recent strikes are short; unions do  
not have the power they had

# Political Culture And Postcommunism

**László Kürti, Peter Skalník**

## **Political Culture And Postcommunism:**

**Political Culture in Post-communist Europe** Detlef Pollack, 2003 This text aims to sketch some of the challenging issues of the attitudinal dimension of system changes It provides facts and figures on the progress of democratization in Central and Eastern Europe Political Culture and Post-Communism S. Whitefield, 2005-10-11 Our understanding of the dynamics of Communist systems was substantially improved by taking political culture into account But how much does the concept of political culture add to our empirical understanding of post Communist Russia The book's contributors engage with theoretical debates between political culture and competing rational choice and institutionalist approaches to post Soviet politics and provide illustrative empirical studies of civic participation views of national identity the Russian criminal justice system and political violence

**Political Culture in Post-Communist Europe** Gert Pickel, 2018-03-31 This title was first published in 2003 Engaging directly with some of the most important issues in contemporary politics this volume deals with the role of political culture in democratic transitions focusing in particular on democratization in Eastern and Central Europe The central question is the relationship between institutional development and societal norms and between the development of a superstructure of democratic proceduralism and the attitudes and responses of post Communist republics Surveying over ten years of experience of post Communist change the book draws upon a rich range of sources using quantitative survey data in a sophisticated and enlightening way The rigorous methodology employed provides important insights into real processes in specific countries and allows for a number of generalizations to be made about the role of political culture today

**Political Culture and Political Change in Communist States** Archie Brown, Jack Gray, 1979-10 **Cultures of Power in Post-Communist Russia** Michael Urban, 2012-05-03 In Russian politics reliable information is scarce formal relations are of relatively little significance and things are seldom what they seem Applying an original theory of political language to narratives taken from interviews with 34 of Russia's leading political figures Michael Urban explores the ways in which political actors construct themselves with words By tracing individual narratives back to the discourses available to speakers he identifies what can and cannot be intelligibly said within the bounds of the country's political culture and then documents how elites rely on the personal elements of political discourse at the expense of those addressed to the political community Urban shows that this discursive orientation is congruent with social relations prevailing in Russia and helps to account for the fact that despite two revolutions proclaiming democracy in the last century Russia remains an authoritarian state

**Political Culture and Communist Studies** Archie Brown, 1985-01-01

Post-communist Studies And Political Science Jr. Fleron, Erik P Hoffmann, 2019-08-15 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free

itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it was understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self-destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism

*Cultures of Power in Post-Communist Russia* Michael E. Urban, 2010 In Russian politics reliable information is scarce formal relations are of relatively little significance and things are seldom what they seem Applying an original theory of political language to narratives taken from interviews with 34 of Russia's leading political figures Michael Urban explores the ways in which political actors construct themselves with words By tracing individual narratives back to the discourses available to speakers he identifies what can and cannot be intelligibly said within the bounds of the country's political culture and then documents how elites rely on the personal elements of political discourse at the expense of those addressed to the political community Urban shows that this discursive orientation is congruent with social relations prevailing in Russia and helps to account for the fact that despite two revolutions proclaiming democracy in the last century Russia remains an authoritarian state

*The Political Analysis of Postcommunism* Volodymyr Polokhalo, 1997

Transformation is still the order of the day in the politics of the former Soviet Union and Eastern Europe as they emerge from decades of communism and try to forge new identities new economies new societies The Political Analysis of Postcommunism offers the perspectives of prominent political scientists historians sociologists philosophers and others each writing on a particular aspect of the transformation of society from communist to postcommunist forms Originally published in English and Ukrainian in 1995 in Kiev by the editors of the Ukrainian journal Political Thought this volume is written by those who have themselves lived through the changes Political scientists sociologists and others interested in the progress of postcommunist society in the independent formerly communist nations of Eastern Europe and Central Asia will profit from reading these thought-provoking early insights into the world to come

**Values and Political Change in**

**Postcommunist Europe** W. Miller, S. White, P. Heywood, 1998-01-19 This is a book about political values socialist nationalist liberal and democratic values in five former communist countries Russia Ukraine Hungary Slovakia and the Czech Republic Based on eleven surveys involving extended interviews with 7350 members of the public and 504 Members of Parliament it provides an authoritative account of the extent to which politicians and the public in East Central Europe and the Former Soviet Union have rejected communist ideals and adopted nationalist and/or liberal democratic values

**Political Culture and Political Change in Post-communist Societies** V. A. Gutorov, A. I. Koriukhin, Gerd Meyer, 1997

**Political Culture in Post-Communist Russia** J. Alexander, 2000-07-05 Taking a unique qualitative approach to studying Russian political culture this book presents an in-depth analysis of the attitudes and activities of residents in two provincial capitals Syktyvkar and Kirov It shows evidence of underlying democracy in popular opinions It also finds an authoritarian side that is

being strengthened by the ongoing crisis of Russia's transition. In entering a controversial subject area, the author directs a critical eye toward the contemporary research on Russian political culture.

**Prospects for Constitutionalism in Post-Communist Countries** Levent Gönenç, 2002-06-18 The last decade of the 20th century saw radical changes in Eastern Europe and the former USSR. Most of these countries made a transition from totalitarianism or authoritarianism to democracy and from central planning to a market economy. Adding to the latter, a number of national entities gained their independence after the disintegration of the federative states of the USSR: Yugoslavia and Czechoslovakia. Many recent studies have focused on these double in some cases triple transitions, and scholars from different fields analyzed the so-called 1989 Revolution from different perspectives. Rather less scholarly attention has been paid to the future of post-communist constitutions and prospects for constitutionalism in these countries. The main questions dealt with throughout this study can be formulated as follows: Will liberal democratic constitutionalism take root in these countries? Will new constitutions in Eastern Europe and the former USSR perish or survive? This study also aims at contributing to the construction of a general constitutional theory by studying the causes and dynamics of constitutional change in general. Such constitutional change is not only on the East European but also on the West European agenda. The purpose of this study is not to introduce a general theory about constitutional stability but studying post-communist constitutions will help us to understand the causes and dynamics of constitutional change from a broader perspective.

*The Politics of the Postcommunist World* Stephen White, Daniel Nelson, 2017-11-01 This title was first published in 2001. This series brings together the most significant journal articles to appear in the field of comparative politics since the 1970s. The aim is to render accessible to teachers, researchers, and students an extensive range of essays as a basis for understanding established terrain and new ground.

**The Handbook of Political, Social, and Economic Transformation** Wolfgang Merkel, Raj Kollmorgen, Hans-Jürgen Wagener, 2019-01-25 Political, social, and economic transformation is a complex historical phenomenon. It can adequately be analysed only by a multidisciplinary approach. The Handbook brings together an international team of scholars who are specialists in their respective research fields. It introduces the most important areas, theories, and methods in transformation research, with particular attention placed on the historical and comparative dimension. Although focussing on post-communist and other democratic transformations in our epoch, the Handbook therefore presents and discusses not only their problems, paths, and developments but also deals with the antecedent waves beginning with the Meiji Restoration in Japan in 1868 and its aftermath. The book is structured into six parts. Starting with basic concepts as systems, actors, and institutions, Section I gives an overview over major theoretical approaches and research methods. Sections II and III: The connection of theory and method with their application is essential, allowing special insights into the past and opening analytical avenues for transformation research in the future. Section IV provides a historically oriented description or interpretation of particular waves or types of societal transformation. With a clear focus on present transformations, the contributions to Section V

provide a description and discussion of the problems structures actors and courses of the transformations within different spheres of civil society politics law and economics Finally brief lexicographic entries in Section VI delineate research perspectives and facts about relevant issues of societal transformation Each of the 79 contributions contains a concise list of the most important research literature Russian Politics and Society Richard Sakwa,2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney democracy period 1991-93 historical evaluation of Yeltsin's leadership full coverage of Putin's presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re introduction of the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society **Institutions, Ideas and Leadership in Russian Politics** Julie Newton,William

Tompson,2010-06-23 A stimulating and thought provoking collection that challenges some of the emerging conventional wisdom about contemporary Russia It examines the role of leadership institutions and ideas and the interactions among them in shaping Russia's post Soviet transformation *Women's Access to Political Power in Post-Communist Europe* Richard E. Matland,Kathleen A. Montgomery,2003-05-01 This book considers women's access to formal positions of powers in the newly formed democracies of post communist Europe While acknowledging the relevance of recent history this book takes an important step away from the communist legacy and explicitly argues for a framework based on causal variables identified in the existing literatures from industrialized democracies on women and politics and legislative recruitment After a brief introduction the second chapter sets forth a general theoretical framework which posits that the level of female legislative representation in a given country is a function of the relative supply of and demand for female candidates After a chapter considering a broad overview of public opinion on women and politics in Eastern Europe thirteen country chapters spanning the spectrum of Eastern European democracies address and test hypotheses about the key variables affecting the supply and demand sides of the equation in individual countries Relevant aspects of the communist cultural and developmental legacy are addressed but authors give particular attention to political factors such as electoral rules and the characteristics of the emerging party systems that vary within the Eastern European countries The new democracies of Eastern Europe provide a novel context in which to test and extend our theories about the consequences of political institutions for the quality of democracy Since institutional arrangements are more malleable than developmental or cultural characteristics those

variables also offer the greatest promise to scholars and practitioners wondering what can be done to improve women's access to formal arenas of political power. How can we build democracies that are stable, lasting, and representative? A careful analysis of the post-communist context can help us to address issues concerning institutional design and development that has relevance well beyond the Eastern European context.

**Postsocialist Europe** László Kürti, Peter Skalník, 2009. Now that nearly twenty years have passed since the collapse of the Soviet bloc, there is a need to understand what has taken place since that historic date and where we are at the moment. Bringing together authors with different historical, cultural, regional, and theoretical backgrounds, this volume engages in debates that address new questions arising from recent developments, such as whether there is a need to reject or uphold the notion of post-socialism as both a necessary and valid concept, ignoring changes and differences across both time and space. The authors' firsthand ethnographies from their own countries belie such a simplistic notion, revealing as they do the cultural, social, and historical diversity of countries of Central and Southeastern Europe.

**Postcommunism and the Theory of Democracy** Richard D. Anderson, M. Steven Fish, Stephen E. Hanson, Philip G. Roeder, 2021-05-11. Why did the wave of democracy that swept the former Soviet Union and Eastern Europe, starting more than a decade ago, develop in ways unexpected by observers who relied on existing theories of democracy? In *Postcommunism and the Theory of Democracy*, four distinguished scholars conduct the first major assessment of democratization theory in light of the experience of postcommunist states. Richard Anderson, Steven Fish, Stephen Hanson, and Philip Roeder not only apply theory to practice but, using a wealth of empirical evidence, draw together the elements of existing theory into new syntheses. The authors each highlight a development in postcommunist societies that reveals an anomaly or lacuna in existing theory. They explain why authoritarian leaders abandon authoritarianism, why democratization sometimes reverses course, how subjects become citizens by beginning to take sides in politics, how rulers become politicians by beginning to seek popular support, and not least, how democracy becomes consolidated. Rather than converging on a single approach, each author shows how either a rationalist-institutionalist, discursive, or Weberian approach sheds light on this transformation. They conclude that the experience of postcommunist democracy demands a rethinking of existing theory. To that end, they offer rich new insights to scholars, advanced students, policymakers, and anyone interested in postcommunist states or in comparative democratization.

Thank you completely much for downloading **Political Culture And Postcommunism**. Maybe you have knowledge that, people have see numerous period for their favorite books later than this Political Culture And Postcommunism, but stop stirring in harmful downloads.

Rather than enjoying a fine book gone a cup of coffee in the afternoon, on the other hand they juggled in imitation of some harmful virus inside their computer. **Political Culture And Postcommunism** is clear in our digital library an online right of entry to it is set as public for that reason you can download it instantly. Our digital library saves in fused countries, allowing you to acquire the most less latency era to download any of our books next this one. Merely said, the Political Culture And Postcommunism is universally compatible later any devices to read.

### **Political Culture And Postcommunism Introduction**

Political Culture And Postcommunism Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Political Culture And Postcommunism Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Political Culture And Postcommunism : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Political Culture And Postcommunism : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Political Culture And Postcommunism Offers a diverse range of free eBooks across various genres. Political Culture And Postcommunism Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Political Culture And Postcommunism Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Political Culture And Postcommunism, especially related to Political Culture And Postcommunism, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Political Culture And Postcommunism, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Political Culture And Postcommunism books or magazines might include. Look for these in online stores or libraries. Remember that while Political Culture And Postcommunism, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Political Culture And Postcommunism eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Political Culture And Postcommunism full

book, it can give you a taste of the authors' writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Political Culture And Postcommunism eBooks, including some popular titles.

## **FAQs About Political Culture And Postcommunism Books**

1. Where can I buy Political Culture And Postcommunism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Political Culture And Postcommunism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Political Culture And Postcommunism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Political Culture And Postcommunism audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or

community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Political Culture And Postcommunism books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
