Political Reform in Israel Avraham Brichtha, 2001 This text analyzes and tests the many political reforms proposed and implemented in Israel *Politics and Government in Israel, Fourth Edition* Gregory S. Mahler, Reuven Y. Hazan, 2024-12-01

This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history authors Gregory S. Mahler and Reuven Y. Hazan examine the social, religious, economic, cultural, and military contexts within which Israeli politics takes place They explain the operation of political institutions and behavior in domestic politics such as the constitutional system, parliamentary government, and the executive, legislative, and judicial machinery of government including discussion of elections and voting, political parties, and civil society and democracy in Israel Finally, Israel's foreign policy, setting, and apparatus are considered as well as the challenges faced by the Palestinians in Israel and the peace process between Israel and its neighbors Clear and concise *Politics and Government in Israel* provides an invaluable starting point for all readers needing a cogent introduction to Israel today
