The Politics of the Public Encounter Peter Hupe, 2022-11-25 On the ground floor of government citizens interact with teachers medical staff police officers and other professionals in public service It is during these encounters that laws public policies and professional guidelines gain further substance and form In this insightful book Peter Hupe brings together expert contributions from scholars across the globe to study the social mechanisms behind these public encounters

Dialogue with the Dictator Hannah S.

Chapman, 2024-02-22 Shows how autocrats structure interaction between citizens and leaders to manage information dilemmas and build regime legitimacy Uses interviews original surveys and text analysis to highlight the tools used by Russian President Vladimir Putin to reinforce his now twenty year rule and how these tools may backfire against the regime

Constructing Democracy in Transitioning Societies of Africa S. Wing, 2008-04-28 This book explores the process by which constitutions and democratic institutions are constructed Wing focuses on how innovative constitutional dialogues involving participation negotiation and recognition of groups previously excluded from political decision making may be the key to a legitimate constitution

Branding in Governance and Public Management Jasper Eshuis, E.H. Klijn, 2012-01-30 Politicians and public managers utilize branding to communicate with the public as well as to position themselves within the ever present media now so central to political and administrative life They must further contend with stakeholders holding contradictory opinions about the nature of a problem the desirable solutions and the values at stake Branding is used as a strategy to manage perceptions motivate stakeholders communicate clear messages in the media and position policies and projects Brands have a unique ability to simplify such messages and motivate different actors to invest their energy in governance processes Public administration scholars so far have however paid little attention to branding This book provides a systematic analysis of branding as phenomenon in governance It deals with the nature of public branding its relation to

existing theories in public administration the way branding is used as a managerial strategy in governance processes and the risks and limitations of branding Branding in Public Governance and Management highlights the growing importance of public branding as a public management strategy to influence political events decision making processes and outcomes in governance processes

Public Communication in the European Union Giorgia Nesti, Chiara Valentini, 2010-01-08 This book is a collection of essays that analyse and discuss EU information and communication policies and activities towards with by different publics developed both by the EU institutions at the European national and local levels and by public organizations and civil society actors Throughout six thematic parts the authors examine from different theoretical perspectives political communication journalism public relations and public diplomacy political science and cultural studies and reflect on what it means for the European Union to communicate in multi national and multi cultural settings The originality and strength of this book stand on the capacity to discuss EU communication policies strategies and actions in their diverse features and at the same time to have a clear general picture of the role and function that communication has within the European Union s governance The combination of different theoretical frameworks with the latest empirical research findings makes this book a fresh and fascinated collection of insights of what the European Union can achieve with strategic communications

Information Systems: People, Organizations, Institutions, and Technologies Alessandro D'Atri, Domenico Saccà, 2009-10-03 The ItAIS <http://www.itaais.org> is the Italian chapter of the Association for Information Systems AIS <http://www.aisnet.org> which brings together both individual and institutional members The Italian chapter has been established in 2003 and since then it has promoted the exchange of ideas experiences and knowledge among academics and professionals in Italy devoted to the development management organization and use of Information Systems The contents of this book are based on a selection of the best papers presented at the Annual Conference of the ItAIS that has been held in Paris in December 2008 The book adopts an interdisciplinary approach recognizing the need to harness a number of different disciplines in both the theory and the practice of information systems The work here presented is comprehensive and up to date in this subject The contributions to this volume aim to disseminate academic knowledge and might be particularly relevant to practitioners in the field

E-Governance and Social Inclusion: Concepts and Cases Baum, Scott, Mahizhnan, Arun, 2014-05-31 The application of e government technologies has led to increased public participation and social inclusion while allowing for greater government transparency These technologies provide accessibility to online content and services while offering the public an active voice in governmental issues E Governance and Social Inclusion Concepts and Cases presents current and emerging research about the implementation of technology in government and its broad social implications This handbook aims to be a comprehensive reference publication for academicians researchers practitioners students and managers with an interest in e government content and the ability for the public to access and utilize this technology

Local Power & Politics in Indonesia Edward Aspinall, 2003-08-01

Indonesia is experiencing an historic and dramatic shift in political and economic power from the centre to the local level The collapse of the highly centralised Soeharto regime allowed long repressed local aspirations to come to the fore The new Indonesian Government then began one of the world s most radical decentralisation programmes under which extensive powers are being devolved to the district level In every region and province diverse popular movements and local claimants to state power are challenging the central authorities This book is the first comprehensive coverage on decentralisation in Indonesia It contains contributions from leading academics and policy makers on a wide range of topics relating to democratisation devolution and the blossoming of local level politics

Social Equity and Public Administration: Origins, Developments, and Applications H George Frederickson, 2015-02-12 This book is designed to be the definitive statement on social equity theory and practice in public administration Social equity is often referred to as the third pillar in PA after efficiency and economy It concerns itself with the fairness of the organization its management and its delivery of public services H George Frederickson is widely recognized as the originator of the concept and the person most associated with its development and application The book s introduction and chapters 1 4 offer general descriptions of social equity in terms of its arguments and claims in changing political economic and social circumstances and trace the development of the concept over the past forty years Chapters 5 9 provide applications of social equity theory to particular policy arenas such as education or to specific public administration issues such as the range of administrative discretion the legal context the research challenges and social equity in the context of time and generations Chapters 10 and 11 describe the current state of social equity and look towards the future

The Changing Role of Citizens in EU Democratic Governance Davor Jancic, 2023-02-23 This collection discusses the challenges of reforming EU democracy through increased citizen participation beyond elections It asks fundamental questions such as whether the institutionalisation of citizens in EU public law is a prerequisite for addressing these challenges and the extent to which such institutionalisation is taking place in the EU To these ends the contributors analyse the latest institutional initiatives proposals and practices such as citizen assemblies citizen consultations and dialogues on European integration and draft legislation the Conference on the Future of Europe the reform of the European Citizens Initiative the evolving role of the European Ombudsman citizen petitions to the European Parliament the roles of the civil society and the European Economic and Social Committee Offering reflections on the impact of the Covid 19 pandemic this book is a much needed reminder of the importance of the role of citizens in EU governance

Handbook of Public Information Systems Kenneth Christopher, 2005-03-29 Delivering IT projects on time and within budget while maintaining privacy security and accountability is one of the major public challenges of our time The Handbook of Public Information Systems Second Edition addresses all aspects of public IT projects while emphasizing a common theme technology is too important to leave to the technocrats

Foreign Operations, Export Financing, and Related Programs Appropriations for 2004 United States. Congress. House. Committee on Appropriations. Subcommittee on

Foreign Operations, Export Financing, and Related Programs,2004 **108-1 Hearings: Foreign Operations, Export Financing, and Related Programs Appropriations For 2004, Part 1B, 2003, *** ,2003 **We Need to Talk** Institute for Economics and Peace,UNESCO,2022-09-22 **The New Public Service** Janet V. Denhardt,Robert B. Denhardt,2015-03-12

The New Public Service Serving not Steering provides a framework for the many voices calling for the reaffirmation of democratic values citizenship and service in the public interest It is organized around a set of seven core principles 1 serve citizens not customers 2 seek the public interest 3 value citizenship and public service above entrepreneurship 4 think strategically act democratically 5 recognize that accountability isn t simple 6 serve rather than steer and 7 value people not just productivity The New Public Service asks us to think carefully and critically about what public service is why it is important and what values ought to guide what we do and how we do it It celebrates what is distinctive important and meaningful about public service and considers how we might better live up to those ideals and values The revised fourth edition includes a new chapter that examines how the role and significance of these New Public Service values have expanded in practice and research over the past 15 years Although the debate about governance will surely continue for many years this compact clearly written volume both provides an important framework for a public service based on citizen discourse and the public interest and demonstrates how these values have been put into practice It is essential reading for students and serious practitioners in public administration and public policy **The Dynamics of Political Communication** Richard M. Perloff,2017-10-19 What impact do news and political advertising have on us How do candidates use media to persuade us as voters Are we informed adequately about political issues Do twenty first century political communications measure up to democratic ideals The Dynamics of Political Communication Media and Politics in a Digital Age Second Edition explores these issues and guides us through current political communication theories and beliefs by detailing the fluid landscape of political communication and offering us an engaging introduction to the field and a thorough tour of the discipline Author Richard Perloff examines essential concepts in this arena such as agenda setting agenda building framing political socialization and issues of bias that are part of campaign news Designed to provide an understanding and appreciation of the principles involved in political communication along with methods of research and hypothesis testing each chapter includes materials that challenge us by encouraging reflection on controversial matters Inside this Second Edition you ll find Expanded discussion of conceptual problems communication complexities and key issues in the field New examples concepts and studies reflecting current political communication scholarship The integration of technology throughout the text reflecting its pervasive role in the political spectrum Accompanied by an updated companion website with resources for students and instructors The Dynamics of Political Communication prepares you to survey the political landscape with a more critical eye and encourages a greater understanding of the challenges and occurrences presented in this constantly evolving field The New Public Service Janet Vinzant Denhardt,Robert B.

Denhardt, 2011-03-16 This widely praised book is built around seven core principles that provide a framework for the many voices calling for the reaffirmation of democratic values citizenship and service in the public interest This edition includes a brand new chapter that provides action recommendations for putting these values into practice as well as current examples of how these ideas have been put to use in the real world

Advances in E-Governance Anthony Trotta, 2017-02-17 E Governance as a field of study is relatively new when considered within the broader historical context of US democracy The advent of the modern Internet in the early 1990s yielded new technologies that began to shift citizen expectations of how government can and in many cases should govern Though innovations continue to emerge at a rapid pace these technologies may be used to reinforce long held deliberative democracy principles including transparency accountability and flexibility Advances in E Governance offers a comprehensive exploration of the role that technological innovation plays in facilitating government action and citizen participation In this timely book author Anthony Trotta differentiates e governance from e government and examines the increasingly important role social media and crowdsourcing have come to play in our democracy and the interactions between technology polling voting and outcomes Including practical cases ranging from DMV registration to online tax filing and markers of successful implementation Advances in E Governance carefully addresses how the adoption and expansion of electronic platforms align with new government paradigms and looks to future trends in this rapidly expanding field
