Constructing the Craft of Public Administration Christine Shearer,2021-11-11 This book draws on recent empirical research and reports unique insight into the craft of public administration of the most senior echelons of the Australian Public Service APS This work is set in the context of a comparative analysis of the significant public sector reforms by successive governments from the 1980s across Westminster polities Such reforms and the contemporary management ideas on which they were based including new managerialism and new public management NPM travelled were translated and transformed with some elements accepted and others rejected This book addresses how the most senior public servants in the APS construct their craft today amid such reforms Chapter two covers the myriad of public sector reforms across Westminster polities Chapters three and four cover the environments and contemporary management ideas which influence public administration Chapters five and six showcase the public actors and the responsibilities they execute when they construct their craft The final chapter provides a conceptual model of the craft of public administration and provides implications for theory and practice

Advancing Public Management Jeffrey L. Brudney,Laurence J. O'TooleJr.,Hal G. Rainey,2001-07-18 Public management involves leading coordinating and stimulating public agencies and programs to deliver excellent performance Research and practice of public management have developed rapidly in recent years drawing on the fields of public policy public administration and business management In carrying out their crucial roles in shaping what government delivers public managers today must confront daunting challenges imposed by shifting policy agendas constrained financial resources combined with with constant public demands for a rich array of public services and increasing interdependence among public private and third sector institutions and actors At the same time these challenges and other developments offer exciting opportunities for improving knowledge and practice in public management for the benefit of everyone In this volume leading scholars contribute advances in the theory methods and practice in this burgeoning field The selections address four key topics The nature and impact of public management Creative new methods for public management research Reform reinvention innovation and change New models and frameworks for understanding and improving public management

Understanding Korean Public Administration Kwang-Kook Park,Wonhee Lee,Seok-Hwan Lee,2016-06-17 Although much has been written about the Korean public administration the international academic community has little knowledge about it as most of the literature has been written in Korean This book aims to provide more accessible knowledge internationally by filling that gap covering both the history

and the current status of the Korean public administration This book is a collaboration of many Korean public administration scholars and would appeal to those interested in the secrets of Korea's rapid development in such a short span of time Each chapter covers historical contexts key to understanding its public administration and an important aspect as Korea is a fast changing society The book takes on a more pragmatic approach rather than to put the Korean experiences into the western theory Each chapter therefore provides an extensive discussion on the lessons learned and practical implications
