Political Parties and National Integration in Tropical Africa James Smoot Coleman, Carl G. Rosberg, 1966

Political Parties and National Integration in Tropical Africa James S. Coleman, Carl G. Rosberg, 2023-04-28 The essays in this book focus attention on the role of political groups in the new functioning and development of the new African societies and the political systems of which they are a part. The authors all recognized authorities have sought to identify and compare the manifestations of the general tendency among the new states of Tropical Africa toward the establishment and consolidation of one party political systems and to examine in the light of this general trend the different dimensions of the problem of integration. This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1964.
