

El contexto político de la participación comunitaria en América Latina

The political context for community participation in Latin America

Roberto Briceño-León ¹

¹ Laboratorio de Ciencias Sociales, Universidad Central de Venezuela, Apartado 47295, Caracas 10449 - A, Venezuela. roberto@necvclan.ve

Abstract. *This article reviews the overall significance of the concept of community participation in health with respect to endemic diseases. It also observes how changes in Latin American society during the past forty years have forced radical changes in the notion of participation. The article describes changes in society and analyzes participation in the Cold War context, with four modalities of participation: as ideological manipulation, as cheap labor, as medical care facilitation, and as subversion. It then reviews participation in the context of the crisis of ideologies and describes two modalities: participation as a grassroots movement and as popular promotion. Finally, it interprets the forms participation takes in the context of economic adjustment programs, and from there it describes participation as both a complement to the State and a form of privatization. The article concludes with a proposal for participation as a mechanism to expand and extend democracy; in this sense, it highlights participation as a means of criticism of power, a fomenter of democratic organization, and a mechanism of transformation for the health sector.*

Key words: Consumer Participation; Community Participation; Democracy; Health Policy; Public Health

Resumen. *El artículo revisa las distintas significaciones que ha tenido el concepto de participación comunitaria en salud y en relación a las endemias, y observa cómo los cambios en la sociedad latinoamericana han obligado a producir transformaciones radicales en la idea de participación durante los últimos cuarenta años. El artículo describe estos cambios en la manera de concebir la participación comunitaria con los cambios de la sociedad, comienza analizando la participación en el contexto de la guerra fría, en la cual encuentra cuatro modalidades: la participación como manipulación ideológica, como mano de obra barata, como facilitadora de la acción médica y como subversión. Luego pasa a revisar la participación en el contexto de la crisis de las ideologías y allí describe dos modalidades: la participación como movimiento de base y como promoción popular. Finalmente interpreta las maneras que la participación adquiere en el contexto de los programas de ajuste y allí la describe como complemento del Estado y como privatización. El artículo concluye con una propuesta de la participación como un mecanismo para obtener más democracia y en ese sentido destaca a la participación como medio de crítica del poder, como fomento de la organización democrática y como un mecanismo de transformación del sector salud.*

Palabras clave: Participación Comunitaria; Democracia; Política de Salud; Salud Pública

Political Participation In Latin America Volume I Citizen And State

John A. Booth, Mitchell A. Seligson

Political Participation In Latin America Volume I Citizen And State:

Parties, Elections, and Political Participation in Latin America Jorge I Dominguez, 2014-02-04 First Published in 1994 This is Volume five of seven of a collection of essays that gathers together scholarly debates from the 1950s to the 1990s on Mexico Central and South America This text looks at topics such as government parties in Latin America the Mexican elections of 1958 political campaigning the scope of the Chilean Party systems the case of Peronism and electoral change amongst others

Political Participation in Latin America University of Texas at San Antonio, 1979 Compilation of conference papers on the political participation of low income rural workers and urban area workers in Latin America discusses the significance structure and level of participation political violence women s participation perception and political power relationships to trade unionization and working class political ideology etc Bibliography pp 219 to 244 and statistical tables Conference held in san antonio 1976 November 12 and 13

Citizenship and Involvement in European Democracies Jan W. Van Deth, José Ramón Montero, Anders Westholm, 2007-02-12 This is an examination of the results of a cross national analysis of citizenship and participation among citizens in 12 European democracies The book investigates the relationships between social and political involvement and between small scale and large scale democracies

Latin American Political Culture John A. Booth, Patricia Bayer Richard, 2014-11-10 Analysing data on eighteen countries this book systematically and comparatively evaluates norms attitudes and opinions concerning democracy and its consolidation and presents readers with a pan Latin American examination of the region s contemporary political culture

Political Participation and Democratic Capability in Authoritarian States Lien Pham, Ance Kaleja, 2021-02-22 This book provides an innovative theoretical and empirical exploration of the political participation and democratic capability of people living in authoritarian states Merging perspectives from sociology and political science the book demonstrates that despite autocratic restrictions on opposition there is often still leeway for people to express themselves as political agents and to develop democratic capability The first two chapters problematise political participation and develop an interdisciplinary three domain framework that allows for critical engagement with and appreciation of the contexts and varied ways in which participatory activities occur This framework is applied to analyse six country case studies Singapore Jordan Belarus Cuba Nigeria and Vietnam Drawing on a range of data sources and different analytical entry points the book investigates the substantive opportunities people have in exercising political agency and the implications for democratic capability The book concludes by summarising the emergent themes and examining the potential of applying this method of inquiry in other political contexts Encompassing both governmental and societal practices the book offers insights into state society relations and their role in constructing political values and goals for participation which people negotiate and mediate to inform their choices modes and forms of civic engagement These insights present a broad approach towards the study of participation with relevance for understanding political participation in various societies under non democratic and democratic rule alike This book will be

useful for researchers and students interested in political dynamics and intersections with economic cultural and social aspects of development It will also be beneficial for practitioners interested in participatory actions and social change

Political Culture and Foreign Policy in Latin America Roland H. Ebel, Raymond C. Taras, James D. Cochrane, 1991-09-27 This book explores the impact of Latin America's political culture on the international politics of the region It offers a general account of traditional Iberian political culture while examining how relations among states in the hemisphere where the United States has been the central actor have evolved over time The authors assess the degree of consistency between domestic and international political behavior The assessments are supported by case studies *The Legitimacy Puzzle in Latin America* John A. Booth, Mitchell A. Seligson, 2009-02-02 This book examines citizens' attitudes toward the legitimacy of their political systems and the relationship between political legitimacy and democratic stability

CONTEMPORARY POLITICAL THEORY VINOD, M. J., DESHPANDE, MEENA, 2013-01-11 Intended as a text for the postgraduate students of political science this well researched book attempts to track the evolution of political ideas in the recent past and their background It brings out the contemporary epistemological and methodological debates within the discipline and social sciences as a whole and incorporates the latest developments in the field Divided into forty chapters under eleven parts the book deals with the core concepts and debates in political theory and focuses on the state-society interactions It tries to explain how the states, societies and cultures have responded to the emerging challenges thrown up by the social, economic and political factors and the direction of the response It also dwells on the impact of globalisation on current trends Finally the book analyses the ideas of modern Indian thinkers such as V D Savarkar, Jawaharlal Nehru, Ram Manohar Lohia, B R Ambedkar and Jayaprakash Narayan Besides the postgraduate students of political science the book would also be useful to the aspirants of civil services examinations and the initiated readers

Welfare, Poverty and Development in Latin America Christopher Abel, Colin M. Lewis, 2015-12-30 The book analyzes the social consequences of recent development strategies in Latin America The volume introduces readers to official strategies, private initiatives and individual responses to issues of welfare and poverty during the twentieth century These issues are addressed from several disciplines A substantial introduction is followed by a wide range of case studies including Pinochet's Chile, the Haiti of the Duvaliers and Nicaragua under the somocistas and sandinistas as well as Brazil, Mexico, the Argentine, Cuba and Colombia

Politics, Policies, & Economic Development in Latin America, 1984 *Citizens' Power in Latin America* Pascal Lupien, 2018-03-14 *Citizens' Power in Latin America* takes the reader into the heart of communities where average citizens are attempting to build a new democratic model to improve their socioeconomic conditions and to have a voice in decisions that affect their lives Based on groundbreaking fieldwork conducted in Venezuela, Ecuador and Chile, Pascal Lupien contrasts two models of participatory design that have emerged in Latin America and identifies the factors that enhance or diminish the capacity of these mechanisms to produce positive outcomes He draws on lived experiences of citizen participants to reveal the potential and

the dangers of participatory democracy Why do some democratic innovations appear to succeed while others fail To what extent do these institutions really empower citizens and in what ways can they be used by governments to control participation What lessons can be learned from these experiments Given the growing dissatisfaction with existing democratic systems across the world this book will be of interest to people seeking innovative ways of deepening democracy

The Politics of Population in Brazil Peter McDonough, Amaury DeSouza, 2014-08-27 The population of Brazil increased tenfold from 10 to over 100 million between 1880 and 1980 nearly half of this increase occurring since the end of World War II The Politics of Population in Brazil examines the attitudes toward population planning of Brazilian government officials and other elites bishops politicians labor leaders and business owners in comparison with mass public opinion The authors findings that elites seriously underestimate the desire for family planning services while the public views birth control as a basic issue represent an important contribution on a timely issue A major reason for this disparity is that the elites tend to define the issue as a matter of national power and collective growth and the public sees it as a bread and butter question affecting the daily lives of families McDonough and DeSouza document not only the real gulf between elite and mass opinion but also the propensity of the elites to exaggerate this gap through their stereotyping of public opinion as conservative and disinterested in family planning Despite these differences the authors demonstrate that population planning is less conflict ridden than many other controversies in Brazilian politics and probably more amenable to piecemeal bargaining than some earlier studies suggest In part this is because attitudes on the issue are not closely identified with opinions regarding left versus right disputes In addition for the public in general religious sentiment affects attitudes toward family planning only indirectly This separation which reflects the historical lack of penetration of Brazilian society on the part of the church further attenuates the issue s potential for galvanizing deep seated antagonisms As the authors note this situation stands in contrast to the fierce debates that moral issues have generated in Spain and Ireland The study is noteworthy not only for its original approach the incorporation of mass and elite data and the departure from the standard concerns with fertility determinants in population but also for its sophisticated methodology and lucid presentation

The Logic of Multiparty Systems M.J. Holler, 2012-12-06 What determines the number of political parties in a democracy Electoral rules certainly influence the incentives to create and maintain parties However a society s political culture can maintain parties despite electoral rules that give them poor prospects of success Thus comparing the number of parties and differences in electoral rules across countries cannot clearly test the effect of the electoral rules A better test would examine a society with a fairly continuous political culture but a change in electoral rules Postwar France is such a society While the basic social order has not changed there was a drastic change in the electoral system in 1958 which theory implies would reduce the number of parties Thus we can test the hypothesis that the number of parties fell with the change in electoral system We can also calculate an equivalent number of parties to see how closely France approached a two party system under the new regime The first

section describes the electoral rules under the Fourth and Fifth Republics The second section develops a model that indicates how the change in electoral rules should have affected the incentives for multiple parties The third section tests the hypothesis that the number of parties fell from the Fourth to the Fifth Republic

1 Electoral Rules In the French Fourth Republic 1945 1958 political parties existed largely to serve the direct interests of their members **Competitive Elections in Developing Countries** Myron Weiner, Ergun Özbudun, 1987 This is the latest in the At the Polls series in which Duke University Press has joined with the American Enterprise Institute for Public Policy Research to publish studies on the electoral process as it functions around the world Cited by Choice for its high standard of scholarly analysis and objectivity the series provides both a chronicle of events and a thorough analysis of the election results **State, Labor, Capital** Paul G. Buchanan, 1987 Report offers an extended theoretical and methodological discussion of the logics of collective action and processes by which labor is incorporated into the substantive phases of democratic regime consolidation in the Southern Cone of Latin America Keywords South America Class Compromise Organized Labor Argentina Uruguay Brazil **The Making of Citizens** Bryan Roberts, 2020-11-25 Originally published as Cities of Peasants this highly acclaimed account of the expansion of capitalism in the developing world has now been extensively rewritten and updated Focusing on Latin America Bryan Roberts traces the evolution of developing societies and their economies to the present Taking account of the move towards more open economies a shrinking of the state and various transitions towards democracies he shows how urban growth has produced new patterns of social stratification creating opportunities for social mobility but doing little to decrease income inequality or political and social pressures Underlying social changes have broadened the practice of citizenship in developing countries limiting authoritarian rule but within a context of entrenched social inequalities and persisting political instability This book conveys both the flavour of life in the cities of the third world and the immediacy of their problems **Latin America and Caribbean Contemporary Record**, 1985 Voting Rights in the Era of Globalization Daniele Caramani, Florian Grotz, 2018-02-02 This book discusses how the extension of voting rights beyond citizenship i e to non national immigrants and residence i e to expatriates can be interpreted in the light of democratization processes in both Western countries and in developing regions It does so by inserting the globalization specific extension of voting rights to immigrants and expatriates within the long term series of historical waves of democratization Does the current extension enhance democracy by granting de facto disenfranchised immigrants and emigrants political rights or does it jeopardize the very functioning of democracy by undermining its legitimacy through the removal of territorial and national boundaries The book offers a preliminary synthesis in a broad comparative perspective covering both alien and external voting rights in Europe Sub Saharan Africa and Latin America It shows that reforms toward more expansive electorates vary considerably and that their effects on the inclusion of migrants largely depend on the specific regulations and the socio political context in which they operate The book was originally published as a special issue of Democratization

Philosophizing the Americas Jacoby Adeshei Carter, Hernando Arturo Estévez, 2024-04-16 Philosophizing the Americas establishes the field of inter American philosophy Bringing together contributors who work in Africana Philosophy Afro Caribbean philosophy Latin American philosophy Afro Latin philosophy decolonial theory and African American philosophy the volume examines the full range of traditions that have separately and in conversation with each other worked through how philosophy in both establishes itself in the Americas and engages with the world from which it emerges The book traces a range of questions from the history of philosophy in the Americas to philosophical questions of race feminism racial eliminativism creolization epistemology coloniality aesthetics and literature The essays place an impressive range of philosophical traditions and figures into dialogue with one another some familiar such as Jos Mart Sylvia Wynter Martin R Delany Jos Vasconcelos Alain Locke as well as such less familiar thinkers as Arturo Alfonso Schomburg Hilda Hilst and George Lamming In each chapter the contributors find fascinating and productive matrices of tension or convergence in works throughout the Americas The result is an original and important contribution to knowledge that introduces readers from various disciplines to unfamiliar yet compelling ideas and considers familiar texts from novel and prescient perspectives Philosophizing the Americas stands alone as a representation of current scholarly debates in the field of inter American philosophy Contributors Stephanie Rivera Berruz Jacoby Adeshei Carter Nadia Celis Tommy J Curry Hernando A Est vez Daniel Fryer James B Haile III Chike Jeffers Lee A McBride III Michael Monahan Adriana Novoa Susana Nuccetelli Andrea J Pitts Dwayne A Tunstall and Alejandro A Vallega

Transnational Citizenship Across the Americas Ulla Berg, Robyn Rodriguez, 2015-12-22 Mass migrations diasporas dual citizenship arrangements neoliberal economic reforms and global social justice movements have in recent decades produced shifting boundaries and meanings of citizenship within and beyond the Americas In migrant receiving countries this has raised questions about extending rights to newcomers In migrant sending countries it has prompted states to search for new ways to include their emigrant citizens into the nation state This book situates new practices of immigrant and emigrant citizenship and the policies that both facilitate and delimit them in a broader political economic context It shows how the ability of people to act as transnational citizens is mediated by inequalities along the axes of gender race nationality and class both in and between source and destination countries resulting in a plethora of possible relations between states and migrants The volume provides cross disciplinary and theoretically engaging discussions as well as empirically diverse case studies from countries in Latin America and the Caribbean that have been transformed into emigrant states in recent years offering new concepts and theory for the study of transnational citizenship This book was originally published as a special issue of Identities Global Studies in Culture and Power

Getting the books **Political Participation In Latin America Volume I Citizen And State** now is not type of inspiring means. Political Participation In Latin America Volume I Citizen And State Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Participation In Latin America Volume I Citizen And State has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Participation In Latin America Volume I Citizen And State has opened up a world of possibilities. Downloading Political Participation In Latin America Volume I Citizen And State provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Participation In Latin America Volume I Citizen And State has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Participation In Latin America Volume I Citizen And State. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Participation In Latin America Volume I Citizen And State. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Participation In Latin America Volume I Citizen And State, users should also consider the potential security risks associated with online platforms. Malicious

actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Participation In Latin America Volume I Citizen And State has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Participation In Latin America Volume I Citizen And State Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Participation In Latin America Volume I Citizen And State is one of the best book in our library for free trial. We provide copy of Political Participation In Latin America Volume I Citizen And State in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Participation In Latin America Volume I Citizen And State. Where to download Political Participation In Latin America Volume I Citizen And State online for free? Are you looking for Political Participation In Latin America Volume I Citizen And State PDF? This is definitely going to save you time and cash in something you should think about.
