

THE POLITICAL PULPIT REVISITED

Roderick P. Hart and John L. Pausley II

Political Ideology in America

Political Pulpit Revisited

**Roderick P. Hart, Jay P. Childers, Colene
J. Lind**

Political Pulpit Revisited:

The Political Pulpit Revisited John Lester Pauley, 2005 The United States is home to some 2000 different religious denominations a fact which makes remarkable the relative calm that has marked the nation's spiritual life The authors discuss the political and social contexts within which American religious congregations manage to get along so well The Rhetoric of American Civil Religion Jason A. Edwards, Joseph M. Valenzano III, 2016-09-30 The tie that binds all Americans regardless of their demographic background is faith in the American system of government This faith manifests as a form of civil or secular religion with its own core documents creeds oaths ceremonies and even individuals In The Rhetoric of American Civil Religion Symbols Sinners and Saints contributors seek to examine some of those core elements of American faith by exploring the proverbial saints sinners and dominant symbols of the American system **The Oxford Handbook of Religion and American Politics** Corwin E. Smidt, Lyman A. Kellstedt, James L. Guth, 2017 Over the past three decades the study of religion and politics has gone from being ignored by the scholarly community to being a major focus of research Yet because this important research is not easily accessible to nonspecialists much of the analysis of religion's role in the political arena that we read in the media is greatly oversimplified This Handbook seeks to bridge that gap by examining the considerable research that has been conducted to this point and assessing what has been learned what remains unsettled due to conflicting research findings and what important questions remain largely unaddressed by current research endeavors The Handbook is unique to the field of religion and American politics and should be of wide interest to scholars students journalists and others interested in the American political scene **Politics, Taxes, and the Pulpit** Nina J. Crimm, Laurence H. Winer, 2010-11-03 In Politics Taxes and the Pulpit Nina J. Crimm and Laurence H. Winer examine the provocative mix of religion politics and taxes involved in the controversy over houses of worship engaging in electoral political speech The authors analyze the dilemmas associated with federal tax subsidies benefiting nonprofit houses of worship conditioned on their refraining from political campaign speech The Supreme Court's recent *Citizens United* decision invalidating federal campaign finance restrictions on corporations political campaign speech makes the remaining analogous restrictive tax laws constraining many nonprofit entities all the more singular and problematic particularly for houses of worship Crimm and Winer explore the multifaceted constitutional tensions arising from this legal structure and implicating all fundamental values embodied in the First Amendment free speech and free press the free exercise of religion and the avoidance of government establishment of religion They also examine the history and economics of taxation of houses of worship The authors conclude that there exists no means of fully resolving the irreconcilable clashes in a constitutionally permissible and politically and socially palatable manner Nonetheless Crimm and Winer offer several feasible legislative proposals for reforming tax provisions that likely will generate considerable debate If Congress adopts the proposed reforms however the revised system should substantially ameliorate the disquieting constitutional tensions induced by the current tax

laws and curb the growing emotionally charged atmosphere about the role of religion in the public sphere

Political Conversion Don Waisanen, 2018-04-20 Stories of religious conversion have been told for millennia Yet many prominent figures such as Ronald Reagan Hillary Clinton and Rick Perry have also used stories of their change from one political worldview to another as a communication strategy aimed at winning the hearts and minds of the public This book is about political conversion stories in public discourse in their evolution from and interactions with religion From a historical perspective it charts the development of conversion narratives from religious contexts to their contemporary applications as specifically political messages Since these narratives continue to be used in the culture wars this book examines several related autobiographies that contributed to the use of this strategy in contemporary U S politics Each case shows how shifts during the postwar period called for conversion texts under varying guises and illustrates how and why the majority of these stories have been of conversions from the ideological left to the right Examining political conversion as a form of public persuasion Political Conversion ultimately provides insight into what these types of civic religious stories mean for democratic communication and communities

The Moral Rhetoric of American Presidents Colleen J. Shogan, 2007-09-17 Although sometimes decried by pundits George W Bush s use of moral and religious rhetoric is far from unique in the American presidency Throughout history and across party boundaries presidents have used such appeals with varying degrees of political success The Moral Rhetoric of American Presidents astutely analyzes the president s role as the nation s moral spokesman Armed with quantitative methods from political science and the qualitative case study approach prevalent in rhetorical studies Colleen J Shogan demonstrates that moral and religious rhetoric is not simply a reflection of individual character or an expression of American civil religion but a strategic tool presidents can use to enhance their constitutional authority To determine how the use of moral rhetoric has changed over time Shogan employs content analysis of the inaugural and annual addresses of all the presidents from George Washington through George W Bush This quantitative evidence shows that while presidents of both parties have used moral and religious arguments the frequency has fluctuated considerably and the language has become increasingly detached from relevant policy arguments Shogan explores the political effects of the rhetorical choices presidents make through nine historical cases Presidents Washington Jefferson Madison Buchanan Lincoln Theodore Roosevelt Kennedy Lyndon Johnson and Carter She shows that presidents who adapt their rhetoric to the political conditions at hand enhance their constitutional authority while presidents who ignore political constraints suffer adverse political consequences The case studies allow Shogan to highlight the specific political circumstances that encourage or discourage the use of moral rhetoric Shogan concludes with an analysis of several dilemmas of governance instigated by George W Bush s persistent devotion to moral and religious argumentation

Religion and Politics in America Robert Booth Fowler, 2018-05-04 this book focuses on religion and politics and the dynamic interactions between them It helps to understand the politics of religion in the United States and to appreciate the strategic choices that

politicians and religious participants make when they participate in politics

Political Tone Roderick P. Hart, Jay P. Childers, Colene J. Lind, 2013-05-14 It is not what you say but how you say it. Solving problems with words is the essence of politics and finding the right words for the moment can make or break a politician's career. Yet very little has been said in political science about the elusive element of tone. In *Political Tone*, Roderick P. Hart, Jay P. Childers, and Colene J. Lind analyze a range of texts from speeches and debates to advertising and print and broadcast campaign coverage using a sophisticated computer program, DICTION, that parses their content for semantic features like realism, commonality, and certainty as well as references to religion, party, or patriotic terms. Beginning with a look at how societal forces like diversity and modernity manifest themselves as political tones in the contexts of particular leaders and events, the authors proceed to consider how individual leaders have used tone to convey their messages. How did Bill Clinton's clever dexterity help him recover from the Monica Lewinsky scandal? How did Barack Obama draw on his experience as a talented community activist to overcome his inexperience as a national leader? And how does Sarah Palin's wandering tone indicate that she trusts her listeners and is open to their ideas? By focusing not on the substance of political arguments but on how they were phrased, *Political Tone* provides powerful and unexpected insights into American politics.

Entertaining Fear Catherine Chaput, Mary Jean Braun, Danika Margo Brown, 2010 At the heart of how citizens, governments, and the media interact is the communication process, a process that is undergoing tremendous change. Never has there been a time when confronting the complexity of these evolving relationships has been so important to the maintenance of civil society. This series seeks books that advance the understanding of this process from multiple perspectives and as it occurs in both institutionalized and non-institutionalized political settings.

The Politics of the Sacred in America Anthony Squiers, 2017-12-21 This book provides a comprehensive investigation of the political dimensions of civil religion in the United States. By employing an original social psychological theory rooted in semiotics, it offers a qualitative and quantitative empirical examination of more than fifty years of political rhetoric. Further, it presents two in-depth case studies that examine how the cultural totemic sign of the Founding Fathers and the signs of America's sacred texts, the Constitution and the Declaration of Independence, are used in attempts to link partisan policy positions with notions that the country collectively holds sacred. The book's overarching thesis is that America's civil religion serves as a discursive framework for the country's politics, mediating the demands of particularistic interests and social solidarity through the interaction of social belief and institutional politics like elections and the Supreme Court. The book penetrates America's unique political religiosity to reveal and unravel the intricate ways in which politics, political institutions, religion, and culture intertwine in the United States.

Religious Rhetoric and American Politics Christopher B. Chapp, 2012-11-15 From Reagan's regular invocation of America as a city on a hill to Obama's use of spiritual language in describing social policy, religious rhetoric is a regular part of how candidates communicate with voters. Although the Constitution explicitly forbids a religious test as a qualification to public office, many citizens base their

decisions about candidates on their expressed religious beliefs and values In *Religious Rhetoric and American Politics* Christopher B Chapp shows that Americans often make political choices because they identify with a civil religion not because they think of themselves as cultural warriors Chapp examines the role of religious political rhetoric in American elections by analyzing both how political elites use religious language and how voters respond to different expressions of religion in the public sphere Chapp analyzes the content and context of political speeches and draws on survey data historical evidence and controlled experiments to evaluate how citizens respond to religious stumping Effective religious rhetoric he finds is characterized by two factors emotive cues and invocations of collective identity and these factors regularly shape the outcomes of American presidential elections and the dynamics of political representation While we tend to think that certain issues e g abortion are invoked to appeal to specific religious constituencies who vote solely on such issues Chapp shows that religious rhetoric is often more encompassing and less issue specific He concludes that voter identification with an American civic religion remains a driving force in American elections despite its potentially divisive undercurrents

The Electronic Church in the Digital Age Mark Ward Sr., 2015-11-10 This two volume set investigates the evangelical presence in America as experienced through digital media examining current evangelical ideologies regarding education politics family and government Evangelical broadcasting has greatly expanded its footprint in the digital age This informative text acquaints readers with how the electronic church of today spreads its message through Internet podcasts social networking religious radio programs and televised sermons how mass media forms the institution s modern identity and what the future of the industry holds as mobile church apps Christian based video games and online worship become the norm The work split into two volumes reveals the ways that the Christian broadcast community affects evangelical traditions and influences American society in general Volume 1 explores how electronic media shapes today s Christian subculture while the second volume describes how the electronic church impacts the wider American culture analyzing what key figures in evangelical mass media are saying about today s religious political economic and social issues The set concludes by addressing criticism about religious media and the prospects of American public discourse to accomodate both secular and religious voices

Rhetoric and Human Consciousness Craig R. Smith, 2017-04-12 For two decades students and instructors have relied on award winning author Craig Smith s detailed description and analysis of rhetorical theories and the historical contexts for major thinkers who advanced them He employs key themes from important philosophical schools in this well researched chronicle of rhetoric and human consciousness One is that rhetoric is a response to uncertainty The modern philosophers like the naturalists of ancient Greece and the Scholastics who preceded them tried to end uncertainty by combining the discoveries of science and psychology with rationalism Their aim was progress and a consensus among experts as to what truth is However where modernism proved ineffective rhetoric was revived to fill the breach Another significant theme is that different conceptions of human consciousness lead to different theories of rhetoric and for every major school of thought another

school of thought forms in reaction Classic and contemporary examples demonstrate the usefulness of rhetorical theory especially its ability to inform and guide By providing probes for rhetorical criticism discussions also demonstrate that rhetorical criticism illustrates verifies and refines rhetorical theory Thus the synergistic relationship between theory and criticism in rhetoric is no different than in other arts Theory informs practice analysis of successful practice refines theory Smith s absorbing study has been expanded to include thorough treatments of rhetoric in the Romantic Era feminist and queer theory and historical context for the creation of rhetorical theory and its use in public address **C. H. Sisson**

Reconsidered Victoria Moul, John Talbot, 2023-01-01 This book is the first collection of essays dedicated to the work of C H Sisson 1915 2003 a major English poet critic and translator The collection aims to offer an overall guide to his work for new readers while also encouraging established readers of one aspect such as his well known classical translations to explore others It champions in particular the quality of his original poetry The book brings together contributions from scholars and critics working in a wide range of fields including classical reception translation studies and early modern literature as well as modern English poetry and concludes with a more personal essay on Sisson s work by Michael Schmidt his publisher

New Directions in Rhetoric and Religion James W. Vining, 2021-08-10 New Directions in Rhetoric and Religion reflects the complex and fluid natures of religion rhetoric and public life in our globalized digital and politically polarized world by bringing together a diverse group of rhetorical scholars to provide a comprehensive and forward looking collection on rhetoric and religion This volume addresses these topics in three separate sections 1 Rhetorics of religion at work in public activism 2 Rhetorics of religion in contemporary public discourse and 3 Ways that rhetoric scholars study religion Scholars of rhetoric religion and social sciences will find this book particularly interesting Modern Rhetorical Criticism Roderick P

Hart, Suzanne M. Daughton, Rebecca Lavalley, 2017-12-06 A comprehensive and up to date introduction to the analysis of public rhetoric Modern Rhetorical Criticism teaches readers how to examine and interpret rhetorical situations ideas arguments structure and style The text covers a wide range of critical techniques from cultural and dramatistic analysis to feminist and Marxist approaches A wealth of original criticism demonstrates how to analyze such diverse forms as junk mail campaign speeches and popular entertainment as well as literature This long awaited revision offers specific guidance on crafting analytic essays and contains new coverage of legacy as well as new media identity criticism and post colonial and decolonial criticism The fourth edition also offers additional resources online for instructors and students **What**

Democrats Talk about When They Talk about God David Weiss, 2010-10-11 What Democrats Talk about When They Talk about God is a collection of essays on the religious communication of members of the Democratic Party past and present in office while campaigning and in their public and private writing While many books on the market address issues at the intersection of church and state none to date have focused exclusively on Democrats as important participants in the dialogue about religion and politics **The Politics of Consolation** Christina Simko, 2015-07-28 What meaning can be

found in calamity and suffering This question is in some sense perennial reverberating through the canons of theology philosophy and literature Today *The Politics of Consolation* reveals it is also a significant part of American political leadership Faced with uncertainty shock or despair Americans frequently look to political leaders for symbolic and existential guidance for narratives that bring meaning to the confrontation with suffering loss and finitude Politicians in turn increasingly recognize consolation as a cultural expectation and they often work hard to fulfill it The events of September 11 2001 raised these questions of meaning powerfully How were Americans to make sense of the violence that unfolded on that sunny Tuesday morning This book examines how political leaders drew upon a long tradition of consolation discourse in their effort to interpret September 11 arguing that the day's events were mediated through memories of past suffering in decisive ways It then traces how the struggle to define the meaning of September 11 has continued in foreign policy discourse commemorative ceremonies and the contentious redevelopment of the World Trade Center site in lower Manhattan

Studies of Communication in the 2012 Presidential Campaign Robert E. Denton Jr., 2014-06-04 This diverse and unique collection of essays examines a wide range of communication elements and themes in the context of the 2012 election Topics include the early campaign and Romney's nomination battle candidate image the rhetoric and campaigning of Michelle Obama and Ann Romney issues of race persuasive appeals to voters the use of music and social media and Obama's second inaugural address *Studies of Communication in the 2012 Presidential Campaign* aims not only to expand the contributions and understandings of the various roles of communication in the 2012 presidential election but also to cultivate a more active democratic citizenry

The Disappearing God Gap? Corwin Smidt, Kevin den Dulk, Bryan Froehle, James Penning, Stephen Monsma, Douglas Koopman, 2010-02-08 After the reelection of George W Bush in 2004 the God Gap became a hotly debated political issue Religious voters were seen as the key to Bush's victory and Democrats began scrambling to reach out to them Four years later however with the economy in a tailspin on election day religion barely seemed to register on people's radar screens In this book a team of well regarded scholars digs deeper to examine the role religion played in the 2008 campaign They take a long view placing the election in historical context and looking at the campaign as a whole from the primaries through all the way through election day At the heart of their analysis is data gleaned from a national survey conducted by the authors in which voters were interviewed in the spring of 2008 and then re-interviewed after the election

Thank you definitely much for downloading **Political Pulpit Revisited**. Maybe you have knowledge that, people have look numerous times for their favorite books gone this Political Pulpit Revisited, but end in the works in harmful downloads.

Rather than enjoying a fine PDF gone a cup of coffee in the afternoon, then again they juggled taking into consideration some harmful virus inside their computer. **Political Pulpit Revisited** is welcoming in our digital library an online admission to it is set as public correspondingly you can download it instantly. Political Pulpit Revisited Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Pulpit Revisited has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Pulpit Revisited has opened up a world of possibilities. Downloading Political Pulpit Revisited provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Pulpit Revisited has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Pulpit Revisited. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Pulpit Revisited. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Pulpit Revisited, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Pulpit Revisited has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Pulpit Revisited Books

What is a Political Pulpit Revisited PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Pulpit Revisited PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Pulpit Revisited PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Pulpit Revisited PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Pulpit Revisited PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
