media altogether The book is informed by empirical research spanning ten years in this field and includes chapters on journalism and police policing and social media policing and reality television and policing resistances It will be of interest to those researching and teaching in the fields of Criminology Policing and Media as well as police and media professionals Policing Corruption Rick Sarre, Dilip K. Das, Hans-Jörg Albrecht, 2005-01-01 This volume presents insight from police practitioners and scholars on the nature and extent of governmental corruption in both more and less developed countries in all regions of the globe Editors Rick Sarre Dilip K Das and H J Albrecht and the notable contributors shed light on the conditions under which corruption flourishes and its far reaching consequences for individuals safety and freedom as well as each nation s security economy and even sovereignty Importantly this volume also presents innovative anti corruption strategies to be undertaken by governments international organizations and the media Devoting special attention to malpractice within police forces The Policing of Corruption is an important resource for all who work to undo corruption and its debilitating effects Community Policing and Peacekeeping Peter Grabosky, 2009-06-25 In modern industrial societies the demand for policing services frequently exceeds the current and foreseeable availability of public policing resources Conversely developing nations often suffer from an inability to provide a basic level of security for their citizens Community Policing and Peacekeeping offers a fresh overview of the challenge **Just Boys Doing** Business? Tim Newburn, Elizabeth A Stanko, 2013-11-05 What is it about crime that makes it men s work Can we imagine masculinity without crime This is the first book of its kind to bring contributors from three continents together to examine the relationship between masculinity and crime Covering such areas as policing prisons violence against women homicide white collar crime and male victimisation this book will force us to rethink many aspects of masculinity and crime

**Dangerous Offenders** Mark Brown, John Pratt, 2002-01-04 This highly controversial new book considers how the dangerous offender has become such a figure of collective anxiety for the citizens of rationalised Western societies. The authors consider ideas of danger and social threat in historical perspective legal responses to violent criminals attempts to predict dangerous behaviour why particular groups such as women remain at risk from violent crime. This inspired collection

invites us to rethink the received wisdom on dangerous offenders and will be of interest to students and scholars in the fields of criminology and the sociology of Risk MALE CRIME AND DEVIANCE Barri R. Flower, 2003-01-01 MALE CRIME AND DEVIANCE seeks to explore in depth the types of offenses most identified with and committed by males dynamics of male crime characteristics of male offenders how male criminality and delinquency compare with and differ from female delinquent and criminal behavior explanations for male crime and efforts at combating crime in this country Particular attention is given to exploring the relationship between male aggression and masculinity as well as the role that testosterone and other biological factors play in male crime and violence The book also focuses on the correlation between male violence and aggressive behavior and firearms violence involving intimates male sexual violence bias crimes workplace violence terrorism male perpetrated sexual offenses youth gang crime and school violence These areas of male criminality and deviance are examined within the context of all male offending arrest self report and inmate data along with criminological theoretical approaches to understanding the causes and related factors of male deviant behavior The book is written primarily for undergraduate and graduate level students for coursework in criminal justice criminology male aggression violent behavior homicide youth studies gang studies delinquency law law enforcement sociology social science psychology biology and related areas of study However it is appropriate as well for academicians social scientists psychologists law officers medical workers and a general readership with a vested interest in antisocial behavior and its implications on the Common Law and Colonised Peoples Jeannine M. Purdy, 2019-01-15 Published in 1997 It is well known greater society in Australia that Aboriginal people are currently massively over represented amongst the prison population Although it is not officially acknowledged to the same degree in Trinidad it is also well known that Afro Trinidadians are over represented in the prisons of that county The disproportionate criminalisation of Aboriginal Australians and Afro Trinidadians is interpreted by the author as a continuation and concretion of the myth of the barbaric uncivilised and ungoverned savage in opposition to which Western legal systems and societies have created their own identities The book departs from much contemporary analysis in this area by drawing strongly upon a historical analysis of the operations of the common law in Trinidad and Western Australia By doing so the book illustrates that race ethnicity and criminalisation are not necessarily contiguous What such analysis does reveal is another and more constant dimension to criminalisation and that is economic basis of many of the legal relations instituted under British derived legal systems with respect to colonised peoples **Child Witnesses in Twentieth Century Australian Courtrooms** Robyn Blewer, 2021-04-15 This book considers the law policy and procedure for child witnesses in Australian criminal courts across the twentieth century It uses the stories and experiences of over 200 children in many cases using their own words from press reports to highlight how the relevant law was or was not applied throughout this period The law was sympathetic to the plight of child witnesses and exhibited a significant degree of pragmatism to receive the evidence of children but was equally fearful of innocent men being wrongly convicted The book

highlights the impact safeguards like corroboration and closed court rules had on the outcome of many cases and the extent to which fear of children of lies or the truth and of reform influenced the criminal justice process Over a century of children giving evidence in court it is clear that the more things changed the more they stayed the same Political Corruption in Australia Peter John Perry, 2017-10-05 This title was first published in 2001 Despite considerable expansion the scholarly literature on political corruption has remained fragmentary often polarized consisting either of sweeping systematic statements or case specific examples Perry bridges this gap and proves the need for further such study in this most worthwhile examination of the place of political corruption in Australia The Australian experience is paid thorough yet concise attention and then it is related to the concept of political corruption in its various and changing forms and interpretations Assuming no familiarity with the central intellectual issues Perry lucidly explores them in terms of their method practice and definition with particular reference to Australia Primarily suitable for academics interested in politics geography development studies history and sociology this book s accessible style also makes it of interest to a general Policing Marital Violence in Singapore Ganapathy Narayanan, 2008 Why have years of police reform in audience Singapore not produced significant changes in improving the policing of marital violence is the fundamental guestion raised by this volume Carefully exploring the police response to marital violence in Singapore while paying due attention to the particular culture and historical context in place the author reframes the questions about the problem of intimate violence The book goes into the ramifications for the criminal justice system particularly into the issues of policing safety and protection of victims from such violence A careful documentation of the reform process but also the resistance encountered within the police organisation especially by the rank and file police Policing White-Collar Crime Petter Gottschalk, 2013-12-11 Combating white collar crime is a challenge as these criminals are found among the most powerful members of society including politicians business executives and government officials While there are many approaches to understanding this topic Policing White Collar Crime Characteristics of White Collar Criminals highlights the importance of **Democratizing the Police Abroad** David H. Bayley, 2001 The Handbook of Crime & Punishment Michael H. og Tonry, 2000 Consisting of 28 articles this comprehensive reference work on the study of crime examines its causes effects trends and institutions current philosophies of punishment and ways of controlling crime Blue Army Iude McCulloch, 2012-11-27 We expect the police to stop armed robbers to arrest drug dealers to keep the peace at demonstrations and to protect us from crime Many of us believe that police officers need to carry guns to protect themselves as well as us But do we want our police forces to become armies Most of us are shocked when suspects are shot dead by police before they can be tried and disturbed to see police wearing riot gear and using baton charges at peaceful demonstrations When police begin using paramilitary tactics the essential nature of their role is redefined switching from protection and peacekeeping to active aggression Some units within our police forces such as the Special Operations Group

train with the military and use military weapons and tactics In looking behind the extraordinary number of police shootings in Victoria Blue Army examines how the Special Operations Group and their tactics which are passed on to ordinary police have contributed to the toll Jude McCulloch's involvement as a lawyer in cases of police shootings led her to detailed investigation of changes to policing in Australia Blue Army arises from her research into the paramilitarisation of the police It exposes the risks of allowing Australia s police forces to move away from the key principle of keeping the peace with the use of minimum force Blue Army is a very disturbing book and one of great importance Ibss: Political Science: 1992 British Library of Political and Economic Science, 1993 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences Fair Cop Janet B. L. Chan, Chris Devery, Sally Doran, 2003-01-01 Police forces everywhere have been undergoing major social and organizational changes In this one of the few longitudinal studies of police socialization Janet Chan Christopher Devery and Sally Doran present the complexity of police socialization under these changing conditions Following 150 new police recruits through two years of training and apprenticeship the authors question the traditional model of socialization that assumes a degree of stability and homogeneity in the organizational culture They suggest that recruits developmental paths can be much more varied and police culture is increasingly vulnerable to change Drawing on interviews observations and guestionnaires the authors depict the complex processes by which recruits adapt redefine cope with and make sense of the positive and negative aspects of their training and apprenticeship Bringing together rigorous quantitative analyses with rich ethnographic description Fair Cop provides new empirical data and theoretical understanding about the reproduction and change of police culture
