**John Gaffney**

## **Political Parties And The European Union:**

**Political Parties and the European Union** John Gaffney, 2002-09-11 A major textbook for comparative courses on European politics and for courses on the European Union providing a panoramic survey of the political parties of Europe

*The Role of Political Parties in the European Union* Bjorn Lindberg, Anne Rasmussen, Andreas Warntjen, 2013-09-13 At the national level political parties play an important role in making representative democracy work. They help to aggregate and communicate policy preferences, link decision making between different legislative bodies and hold politicians accountable. In the European Union however the electoral connection is weak. This casts doubt on the impact of partisan politics at the European level. Are political parties able to fulfil their role as transmission belts ensuring political accountability and consistent decision making in the European Union? To answer this question we look at the micro foundations of partisan politics in the European Union. The contributions in this volume all depart from a common theoretical framework but use a wide range of empirical data and research designs covering qualitative process tracing, elite interview and large N quantitative analysis. Moreover they examine party effects in the electoral and legislative arena. Finally the volume covers all European institutions: the Commission, the Council of the European Union, the European Council and the European Parliament. The findings enhance our understanding of the workings of decision making in Brussels, add to the debate on the EU democratic deficit and highlight the usefulness of drawing upon insights from the literature on Comparative Politics when studying the European Union. This book was published as a special issue of the *Journal of European Public Policy*.

*Political Parties and the European Union* John Gaffney, 2002-09-11 *Political Parties and the European Union* offers a panoramic survey of the political parties of contemporary Europe. It covers party politics from Scandinavia to Greece, focusing on how parties in the individual member states have responded to the processes of European integration. Despite a trend towards political convergence, national traditions continue to shape politics across Europe. In order to reflect and do justice to the diversity of political cultures, the book combines case studies, comparative approaches and supranational perspectives. It examines the history of the main national parties, offers new comparative perspectives on communist, green and extreme right parties and analyses party politics at the European level.

*Political Representation and Legitimacy in the European Union* Hermann Schmitt, J. J. A. Thomassen, 1999 How severe a problem is what many call the democratic deficit of the European Union? Despite a voluminous theoretical literature dealing with this question, there is hardly any systematic empirical investigation of the effectiveness of the system of political representation in the EU and of the legitimacy beliefs of EU citizens that spring from it. This volume elaborates a conceptual framework for the empirical analysis of the alleged democratic deficit. Four dimensions of legitimacy beliefs are identified and analysed: the European political community, the scope of EU government, the institutions and processes of EU government and EU policies. Based upon large scale representative surveys among the mass public and different strata of the political elite of the EU and its member states, the book examines the conditions of

political representation in the EU The results demonstrate by and large that legitimacy beliefs of EU citizens are the more positive the less specific the object of identification and evaluations is and that the process of political representation works pretty well as long as issues other than European Union issues are concerned These findings are finally discussed in view of familiar strategies for institutional reform of the European Union

**The Role of Political Parties in the European Union**, 2008 **The Politics of the European Union** Herman Lelieveldt, Sebastiaan Princen, 2023-04-20 The European Union is a key player in determining policies and politics in Europe and yet understanding how it works remains a challenge The Politics of the European Union introduces students to its functioning by showing the similarities and differences between the EU and national political systems Fully revised and updated in its third edition this introductory textbook uses the tools of comparative politics to explore the history theories institutions key actors politics and policy making of the EU This comparative approach enables students to apply their knowledge of domestic politics and broader debates in political science to better understand the EU Numerous real world examples guide students through the textbook and chapter briefings fact files and controversy boxes highlight the important and controversial issues in EU politics A companion website features free Navigating the EU exercises to guide students in their analysis of EU policy making *The Struggle for European Union by Political Parties and Pressure Groups in Western European Countries 1945-1950* Walter Lipgens, Wilfried Loth, 2019-11-05 No detailed description available for The Struggle for European Union by Political Parties and Pressure Groups in Western European Countries 1945 1950 *Political Parties in Advanced Industrial Democracies* Paul Webb, David Farrell, Ian Holliday, 2002-09-26 How relevant and vital are political parties in contemporary democracies Do they fulfill the functions that any stable and effective democracy might expect of them or are they little more than moribund anachronisms relics of a past age of political life now superseded by other mechanisms of linkage between state and society These are the central questions which this book aims to address through a rigorous comparative analysis of political parties operating in the world's advanced industrial democracies Drawing on the expertise of an impressive team of internationally known specialists the book engages systematically with the evidence to show that while a degree of popular cynicism towards them is often chronic though rarely acute parties have adapted and survived as organizations remodelling themselves to the needs of an era in which patterns of linkage and communication with social groups have been transformed This has enabled them to remain central to democratic systems especially in respect of the political functions of governance recruitment and albeit more problematically interest aggregation On the other hand the challenges they face in respect of interest articulation communication and participation have pushed parties into more marginal roles within Western political systems The implications of these findings for democracy depend on the observer's normative and theoretical perspectives Those who understand democracy primarily in terms of popular choice and control in public affairs will probably see parties as continuing to play a central role while those who place greater store by the more demanding criteria of optimizing interests

and instilling civic orientations among citizens are far more likely to be fundamentally critical

Comparative Politics is a series for students and teachers of political science that deals with contemporary issues in comparative government and politics

The General Editors are Max Kaase Vice President and Dean of Humanities and Social Sciences International University Bremen and Kenneth Newton Professor of Government at Southampton University The series is published in association with the European Consortium for Political Research

*Directory of European Union Political Parties* Alan John Day, 2000 This is a companion volume to the reference *Political parties of the World* but it deals only with EU member states It features detailed profiles of all parties of any significance providing data on each party's history character support base policies leadership electoral results and affiliations For each country a general introduction puts the parties in their overall political constitutional and electoral context This volume is up to date to the beginning of 2000

**Handbook of Political Party Funding** Jonathan Mendilow, Eric Phélippeau, 2018-01-26 Scrutinizing a relatively new field of study the Handbook of Political Party Funding assesses the basic assumptions underlying the research presenting an unequalled variety of case studies from diverse political finance systems

Centre-left parties and the European Union Isabelle Hertner, 2018-01-30 This book investigates how the British Labour Party the French Socialist Party PS and the German Social Democratic Party SPD deal with the European Union EU

*Political Parties and European Integration* Cesáreo R. Aguilera de Prat, 2009 This book offers a systematic analysis of the role of political parties in the European Union in the process of Community integration The author looks at the theoretical and empirical dimensions of the transnational structures of the parties and their stake in the institutions of the EU Examining the manifestos and programmes that the principal political parties of the six most populated states of the EU presented during the campaign for the European parliamentary elections of 2004 he provides an analysis of their political strategies placing the parties on both the classic left right axis and that of supranationalism intergovernmentalism The focus is specifically on the statements and policy proposals of the parties on the following issues related to the EU as a political system the nature of the EU the reach of its territorial space the debate about a European citizenry the various projects for institutional reform of the EU and the principal concrete public policies regarding the three pillars Based on the methodological perspective of comparative politics the book addresses in a transversal manner the parties core programmes and their implications for Europe

**The Routledge Handbook of Political Parties** Neil Carter, Daniel Keith, Gyda M. Sindre, Sofia Vasilopoulou, 2023-04-25 The Routledge Handbook of Political Parties provides a systematic and comprehensive overview of the study of political parties provided by leading experts in the field In an era of widespread political disillusionment political parties are often the main targets of citizen dissatisfaction yet they are the key institutions that make democracy work Analysing political parties in unrivalled depth and breadth with comparative thematic chapters throughout as well as a dedicated section on political parties and party politics in specific country and regional settings this handbook examines and illuminates the key questions around how parties organise

how their ideologies have evolved over time their relationship with society how they differentiate themselves and how they respond to new social economic and political developments The Routledge Handbook of Political Parties is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of political parties party systems and party politics

**The European Union in the Twenty-First Century** Altuğ GÜNAR, Didem SAYGIN, 2023-04-20 The European Union in the Twenty First Century Major Political Economic and Security Policy Trends unpacks some of the most prominent issues faced by the EU over the last two decades and considers how they may shape its future as well as the future of international politics

**European Political Parties and Party Finance Reform** Wouter Wolfs, 2022-04-06 This book provides a comprehensive overview of the party finance regime at the level of the European Union Based on an in depth analysis of the interaction between European political parties and their institutional environment it shows how the Europarties have coped with and altered the funding rules The book explains why increasing party subsidies have been made available and why considerable differences exist in how Eurosceptic and pro European parties have used their EU funding It also examines how party finance reform at the EU level has been at the centre of party competition by demonstrating how the rules were strategically changed to benefit some European parties over others Considering the strong democratic aspirations that lay at the origins of the finance regime the book explores its consequences for party democracy and the rule of law in Europe This book is valuable for scholars working on the European Parliament Eurosceptic parties EU decision making European party politics and political finance

**The Europeanization of National Political Parties**, Christian Democratic Parties in Europe Since the End of the Cold War Steven Van Hecke, Emmanuel Gerard, 2004 The period since the end of the Cold War has been characterised by an acceleration in the European integration process a changing pattern of political ideologies and the emergence of new political parties and issues This book assesses the impact of these phenomena on Christian Democratic parties in the current and future member states of the European Union and highlights some of the particularities and universalities of European Christian Democracy from a comparative and transnational perspective Political scientists and historians from various universities examine the way in which Christian Democratic parties have responded to these challenges for instance by a rapprochement with non Christian Democrats and explain how those responses have resulted in failure in some cases and success in others

**The European Union** Ingeborg Toemmel, 2017-08-24 The European Union affects the lives of Europeans in many and varied ways yet in spite of its reach it often appears a constrained political system struggling for internal consensus reliant on the agreement of national governments and hampered by the scepticism of electorates These issues have become even more acute in the wake of the global economic and eurozone crises This new text provides a concise and up to date introduction to the nature of the European Union giving an account of its evolution and structure that makes sense of its current challenges The text analyses the EU's institutional structure and decision making procedures and highlights the manifold conflicts as well as the

sophisticated mechanisms for consensus building among the core institutions It explains the ways in which the EU differs from other forms of political order and how this leads to political processes that are characterized by cooperation and conflict In providing this context the author invites readers to a critical assessment of the functioning of the European Union and of the implications of this for its democratic legitimacy and future prospects The Elgar Companion to the European Union Samuel B.H. Faure,Christian Lequesne,2023-01-20 Constituting a major contribution to literature on the EU this comprehensive Companion analyses the structure and value of the EU capturing the normality of its politics alongside crises and political breakdown Transnational Parties and Advocacy in European Integration Karl Magnus Johansson,Tapio Raunio,2024-07-16 This book analyses the role of Europarties in the deepening of integration and the debates on the future of Europe It is guided by three fundamental research questions What strategies do Europarties utilize to advance their visions of Europe What is the relative influence of the actors in the networks of the Europarties How successful have the Europarties been in shaping the future of Europe European integration cannot be understood without accounting for the impact of the Europarties Theoretically the book utilizes the concepts of advocacy and agenda setting identifying Europarties as transnational partisan actors operating at intergovernmental and supranational levels of EU decision making Europarties have consolidated their organizational structures and more importantly have over the decades built their own networks and coalitions that enable them to wield influence in ways rarely captured by previous studies Empirically the book investigates the networks and positions of the Europarties constitutional reform processes and the role of the Europarties and their EP political groups in the broader debates on the future of Europe

## Whispering the Secrets of Language: An Mental Quest through **Political Parties And The European Union**

In a digitally-driven world wherever monitors reign great and instant conversation drowns out the subtleties of language, the profound techniques and mental nuances concealed within words often move unheard. ### **Political Parties And The European Union Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Political Parties And The European Union has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Parties And The European Union has opened up a world of possibilities. Downloading Political Parties And The European Union provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Parties And The European Union has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Parties And The European Union. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Parties And The European Union. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Parties And The European Union, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Parties And The European Union has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Political Parties And The European Union Books**

**What is a Political Parties And The European Union PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Parties And The European Union PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Parties And The European Union PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Parties And The European Union PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Parties And The European Union PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out

forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
