Political Encyclopedia Of The Middle East

Raphael Israeli

Political Encyclopedia Of The Middle East:

Continuum Political Encyclopedia of the Middle East Avraham Sela, 2002-09-05 It also includes the role of foreign powers in the Middle East especially France Great Britain the former Soviet Union and the United States BOOK JACKET

Political Encyclopedia of the Middle East Avraham Sela, 1998 Encyclopedia of the Modern Middle East & North Africa: D-K Philip Mattar, 2004 Contains entries that provide information about significant people places and events in the history of the Middle East and North Africa since 1800 arranged alphabetically from Dabbagh to Kuwait University

Encyclopedia of the Middle East George M. Ramirez, 2015 This encyclopedia presents important research on the Middle East Some of the topics discussed herein include Iran s ballistic missile and space launch programs Iran sanctions politics governance and human rights in Iraq the Israel Hezbollah conflict reform security and U S policies of Bahrain Iran Iraq Kuwait Israel Jordan Lebanon Oman Palestine Qatar Saudi Arabia Syria The United Arab Emirates and Yemen and security and U S trade and investment in the Middle East and North Africa *The Middle East* Barry Rubin, 2015-03-17 The Middle East is an area of great importance globally yet misperceptions abound Events have made it a region of special interest to the West and so the search for understanding gains momentum This publication is intended to clarify the region s complex history and issues In developing this project the contributors set out to explore seven significant themes that are usually not found in other sources While many books focus on political history and conflicts this two volume work deals specifically with culture religion women economics governance and media as well as the role that the region s modern history has played in shaping its society and worldview **Historical Dictionary of Arab and Islamic Organizations**

Sarah Tenney, 2020-10-28 The Historical Dictionary of Arab and Islamic Organizations focuses on international and regional organizations primarily in the Middle East and North Africa MENA region With more than 300 cross referenced entries this volume includes both major and minor organizations While the emphasis is on intergovernmental institutions it also covers non governmental organizations key countries movements and prominent figures in the Arab and Islamic world Like other dictionaries of this type it includes an introductory essay chronology of major events and a select bibliography for further reading It provides a solid starting point for students researchers and anyone wanting to know more about the subject

Arms Control in the Middle East Emily B. Landau, 2006-08-24 This book focuses on the Middle East arms control process as it unfolded during the years 1992 1995 as part of the multilateral track of the Arab Israeli peace process initiated in Madrid October 1991 **Historical Dictionary of Egypt** Arthur Goldschmidt, Jr., 2023-07-25 Egypt is the world s oldest

continuous country with a recorded past of over 6 000 years Often invaded conquered and occupied by foreign armies Egypt has never lost its identity The Egyptians of today although they have changed their language once and their religion twice descend mainly from the Egyptians who built the Giza Pyramids and the Temple of Karnak who served Alexander the Great and his heirs who submitted to Augustus Caesar and raised much of the grain that fed the Roman Empire who started

Christian monasticism and the veneration of the Virgin Mary and who advanced and sustained Muslim learning in what is now the world's oldest functioning university. It was and is one of the most important countries in the world. Historical Dictionary of Egypt Fifth Edition contains a chronology, an introduction and an extensive bibliography. The dictionary section has more than 600 cross-referenced entries on important personalities as well as aspects of the country's politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Egypt.

Understanding the Volatile and Dangerous Middle East Steven Carol, 2019-09-26. The Middle East can be bewildering, which is why we need to connect the dots that pull together the political, economic, diplomatic, military, cultural, and religious pieces of the puzzle. Professor Steven Carol slashes through the confusion with a topical approach focusing on key issues such as the geographic features of the Middle East, demographics of the region, the influence of Islam, political processes, shifting alliances, war in the region, and the need for security. He also takes a careful look at perpetual negotiations, attempts to secure peace, and the role that the media play in how we view the region. His goal is to clarify the confusing nature of Middle East affairs and to combat the mistaken beliefs, misrepresentations, and outright fabrications about the region. In a bid to reclaim the truth, he shares basic principles, relying on factual supporting evidence to prove their validity. Seventy-eight maps and numerous tables make understanding complex topics easier. Whether you're a student, educator, bureaucrat, or politician, you'll find insights based on facts in *Understanding the Volatile and Dangerous Middle East*.

Hollywood Films in North Africa and the Middle East Nolwenn Mingant, 2022-05-01. Drawing on a broad range of primary sources from trade and government publications to interviews, *Hollywood Films in North Africa and the Middle East* traces the circulation of Hollywood films across the region from the early twentieth century to the present. Originally introduced by French distributors, Hollywood films have been a key component of film culture in North Africa and the Middle East. These films became a favored mode of entertainment during the first half of the century as the major US film studios built a strong distribution structure. After World War II, the changing geopolitical context of decolonization pushed US distributors out of the market. Hollywood films, however, have continued to be favored by audiences. Today, in a landscape that also includes Egyptian and Indian films, Hollywood remains a relevant force in the region's film culture, experienced by audiences in myriad ways from the pirate markets of North Africa to state-of-the-art theatres in the United Arab Emirates.

Years of Upheaval Raphael Israeli, 2017-07-05. *Years of Upheaval* discusses axial periods in history, years that witnessed such fundamental reversals in history as to make the world turn upside down and inaugurate a new era. Raphael Israeli sees the post-1989 period as such a period in Islam. He explores events in the Islamic world since the end of the 1980s and during the 1990s and their aftermath, particularly following the Iranian Islamic Revolution, the Rushdie Affair, and the death of Khomeini. Israeli posits these events signalled a new age of Islamic violence and fundamentalism. The period has seen the dissipation of state borders and the rise of transnational and trans-territorial movements such as ISIS that have been extraordinarily attractive to

young people in the Islamic world The hopeful Arab Spring 2010 2013 has been replaced by a threatening Islamic winter A number of major events shook the Muslim world on both the Asian and the African continents as well as peripheral Islamic minorities in Australia Canada and Latin America Among them were the Islamic Bomb and the rise of radical Islamic movements notably Hamas and Hezbollah and the rift between Sunnites and Shiites These and other momentous events in the Islamic world occasioned the Arab Spring and produced unrest in a wide swath of the Muslim world Even more importantly these were forming trends that are characterizing the decades thereafter

Information Sources of Political Science Stephen W. Green, Douglas J. Ernest, 2005-07-15 A thoroughly revised and updated new edition of the world's leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed *Information Sources of Political Science* is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries

American Presidents and Jerusalem Ghada Hashem Talhami, 2017-04-26 Any casual observer of the Israeli Palestinian conflict would immediately recognize that the holy city of Jerusalem is the core issue impeding a permanent peace settlement between the two antagonists The religious symbolism of this city and its centrality to major religious faiths has never faded and has become increasingly vital to various strands of twentieth century religious nationalisms The political fate of Jerusalem was inevitably mired in international political struggles of the Cold War particularly after the United States inherited Britain's mantle as the ultimate arbiter of regional conflicts and strategic disputes The asymmetrical balance of military power between Israel and Jordan made superpower intervention both inevitable and unpredictable This study examines the policies of twentieth century US presidents regarding the status of Jerusalem It traces the evolution of the United States embroilment in the politics of Mandatory Palestine successive wars and regimes that vied for control over Jerusalem and tracks the conflicting historical narratives presented by various states in the region It also takes a detailed look at the role of the American Jewish lobby which constantly pressured the United States to overlook Israel's refusal to go back to the lines of June 5 1967 or to stop creating facts on the ground in East Jerusalem The role of the oil lobby in seeking the reversal of Israeli annexationist steps in Jerusalem is also analyzed The failure of several American presidents to broker an Arab Israeli peace agreement is seen here as the result of the latitude enjoyed by presidential advisers in determining the main contours of American foreign policy in this region and guarding

access to the chief executive in times of crisis Finally the book is an illustration of the perils of downplaying the human rights abuses of junior client states in order to placate national lobby groups in the United States leading to the entrenchment of the Israeli state not only over Jerusalem but throughout the West Bank

Nationalism: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In Islamic studies as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Islamic Studies a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of the Islamic religion and Muslim cultures Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

Special Bibliography Series United States Air Force Academy. Library,2000 *The Middle East* Lawrence Ziring,1992 Covering the 22 countries forming the great arc from Morocco through Turkey In some 250 entries Ziring political science Western Michigan U treats recent history and current events as well as the terms characteristics movements and institutions that describe the Middle East in the last half of the 20th c under seven topics political geography and geopolitics ethnicity and political culture Islam conflict Israelis and Palestinians diplomacy political parties and movements The significance section in each entry is a particularly useful commentary The detailed index runs to 28 pages A fine reference at a modest price Annotation copyright by Book News Inc Portland OR

European Imperialism: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In Islamic studies as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide

Mordechai Nisan, 2015-05-31 Lebanon is an exceptionally misunderstood country its religious politics are typically misrepresented and denigrated in Western political commentary Politics and War in Lebanon offers a lucid examination of Lebanese society and politics Mordechai Nisan examines Lebanon in its own terms on its own cultural turf He then points to the causes of political disintegration in 1975 and explores the capacity of Lebanon to recover and retain its unique national poise Avoiding disorienting Western stereotypes Nisan presents Lebanon in its own native frame of reference as a multi ethnic country that operates according to its immutable and enigmatic political forms Lebanon is different from other Arab countries as demonstrated through its very complex electoral system its tradition of cross elite cooperation and its special sense of Lebanese national identity that differentiates it from its overbearing Syrian neighbor Nisan explores intra Maronite Christian feuds identifies Syria's occupation strategy analyzes the violence of the Palestinians and studies Israel's failed policy strategy and the role of Hezbollah in the Lebanese power equation Lebanon is caught between its special historical identity as a country of poise creativity and liberty and the interminable warfare in the streets and villages of the country Although its future appears dim its resilience enabled it to prevail in the past and may yet continue to do so *Nonstate Actors in Intrastate Conflicts* Dan Miodownik, Oren Barak, 2013-10-09 Intrastate conflicts such as civil wars and ethnic confrontations are the predominant form of organized violence in the world today But internal strife can destabilize entire regions drawing in people living beyond state borders particularly those who share ideology ethnicity or kinship with one of the groups involved These nonstate actors may not be enlisted in formal armies or political parties but they can play a significant role in a conflict For example when foreign volunteers forge alliances with domestic groups they tend to attract other foreign interventions and may incite the state to centralize its power Diasporan populations depending on their connection to their homeland might engage politically through financial support or overt aggression either exacerbating or mitigating the conflict Nonstate Actors in Intrastate Conflicts takes an interdisciplinary approach to understanding the ways external individuals and groups become entangled with volatile states and how they influence the outcome of hostilities within a country's borders Editors Dan Miodownik and Oren Barak bring together top scholars to examine case studies in Afghanistan Lebanon Israel Palestine and Turkey in order to explore the manifold roles of external nonstate actors By shedding light on these overlooked participants whose causes and consequences can turn the tide of war Nonstate Actors in Intrastate Conflicts provides a critical new perspective on the development and neutralization of civil war and ethnic violence

Political Encyclopedia Of The Middle East Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Encyclopedia Of The Middle East has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Encyclopedia Of The Middle East has opened up a world of possibilities. Downloading Political Encyclopedia Of The Middle East provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Encyclopedia Of The Middle East has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Encyclopedia Of The Middle East. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Encyclopedia Of The Middle East. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Encyclopedia Of The Middle East, users should

also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Encyclopedia Of The Middle East has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Encyclopedia Of The Middle East Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Encyclopedia Of The Middle East is one of the best book in our library for free trial. We provide copy of Political Encyclopedia Of The Middle East in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Encyclopedia Of The Middle East. Where to download Political Encyclopedia Of The Middle East online for free? Are you looking for Political Encyclopedia Of The Middle East PDF? This is definitely going to save you time and cash in something you should think about.
