The Sexual Politics of Meat (20th Anniversary Edition) Carol J. Adams, 2010-05-27

The Sexual Politics of Meat - 25th Anniversary Edition Carol J. Adams, 2015-11-05 The Sexual Politics of Meat is Carol Adams inspiring and controversial exploration of the interplay between contemporary society's ingrained cultural misogyny and its obsession with meat and masculinity First published in 1990 the book has continued to change the lives of tens of thousands of readers into the second decade of the 21st century Published in the year of the book's 25th anniversary the Bloomsbury Revelations edition includes a substantial new afterword including more than 20 new images and discussions of recent events that prove beyond doubt the continuing relevance of Adams revolutionary book

Tastes of Faith Leah Hochman, 2017-12-15 Tell me what you eat and I will tell you what you are wrote the 18th Century French politician and musician Jean Brillat Savarin giving expression to long held assumptions about the role of food taste and eating in the construction of cultural identities Foodways the cultural religious social economic and political practices related to food consumption and production unpack and reveal the meaning of what we eat our tastes They explain not just our flavor profiles but our senses of refinement and judgment They also reveal quite a bit about the history and culture of how food operates and performs in society More specifically Jewish food practices and products expose and explain how different groups within American society think about what it means to be Jewish and the values as well as the prejudices people have about what Jewish means Food what one eats how one eats it when one eats it is a fascinating entryway into identity for Jews it is at once a source of great nostalgia and pride and the central means by

which acculturation and adaptation takes place In chapters that trace the importance and influence of the triad of bagels lox and cream cheese southern kosher hot barbecue Jewish vegetarianism American recipes in Jewish advice columns the draw of eating treyf nonkosher and the geography of Jewish food identities this volume explores American Jewish foodways predilections desires and presumptions *The Sexual Politics of Meat - 35th Anniversary Edition* Carol J. Adams, 2024-11-14 First published in 1990 Carol J Adams revolutionary work has engaged enraged inspired and challenged readers with its exploration of the interplay between society's ingrained cultural misogyny and its obsession with eating animals and masculinity This iconic book referenced in rock songs feminist artwork and even a Law and Order SVU episode continues to change the lives of its readers today Published to celebrate the book's 35th anniversary this Bloomsbury Revelations edition includes a new introduction that reflects on how recent events continue to prove the relevance of this influential work

The Sexual Politics of Meat Carol J. Adams, 2015-10-22 Many cultures equate meat eating with virility and in some societies women offer men the best i.e. bloodiest food at the expense of their own nutritional needs Building upon these observations feminist activist Adams detects intimate links between the slaughter of animals and violence directed against women She ties the prevalence of a carnivorous diet to patriarchal attitudes such as the idea that the end justifies the means and the objectification of others In *Frankenstein* Mary Shelley made her Creature a vegetarian a point Adams relates to the Romantics radical politics and to visionary novels by Charlotte Perkins Gilman Dorothy Bryant and others Adams who teaches at Perkins School of Theology Dallas sketches the alliance of vegetarianism and feminism in antivivisection activism the suffrage movement and 20th century pacifism Her original provocative book makes a major contribution to the debate on animal rights Writer activist university lecturer Adams's important and provocative work compares myths about meat eating with myths about manliness and explores the literary scientific and social connections between meat eating male dominance and war Drawing on such diverse sources as butchering texts cookbooks Victorian hygiene manuals and Alice Walker the author provides a compelling case for inextricably linking feminist and vegetarian theory This book is likely to both inspire and enrage readers across the political spectrum we learn for example that veal was served at Gloria Steinem's 50th birthday as well as of the atrocities of the slaughterhouse One wishes Adams had been more careful about documenting some of her claims her contention for instance that early humans were entirely vegetarian requires scholarly support Nevertheless this is recommended for both public and academic collections **Neither Man nor Beast** Carol J. Adams, 2018-01-25 In this landmark work of animal rights activism Carol J Adams the bestselling author of *The Sexual Politics of Meat* explores the intersections and common causes of feminism and the defense of animals *Neither Man Nor Beast* explores the common link between cultural attitudes to women and animals in modern Western culture that have enabled the systematic exploitation of both A vivid work that takes in environmental ethics theological perspectives and feminist theory the Bloomsbury Revelations edition includes a new foreword by the author and new images illustrating the continuing relevance of the book today

Ecofeminism, Second Edition Carol J. Adams, Lori Gruen, 2021-12-16 This new edition of *Ecofeminism Feminist Intersections with Other Animals and the Earth* begins with an historical grounding overview that situates ecofeminist theory and activism within the larger field of ecocriticism and provides a timeline for important publications and events Throughout the book authors engage with intersections of gender sexuality gender expression race disability and species to address the various ways that sexism heteronormativity racism colonialism and ableism are informed by and support animal oppression This collection is broken down into three separate sections Affect includes contributions from leading theorists and activists on how our emotions and embodiment can and must inform our relationships with the more than human world Context explores the complexities of appreciating difference and the possibilities of living less violently Climate new to the second edition provides an overview of our climate crisis as well as the climate for critical discussion and debate about ecofeminist ideas and actions Drawing on animal studies environmental studies feminist gender studies and practical ethics the ecofeminist contributors to this volume stress the need to move beyond binaries and attend to context over universal judgments spotlight the importance of care as well as justice emotion as well as reason and work to undo the logic of domination and its material implications

Animals and Women Carol J. Adams,Josephine Donovan,1995-11-14 Animals and Women is a collection of pioneering essays that explores the theoretical connections between feminism and animal defense Offering a feminist perspective on the status of animals this unique volume argues persuasively that both the social construction and oppressions of women are inextricably connected to the ways in which we comprehend and abuse other species Furthermore it demonstrates that such a focus does not distract from the struggle for women s rights but rather contributes to it This wide ranging multidisciplinary anthology presents original material from scholars in a variety of fields as well as a rare early article by Virginia Woolf Exploring the leading edge of the species gender boundary it addresses such issues as the relationship between abortion rights and animal rights the connection between woman battering and animal abuse and the speciesist basis for much sexist language Also considered are the ways in which animals have been regarded by science literature and the environmentalist movement A striking meditation on women and wolves is presented as is an examination of sexual harassment and the taxonomy of hunters and hunting Finally this compelling collection suggests that the subordination and degradation of women is a prototype for other forms of abuse and that to deny this connection is to participate in the continued mistreatment of animals and women

Queering Nutrition and Dietetics Phillip Joy,Megan Aston,2022-10-28 This book presents experiences of LGBTQ people relating to food bodies nutrition health wellbeing and being queer through critical writing and creative art

The chapters bring LGBTQ voices into the spotlight through arts based scholarship and contribute to experiential learning allowing for more understanding of the lives of LGBTQ people within the dietetic profession Divided into three parts the first explores eating food and bodies the second discusses communities connections and celebrations and the final part covers care in practice Topics include body image eating disorders weight stigma cooking and culinary journeys queer food culture queer practices in nutrition counseling and gendered understandings of nutrition Exploring not only experiences of marginalization homophobia transphobia and cisheteronormativity within dietetics and nutritional healthcare this collection also dives into the positive connections and supportive communities that food can create Special attention is paid to the intersections of oppression colonialism social justice and politics This book will be beneficial to all health professionals educators and students creating and fostering safer more inclusive and more accepting environments for their LGBTQ clients

The Top Books of the Year Political Palate A Feminist Vegetarian Cookbook The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Political Palate A Feminist Vegetarian Cookbook : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
